P107 FAQs

Small Unmanned Aircraft System (sUAS)

Authorization Request Site Notice

You are accessing a U.S. Government information system which includes (1) this site and (2) the computers and networks connected to this site. This information system is provided for U.S. Government-authorized use only. Privacy You may find information about how the FAA will handle information that you provide through this Site in our Privacy Policy (http://www.faa/.gov/privacy) and our Privacy Act Notice (https://www.transportation.gov/individuals/privacy/privacy-act-system-records-notices). Users have no expectation of privacy while using the site. For any lawful Government purposes, such as identifying wrongful attempts to upload or change information in the system or otherwise cause damage to the web service, the Government may monitor and intercept information transiting or stored on the system. Use of this system constitutes consent to such monitoring or interception. Unauthorized or improper use of this information system may result in civil and criminal penalties. Paperwork Reduction Act The form for submitting requests for an authorization under 14 C.F.R. § 107.41 is a collection of information under the Paperwork Reduction Act of 1995. The Federal Aviation Administration will use the information you provide in response to the following questions to regulate and promote safety in air commerce, in accordance with its statutory authority, 49 U.S.C.§ 44701; see also FAA Modernization and Reform Act of 2012, Pub. L. 112-95 § 333, Special Rules for Certain Unmanned Aircraft Systems. The following questions will take approximately ##? minutes to complete. You are not required to respond to this collection of information unless it displays a valid OMB control number.

Question Mark Icons display the following when hovering over:

Icon number	Text Displayed Upon Hovering
Responsible Person Information	
1	Name of the proponent
2	Organization of the proponent
3	Address of the proponent
4	Additional address of the proponent
5	City of the proponent
6	State of the proponent
7	Zip code of the proponent
8	Phone number of the proponent
9	Email of the proponent
Authorization Information	
1	Whether there are any waiver(s) approved
	Note: when the applicant selects "YES," a box appears stating, "Please attach approved waiver(s):" adjacent to an "Attach File" button and a "Browse" button. Once attached successfully, a link to the document appears at the end of the form adjacent to a field heading titled "Support Documents."
2	Detailed description of the proposed operation. Attach supplement if needed (after the draft saved).
	Latitude and Longitude entry blocks display brief instructions upon clicking in each block (e.g., "Please enter a valid number between -10 and 73")
3	Circle radius of the location in nautical miles (NM).
4	The nearest airport if available. This information will be populated by the system automatically.
5	Describe the altitude the UAS will operate (example: at or below 400ft AGL)
6	Beginning date and time

7	Ending date and time
Unmanned Aircraft and Pilot Information	
1	Enter the aircraft type. Please include the make and model.
2	A valid registration number is required. TBD is not acceptable.
3	Name of the pilot/operator
4	Organization of the pilot/operator
5	Address of the pilot/operator
6	Additional address of the pilot/operator
7	City of the pilot/operator
8	State of the pilot/operator
9	Zip code of the pilot/operator
10	Phone number where air traffic control can reach the remote pilot/operator if necessary
11	Email address of the pilot/operator
12	Certificate number of the pilot/operator
13	Certificate rating of the pilot/operator
	At the bottom of the form, once all necessary fields are complete, a green box stating "Valid" appears, as well as a blue button stating "Submit to FAA →" Applicants will also have the following options at the end of the form: "← Back" "Update Draft"
