ATTENTION EXTRACT AND WEB SERVICE USERS

SAM Extracts and Web Services: Support for the legacy-formatted extracts and web services in SAM ended on October 31st, 2014. Federal systems using SAM data must convert to the SAM-formatted extracts and web services. If you see "You do not have access to this extract" you need to submit a Data Access Request for the appropriate role by logging in with the account that needs the role. Go to "Data Access" then click on either "System Data Access Request" or "Individual Data Access Request" (depending on your user account type) and follow the prompts to submit the request. Visit the [openIAE GitHub site](#) for more information about SAM's data, web services, and [RESTful API](#).
