Agency: Economic Research Service

Contractor: Westat, Inc.

**National Food Study Pilot  
Recall Interview**

The interview will be interviewer- administered during the final in-person visit.

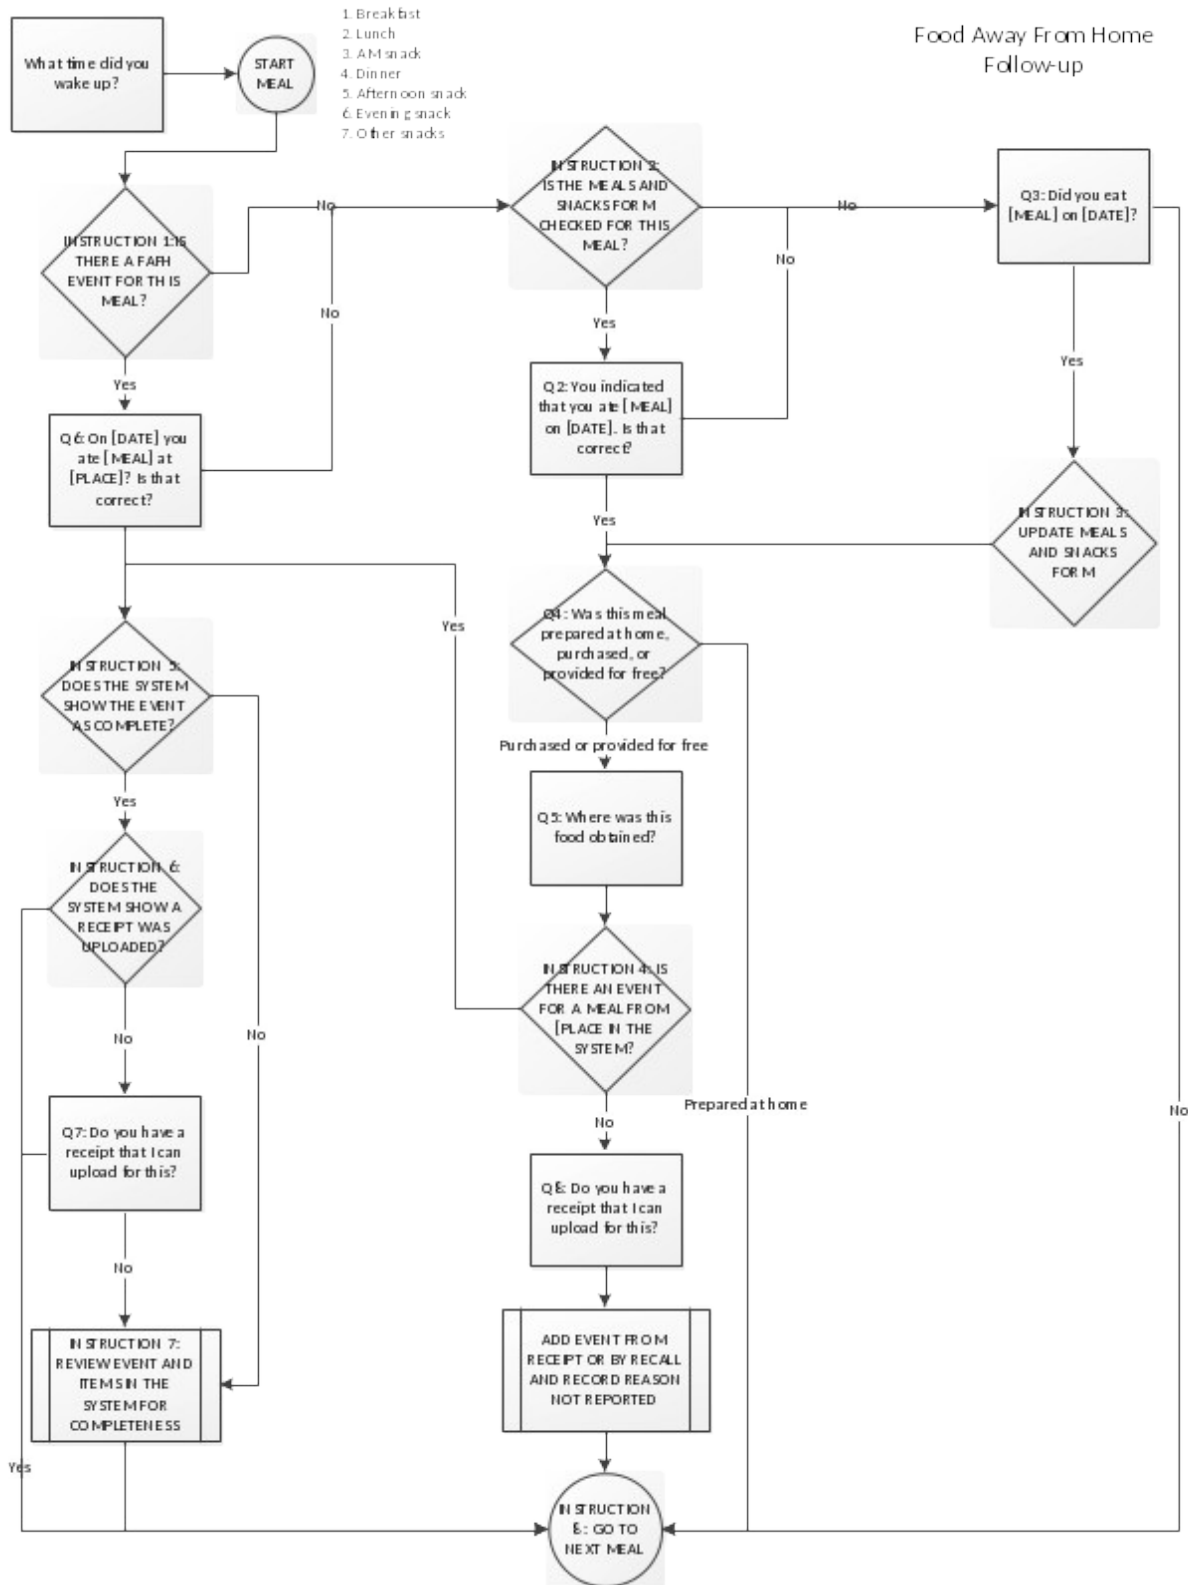

Selection Criteria

- Up to two persons including the primary respondent will be selected. These persons will be selected immediately following the completion of the Initial Interview.
- The Recall Interview will be triggered immediately following the finalization of the Final Interview. A household that refuses to complete the Final Interview will still be eligible to participate.

Data Collection Process

- The Food Log each selected person completed will be analyzed prior to the interviewer's visit.
- Prior to the interview, interviewers will receive and review a summary report showing the events completed and the events with missing information.
- Interviewers will be trained to access and update each selected respondent's Food Log and Meals and Snacks Form.
- They will begin with Step 1 which asks about food away from home events. They will follow the steps outlined in the flow diagram on page 2 and ask the questions on pages 3 and 4.
- Next they will move to Step 2 and ask about food at home events. They will follow the steps outlined in the flow diagram on page 5 and ask the questions on pages 6 and 7.
