**1. Need**

How will you address Describe the need to expand or begin providing the proposed service(s), and how this proposal will respond to the for health services in the community and care needs of the target population (with reference to relevant), including the needs of special populations, demographic characteristics (migrant and seasonal farm workers, people experiencing homelessness, and/or access to care/health status indicators residents of public housing) and the uninsured? (Explain within 2,000 characters maximum – about one page)

**2. Project Types**

How do you plan to use IDS funds? (Check all that apply)

Increase health center staffing (i.e., full-time equivalents)-  
 Extend hours of operations-  
 Expand existing services-  
 Other

**If 'Other', please specify:**

**3. Description Response**

Describe the following:

1. An appropriate timeline for project implementation that demonstrates operational readiness within 120 days of award for the provision of new and expanded existing services.

(1,000 characters maximum – about half of a page)

2. How the health center will ensure that all proposed services are or will be integrated into the existing service delivery model.

*(1,000 characters maximum - about half of a page)*

3. How the health center will ensure that all proposed services are accessible without regard to ability to pay through a sliding fee discount program.

*(1,000 characters maximum - about half of a page)*

4. How the health center plans to ensure that all patients will have reasonable access to any proposed new How will you implement the IDS project(s) in a manner that is appropriate and responsive to the identified community and target population health care needs? Include a description of the types of services, as appropriate, impacted as well as strategies/methods for expanding access to primary care services and increasing capacity. (Explain within 2000 characters)

*(1,000 characters maximum - about half of a page)*

5. If any services will be provided by a Formal Written Agreement (via Column II on Form 5A), describe how the health center maintains oversight over all services provided via contracts/agreements or sub-recipient arrangements in accordance with Health Center Program requirements. If services are not provided via Formal Written Agreement, indicate that this question is not applicable.

*(1,000 characters maximum - about half of a page)*

#### **4- Impact**

Describe the following:

TheHow will the proposed IDS project(s) impact of the proposed project, including the number of 1) proposed new patients, 2) existing patients with increased access toeds for health services (as applicable), in the community and 3) new providers. Include a detailed explanation for how the projections were calculated target population as well as the uninsured? (including data sourcesExplain within 2000 characters).

*(2,000 characters maximum - about half of a page)*

#### **Patient Impact Questions 5- IDS Projections**

**1. As a direct result of this funding, how many NEW patients do you predict will access services at your health center?Total New Patients (Unduplicated)**

**Total New Uninsured Patients**

**Total Retained Jobs**

#### **NEW Patients by Service Category (as applicable)**
