# 2016 Customer Satisfaction Survey

OPM.GOV AUGUST 2016

# UNITED SATATES OFFICE OF PERSONNEL MANAGEMENT Washington, DC 20415

### A Message from the Associate Director of Retirement Services

#### Dear Friend:

The U.S. Office of Personnel Management serves nearly 2.6 million Federal annuitants and survivor annuitants. We work to provide our customers with high quality retirement benefit services. These benefits were earned through service to our country and we must provide services that match the commitment to public service.

This survey collects feedback on satisfaction with our retirement program products and services. You were selected from a random sample of Federal annuitants and survivor annuitants. Your participation is voluntary, and any information you provide will be kept confidential. This information will help us determine areas that need improvement. Annuitants selected for this survey who registered their email address with us will receive the survey via email link. If you would like annual mailers, IRS 1099R's and electronic messages delivered securely to your email address, please visit <a href="https://www.ServicesOnline.OPM.gov">www.ServicesOnline.OPM.gov</a> to learn how to register.

We will report the survey results to the President and Congress so they can assess how we are doing on meeting our goals and carrying out our mission: Recruiting, Retaining, and Honoring a World-Class Workforce to Serve the American People. One way we do this is by maintaining a world-class benefits program. Your participation in this survey will help us build the workforce. This means you continue to serve your country, and for that, we thank you.

Sincerely,

Kenneth Zawodny Associate Director Retirement Services

### U.S. Office of Personnel Management Retirement Services FY 2016 Customer Satisfaction Survey

### **Purpose of this Survey**

Every year the Office of Personnel Management (OPM) sets new goals for improving the retirement services we provide to Federal annuitants. To reflect how well we meet these goals, our survey focuses on retirees who had a transaction with us during the last year (from October 1, 2015). This includes Long-Time Retirees (retired before October 1, 2015) who contacted us for service regarding their retirement accounts, and New Retirees (retired on or after October 1, 2015) who initially applied for retirement benefits or contacted us for service regarding their new accounts.

### Instructions

Please read the instructions carefully. Respond directly in the survey booklet, using pen or pencil. If you wish to change a response, erase it or cross it out. Some questions may not pertain to you; please mark these with the "No Basis to Judge" response. For most of the questions, you will mark only one response, but a few questions noted as "Mark ALL that apply" allow for multiple responses. The last section of this survey is for New Retirees; Long-Time Retirees should not answer questions in the last section. If you wish to make written comments for any question, space is provided at Question 42, page 9. If you would like to be interviewed by OPM Retirement Services to provide additional feedback about your response to this survey, please provide contact information on page 9.

Please return the completed questionnaire in the postage-paid envelope within 14 days to:

# Frequently asked questions about the Customer Satisfaction Survey

### What is the cost of doing the survey?

Printing and mail/return postage costs about \$3,000. This is mostly a one-person task, with a GS-13 program analyst devoting about ten percent of annual staff hours to producing the survey and analyzing the results.

### Will the survey ever be available on-line?

The 2016 survey will be available on-line to some of our customers. Annuitants chosen for this survey by our random selection process and having a registered email address with OPM will receive an email link to the survey. Annuitants chosen but not having a registered email address will receive the survey via postal mail. To assure that only annuitants in the random selection process take the survey, we have not placed the survey on the OPM website. We may do so in the future.

### How is the validity of the survey results assured?

The survey results are subject to random audits by OPM's Office of the Inspector General.

### **Public Burden Statement**

We estimate providing this information takes an average 25 minutes per survey, including the time for reviewing instructions, getting the needed data, and reviewing the requested information. Send comments regarding our estimate or any other aspect of this survey, including suggestions for reducing completion time, to the U.S. Office of Personnel Management, Retirement Services Publications Team (3206-0236), Washington, DC 20415-0001. The OMB Number, 3206-0236, is currently valid. OPM may not collect information, and you are not required to respond, unless this number is displayed.

### **Privacy Act Statement**

In accordance with Public Law 93-579 (Privacy Act of 1974), the providing of personal information is completely voluntary. Collection of this information is authorized by Sections 1002, 3301, and 3304 of Title 5, U.S. Code.

Your responses to this survey are voluntary and there is no penalty for not responding. However, maximum participation is encouraged so that the data will be complete and representative.

The principal purpose in collecting this information is to study and report attitudes and perceptions of Federal annuitants regarding the retirement services provided to them by the U.S. Office of Personnel Management (OPM). Your responses will be used to improve these services.

Only OPM staff involved in collecting or preparing this information for analysis will have access to completed surveys. The information you provide will be analyzed and reported for the whole Federal annuitant population.

In any public release of survey results, no data will be disclosed that could be used to identify specific individuals and your individual responses will be treated confidentially.
