## A.- Introdução

Nesta entrevista, faremos perguntas sobre sua gravidez, sua saúde, a saúde de seu bebê e algumas exposições que você pode ter tido durante a gravidez. Essas perguntas abrangem muitos temas, e esperamos que nos ajudem a compreender melhor por que alguns bebês têm microcefalia e outros não.

1. Idade atual da mãe (anos) :

2. Idade atual do bebê:  Idade em  semanas  meses

3. Sexo do bebê:

5. Localização da residência:

## B. Residência e histórico de deslocamentos da mãe

1. Há quanto tempo você mora na Paraíba?

Anos  Meses   Não sei

2. Há quanto tempo você mora em seu endereço atual?

3. Durante a gravidez, você morou...

4. Durante a gravidez, você passou 3 noites consecutivas ou mais fora de casa, onde o trajeto foi superior a 3 horas?

Nota: Se a mãe estiver morando no local há menos de 8 meses (mais a idade do bebê), talvez não atenda aos critérios de elegibilidade para o estudo; verificar os critérios de inclusão

5. Liste as datas e destinos dos deslocamentos:

Data  Locais:  Dias:

Data  Locais:  Dias:

Data  Locais:  Dias:

### C. Informações sobre a gravidez

1. Data da última menstruação:   Não sei
2. Qual foi a data provável do parto informada pelo médico?   Não sei
3. Tipo de gravidez  Se gemelar, número de bebês:  4. Os outros bebês nasceram vivos?
- Se sim, teve alguma malformação:  Especificar
5. Tipo de parto:
6. Quantas vezes você engravidou antes desta gravidez, incluindo gestações que podem ter terminado em abortos naturais, bebê nascido morto ou outros resultados?
- Número de gestações:  Número de nascidos vivos
- Número de abortos:  Número de nascidos mortos:
7. Há alguma (outra) criança ou adulto da sua família que nasceu com microcefalia?
- Se sim, especifique (grau de parentesco em relação ao bebê e o momento do diagnóstico):
8. Você e o pai da criança têm algum grau de parentesco?  Se sim, qual?
9. Qual é a data de nascimento deste bebê?

### D. Doenças durante a gravidez

Agora, vou fazer algumas perguntas sobre doenças que você pode ter tido durante a gravidez.

1. No período de 30 DIAS ANTES do início da gravidez, você teve alguma doença com algum dos seguintes sintomas:

Manchas vermelhas no corpo:	<input type="text"/>	Quando <input type="checkbox"/>	Semanas ou meses <input type="radio"/> Semanas <input type="radio"/> Meses <input type="radio"/> Não sei
Febre:	<input type="text"/>	Quando <input type="checkbox"/>	Semanas ou meses <input type="radio"/> Semanas <input type="radio"/> Meses <input type="radio"/> Não sei
Coceira:	<input type="text"/>	Quando <input type="checkbox"/>	Semanas ou meses <input type="radio"/> Semanas <input type="radio"/> Meses <input type="radio"/> Não sei
Dores articulações:	<input type="text"/>	Quando <input type="checkbox"/>	Semanas ou meses <input type="radio"/> Semanas <input type="radio"/> Meses <input type="radio"/> Não sei
Olhos vermelhos:	<input type="text"/>	Quando <input type="checkbox"/>	Semanas ou meses <input type="radio"/> Semanas <input type="radio"/> Meses <input type="radio"/> Não sei

2. Durante o PRIMEIRO TRIMESTRE de gravidez (até 13 semanas), você teve alguma doença com algum dos seguintes sintomas?

Manchas vermelhas no corpo:  Quando

Semanas ou meses

Semanas  Meses  Não sei

Febre:  Quando

Semanas ou meses

Semanas  Meses  Não sei

Coceira:  Quando

Semanas ou meses

Semanas  Meses  Não sei

Dores articulações:  Quando

Semanas ou meses

Semanas  Meses  Não sei

Olhos vermelhos:  Quando

Semanas ou meses

Semanas  Meses  Não sei

3. Durante o SEGUNDO TRIMESTRE de gravidez (14 a 26 semana), você teve alguma doença com algum dos seguintes sintomas?

Manchas vermelhas no corpo:  Quando

Semanas ou meses

Semanas  Meses  Não sei

Febre:  Quando

Semanas ou meses

Semanas  Meses  Não sei

Coceira:  Quando

Semanas ou meses

Semanas  Meses  Não sei

Dores articulações:  Quando

Semanas ou meses

Semanas  Meses  Não sei

Olhos vermelhos:  Quando

Semanas ou meses

Semanas  Meses  Não sei

4. Durante o TERCEIRO TRIMESTRE de gravidez (27 a 42 semanas), você teve alguma doença com algum dos seguintes sintomas?

Manchas vermelhas no corpo:  Quando

Semanas ou meses  
 Semanas  Meses  Não sei

Febre:  Quando

Semanas ou meses  
 Semanas  Meses  Não sei

Coceira:  Quando

Semanas ou meses  
 Semanas  Meses  Não sei

Dores articulações:  Quando

Semanas ou meses  
 Semanas  Meses  Não sei

Olhos vermelhos:  Quando

Semanas ou meses  
 Semanas  Meses  Não sei

5. Entre o mês anterior à gravidez e o final da gravidez, você teve alguma das seguintes doenças ou infecções? [Em caso afirmativo, registrar a semana de gravidez, se possível, e o(s) mês(es) de gravidez, caso a semana seja desconhecida]

#### Infecção urinária

-30 Infecção dos rins, bexiga ou trato urinário  Quando

Semanas ou meses  
 Semanas  Meses  Não sei

1º Tri Infecção dos rins, bexiga ou trato urinário  Quando

Semanas ou meses  
 Semanas  Meses  Não sei

2º Tri Infecção dos rins, bexiga ou trato urinário  Quando

Semanas ou meses  
 Semanas  Meses  Não sei

3º Tri Infecção dos rins, bexiga ou trato urinário  Quando

Semanas ou meses  
 Semanas  Meses  Não sei

#### Infecções por fungos

-30 Infecção por fungos  Quando

Semanas ou meses  
 Semanas  Meses  Não sei

1º Tri Infecção por fungos  Quando

Semanas ou meses  
 Semanas  Meses  Não sei

2º Tri Infecção por fungos  Quando

Semanas ou meses  
 Semanas  Meses  Não sei

3º Tri Infecção por fungos  Quando

Semanas ou meses  
 Semanas  Meses  Não sei

Toxoplasmose	<input type="text"/>	Quando	<input type="checkbox"/>	<input type="radio"/> Semanas <input type="radio"/> Meses <input type="radio"/> Não sei
Citomegalovírus (CMV)	<input type="text"/>	Quando	<input type="checkbox"/>	<input type="radio"/> Semanas <input type="radio"/> Meses <input type="radio"/> Não sei
Rubéola	<input type="text"/>	Quando	<input type="checkbox"/>	<input type="radio"/> Semanas <input type="radio"/> Meses <input type="radio"/> Não sei
Herpes	<input type="text"/>	Quando	<input type="checkbox"/>	<input type="radio"/> Semanas <input type="radio"/> Meses <input type="radio"/> Não sei
Sífilis	<input type="text"/>	Quando	<input type="checkbox"/>	<input type="radio"/> Semanas <input type="radio"/> Meses <input type="radio"/> Não sei
Catapora	<input type="text"/>	Quando	<input type="checkbox"/>	<input type="radio"/> Semanas <input type="radio"/> Meses <input type="radio"/> Não sei
LCMV (coriomeningite linfocitária)	<input type="text"/>	Quando	<input type="checkbox"/>	<input type="radio"/> Semanas <input type="radio"/> Meses <input type="radio"/> Não sei

3. Entre o mês anterior à gravidez e o final da gravidez, você teve alguma outra infecção que não citamos?

[Em caso afirmativo, registrar a semana de gravidez, se possível, e o(s) mês(es) de gravidez, caso a semana seja desconhecida]

Especifique:  Quando   Semanas  Meses

4. Você já foi diagnosticada com algum dos seguintes problemas de saúde?

<input type="checkbox"/> Pressão alta	<input type="checkbox"/> Diabetes (fora do período da gravidez)	<input type="checkbox"/> Diabetes durante a gravidez
<input type="checkbox"/> Doenças respiratórias	<input type="checkbox"/> Doenças neurológicas	<input type="checkbox"/> Doenças cardíacas
<input type="checkbox"/> Outro problema de saúde crônico	<input type="checkbox"/> Nenhum dos anteriores	<input type="checkbox"/> Não sei

Se outra doença especificar?

Se marcou alguma das doenças acima (respiratória, neurológica e cardíaca), especifique

### E. Medicamentos

Agora, vou fazer perguntas sobre medicamentos que você pode ter tomado durante a gravidez.

1. Entre o mês anterior à gravidez e o final da gravidez, você tomou algum medicamento com ou sem prescrição?

Medicamento <input type="text"/>	Período <input type="checkbox"/> 30 dias antes <input type="checkbox"/> 1º Tri <input type="checkbox"/> 2º Tri <input type="checkbox"/> 3º Tri
Medicamento <input type="text"/>	Período <input type="checkbox"/> 30 dias antes <input type="checkbox"/> 1º Tri <input type="checkbox"/> 2º Tri <input type="checkbox"/> 3º Tri
Medicamento <input type="text"/>	Período <input type="checkbox"/> 30 dias antes <input type="checkbox"/> 1º Tri <input type="checkbox"/> 2º Tri <input type="checkbox"/> 3º Tri
Medicamento <input type="text"/>	Período <input type="checkbox"/> 30 dias antes <input type="checkbox"/> 1º Tri <input type="checkbox"/> 2º Tri <input type="checkbox"/> 3º Tri
Medicamento <input type="text"/>	Período <input type="checkbox"/> 30 dias antes <input type="checkbox"/> 1º Tri <input type="checkbox"/> 2º Tri <input type="checkbox"/> 3º Tri

2. Entre o mês anterior à gravidez e o final da gravidez, você tomou algum medicamento tradicional ou medicamento homeopático?

Medicamento <input type="text"/>	Período <input type="checkbox"/> 30 dias antes <input type="checkbox"/> 1º Tri <input type="checkbox"/> 2º Tri <input type="checkbox"/> 3º Tri
Medicamento <input type="text"/>	Período <input type="checkbox"/> 30 dias antes <input type="checkbox"/> 1º Tri <input type="checkbox"/> 2º Tri <input type="checkbox"/> 3º Tri
Medicamento <input type="text"/>	Período <input type="checkbox"/> 30 dias antes <input type="checkbox"/> 1º Tri <input type="checkbox"/> 2º Tri <input type="checkbox"/> 3º Tri
Medicamento <input type="text"/>	Período <input type="checkbox"/> 30 dias antes <input type="checkbox"/> 1º Tri <input type="checkbox"/> 2º Tri <input type="checkbox"/> 3º Tri
Medicamento <input type="text"/>	Período <input type="checkbox"/> 30 dias antes <input type="checkbox"/> 1º Tri <input type="checkbox"/> 2º Tri <input type="checkbox"/> 3º Tri

3. Entre o mês anterior à gravidez e o final da gravidez, você tomou alguma multivitamina, vitamina pré-natal ou suplemento de ácido fólico?

Sulfato ferroso: <input type="text"/>	Quando iniciou o uso <input type="checkbox"/>	Semanas ou meses <input type="radio"/> Anterior <input type="radio"/> Semanas <input type="radio"/> Meses
Ácido fólico: <input type="text"/>	Quando iniciou o uso <input type="checkbox"/>	Semanas ou meses <input type="radio"/> Anterior <input type="radio"/> Semanas <input type="radio"/> Meses
Outros polivitamínicos: <input type="text"/>	Quando iniciou o uso <input type="checkbox"/>	Semanas ou meses <input type="radio"/> Anterior <input type="radio"/> Semanas <input type="radio"/> Meses

## F. Exposições ao tabaco e álcool

As próximas perguntas tratam do consumo de cigarros e álcool.

1. Entre o mês anterior à gravidez e o final da gravidez, você...

Fumou cigarros?  Por quanto tempo:   Anterior Período  Quantos por dia:

2. Entre o mês anterior à gravidez e o final da gravidez, você conviveu com alguém que ...

Fumou cigarros?  Dentro de casa  Quanto:   Anterior Período

Quantos por dia:

2A. Fumou narguilê ou algo semelhante  Dentro de casa:  Quanto:

Anterior Semanas ou meses  Quantas horas por dia:

3. Entre o mês anterior à gravidez e o final da gravidez, você bebeu vinho, cerveja, bebidas destiladas, como cachaça, ou coquetéis de bebidas?

Quanto:   Anterior Semanas ou meses  Frequência:

## G. Exposições ambientais

Agora, vamos fazer perguntas sobre outras exposições que você pode ter tido durante a gravidez.

1. Qual foi sua principal fonte de água para beber durante a gravidez?

- |   |   |
|---|---|
| <input type="checkbox"/> Torneira                                     | <input type="checkbox"/> Aqueduto rural             |
| <input type="checkbox"/> Poço   | <input type="checkbox"/> Água mineral/água filtrada |
| <input type="checkbox"/> Rio ou lagoa                                 | <input type="checkbox"/> Cisterna ou tanque         |
| <input type="checkbox"/> Outra fonte Especificar <input type="text"/> | <input type="checkbox"/> Não sei                    |

2. Você faz alguma coisa para filtrar ou purificar a água que você bebe?  O que?

3. Você fez consumo de peixes e/ou frutos do mar durante a gestação?

4. Quanto tempo você ficou ao ar livre por dia durante a gravidez?

5. Você mantinha janelas e portas abertas durante o dia e noite quando estava grávida?

6. Suas janelas e portas tinham telas protetoras?

7. Você usou repelente contra insetos quando estava ao ar livre durante a gravidez?

7. Durante a gravidez, você teve exposição a... [Em caso afirmativo, registrar a semana de gravidez, se possível, e o(s) mês(es) de gravidez, caso a semana seja desconhecida]:

Pesticidas  Especifique o(s) pesticida(s):

Quando  Período  Semanas  Meses  Não sei Frequência:

Inseticida  Especifique o(s) inseticida(s):

Quando  Período  Semanas  Meses  Não sei Frequência:

Raticidas  Especifique o(s) raticida(s):

Quando  Semanas ou meses  Semanas  Meses  Não sei Frequência:

Fertilizantes  Especifique o(s) fertilizante(s):

Quando  Semanas ou meses  Semanas  Meses  Não sei Frequência:

Fumigação  Especifique o(s) produto(s):

Quando  Semanas ou meses  Semanas  Meses  Não sei Frequência:

## H. Avaliação do bebê

Agora, vou fazer algumas perguntas sobre a saúde do seu bebê.

1. Em geral, como você classificaria a saúde do seu bebê?

Caso seja regular ou ruim, explique:

2. Desde que seu bebê nasceu, ele(a) apresentou algum dos seguintes problemas?

Convulsões

Febre

Problemas de audição

Problemas de visão  Outro problema de saúde  Especifique:

## I. Outras características demográficas e da residência

Agora, gostaria apenas de fazer as últimas perguntas sobre você e sua família.

1. Como você classificaria sua raça?  Se outra, especifique:

2. Qual era a sua escolaridade quando o bebê nasceu? (considerar o maior nível completo)

3. Durante os 9 meses de gravidez, qual era a renda mensal de sua família?

4. Quantas pessoas eram sustentadas por essa renda, inclusive adultos e crianças?

**J. Medidas antropométricas no momento da entrevista:**

PC(cm)

Estatura (cm)

Há alguma observação sobre o procedimento:

**K. Observações finais e coleta das amostras**

Para concluir, gostaríamos de agradecer muito pela sua atenção em responder às nossas perguntas e nos fornecer um pouco de sangue para ver se você ou o seu bebê foram infectados pelo vírus Zika. Sua contribuição para este estudo nos ajudará muito em nossos esforços para compreender melhor a razão para tantos bebês estarem nascendo com microcefalia no Brasil. Obrigado.

- 1. Uma amostra de sangue foi colhida da mãe?
- 2. Uma amostra de sangue foi colhida do bebê?
- 3. O bebê foi fotografado?

**Observações finais**

## Appendix 1: Case Investigation Form

## Elizabethkingia Spp. Interview Form:

CDCID \_\_\_\_\_

This form is intended to interview patients with:

- Isolates of any Elizabethkingia spp from any body site with PFGE matching outbreak pattern;  
AND
- The specimen was collected on or after November 1, 2015

When initiating an interview, please use the script appropriate to a participant. Please fill out completely, if patient or proxy does not know the information, then please check 'unknown' or note that question was asked and information is not available.

Was consent given:  Yes  No (DO NOT PROCEED)

# Elizabethkingia Spp. Interview Form:

Date of interview: \_\_/\_\_/\_\_\_\_

Zip code of residence: \_\_\_\_\_

State Epi ID (state use only): \_\_\_\_\_

## Interview Information

Date first culture collected: \_\_/\_\_/\_\_\_\_(MM/DD/YYYY)

First date of 30-day exposure period (date of culture collection – 30 days): \_\_/\_\_/\_\_\_\_(MM/DD/YYYY)

First date of 7-day exposure period (date of culture collection – 7 days): \_\_/\_\_/\_\_\_\_(MM/DD/YYYY)

Date interview completed: \_\_/\_\_/\_\_\_\_(MM/DD/YYYY)  Not applicable. Why? \_\_\_\_\_

Interviewer: Name: \_\_\_\_\_  
Affiliation (state health dept. or CDC): \_\_\_\_\_

Linelist patient ID \_\_\_\_\_

For interviewer use only:

Information on this report was collected through (check all that apply):  Patient/proxy interview (specify: \_\_\_\_\_)  Medical Record Review

Review of health department notes  Other: \_\_\_\_\_

Must be filled BEFORE faxing to DPH:

Does this patient have laboratory-confirmation of Elizabethkingia spp infection?  Yes  No (STOP interview)

Hello, I am (name, affiliation).

Thank you for taking the time to talk to me today. Understanding healthcare and community exposures you had before you got sick with Elizabethkingia is critical for identifying the source of these illnesses and stopping more people from getting sick. During this interview I will ask you about your health, healthcare, and activities in the 30 days before you tested positive for Elizabethkingia. This is the period from (first date of exposure period) to (date of culture collection) [if conducting in person interview, show a calendar]. To answer these questions, it might be helpful for you to gather information that will help you remember what you did in the month before you became ill, such as an appointment diary, calendar, statements from healthcare providers, and receipts from restaurants or travel. This is a standardized interview form we are using for all the patients affected, to see if we can find some things in common that may have led to people becoming sick with this bacteria. We are still not sure the source of this outbreak. This bacteria is very rare and relatively newly discovered, so there are a lot of things we don't know about it. What we do know is that it likes to live in water and when it has infected people in the past that has typically been people who are already sick in the hospital. For that reason many of these questions will focus on prior healthcare exposures in the month before you became sick. I'll also be asking about home exposures, including water and soil exposures. Then we'll also talk about food exposures.

InstructionstotheInterviewer-IfthecaseisstillonlyPossibleandnotConfirmed,besuretostate:

"The state health department is automatically receiving any samples of this bacteria from hospital labs, and so we have been informed that you grew this bacteria on \_\_ (date) \_\_ from \_\_ (body location) \_\_. We still need to check the DNA fingerprint of the sample we received and see if it matches the same fingerprint of the other patients in this outbreak, and so we cannot confirm at this time that you are actually a part of the outbreak. Nevertheless, we are trying to get ahead of things and start contacting anyone we think MIGHT be affected by the outbreak to ask some questions."

Please remember that all of your responses are confidential. This interview will take up to an hour.

Are you ready to begin?

## Patient Provider (Patient interview or Medical Record Review)

1. Primary care provider name: \_\_\_\_\_
2. Location and phone number of Primary care provider: \_\_\_\_\_

# Elizabethkingia Spp. Interview Form:

Date of interview: \_\_\_/\_\_\_/\_\_\_\_

Zip code of residence: \_\_\_\_\_

State Epi ID (state use only): \_\_\_\_\_

**Demographic Information (Medical Record Review and Patient Interview)**

I will start by asking some questions about your background and where you live.

3. Date of birth: \_\_\_/\_\_\_/\_\_\_\_(MM/DD/YYYY)
4. In the time period from (first date of exposure period) to (date of culture collection) did you stay at least one night in an institutional setting?  
 Yes     No     Unk  
 a. If yes, select all that apply:     Nursing home or rehabilitation facility     Assisted living facility     Acute care facility     Other, specify: \_\_\_\_\_
5. What is your race: (check all that apply)     White     Asian     American Indian/Alaska Native  
 Black     Native Hawaiian/Other Pacific Islander     Unk
6. What is your ethnicity:     Hispanic or Latino     Not Hispanic or Latino     Unk
7. What is your sex:     Male     Female     Unk
8. Are you employed     Yes     No     Unk    If yes, place of employment, location (city) of employment?  
 \_\_\_\_\_

**Healthcare Exposure (Patient Interview)**

I am now going to ask you about your healthcare exposures that occurred in the 30 days before you became ill, the period from (first date of exposure period) to (date of culture collection). I will refer to this period as the month before you became ill.

9. In the month before you became ill, did you receive home health services (including wound checks, dressing changes, baths)?     Yes     No     Unk

Please tell me about each of these home health visits, starting with the most recent.

a. If yes, please list:

Date	Agency Name and Contact Information	Reason for Visit

10. In the month before you became ill, did you have any outpatient visits at a clinic with healthcare providers (this does not include outpatient visits for dialysis)? Examples of healthcare providers are primary care providers, specialists such as cardiologists or oncologists, eye doctors, and dentists.

Yes     No     Unk

a. If yes, please list your appointments:

Date	Clinic Name (phone number and address, if known) and Specialty Type	Reason for Visit

11. In the month before you became ill, were you receiving outpatient dialysis?     Yes     No     Unk

- a. If yes, what type of dialysis:     Hemodialysis     Peritoneal Dialysis     Unk
- b. Name and contact information for dialysis facility: \_\_\_\_\_
- c. If hemodialysis please specify access type:     fistula     graft     central venous catheter     other     Unk
- d. What days do you receive dialysis     MWF     T H S     Other     Unk
- e. Last dialysis session before symptoms onset. Date: \_\_\_\_\_     do not know

## Home Exposures (Patient Interview)

Thank you for providing that information. Now I am going to ask you questions about potential exposures at home and in the community.

23. How long before you became ill did you live in your current home? \_\_\_\_\_ months/years  Unk
24. In the month before you became ill, did you make any changes to your plumbing, heating, or cooling systems?  Yes  No  Unk  
a. If yes, please explain: \_\_\_\_\_
25. In the three months before you became ill, were your plumbing, heating, or cooling systems serviced?  Yes  No  Unk  
a. If yes, please explain: \_\_\_\_\_
26. Describe the water supply used in the month prior to becoming ill?  Private Well  City or Municipal water (Specify municipality \_\_\_\_\_)  Other, specify \_\_\_\_\_  Unk
27. Does your home water use a de-chlorinator  Yes  No  Unk  
a. If yes, when was the filter last replaced prior to illness onset? \_\_\_\_\_  Unk  
b. Type of filter? \_\_\_\_\_  Unk
28. Does your home water use a softener  Yes  No  Unk
29. Where did you get your drinking water in the month before you became ill, check all that apply?  
 Home Tap  Point of Use Filter  Bottled  Other, specify \_\_\_\_\_  Unk
30. In the month before you became ill, did you consume commercially bought ice?  Yes  No  Unk  
a. If yes, specify brand and location: \_\_\_\_\_
31. In the month before you became ill, did you use a humidifier in your home?  Yes  No  Unk
32. In the month before you became ill, did you use a Neti-Pot or performed nasal rinsing?  Yes  No  Unk  
a. If yes, what is the water source used? \_\_\_\_\_  Unk
33. In the month before you became ill, did you have an aquarium in your home?  Yes  No  Unk
34. In the month before you became ill, did you have any pets at home?  Yes, specify \_\_\_\_\_  No  Unk
35. Did you have any exposure to animals in the 2 weeks before you became ill?  Yes, specify \_\_\_\_\_  No  Unk
36. Did you have any plants in your home in the month before you became ill?  Yes, specify \_\_\_\_\_  No  Unk
37. In the month before you became ill, did you have any contact with cut flowers?  Yes  No  Unk
38. In the month before you became ill, did you come in to contact with any soil such as during gardening, farming, sports, or other outdoor activities?  
 Yes  No  Unk  
a. If yes, please describe: \_\_\_\_\_
39. How do you bathe, check all that apply?  
 Bath  Shower  Sponge bath  Whirlpool  Other, please specify \_\_\_\_\_  Unk
40. Do you have dentures?  Yes  No  Unk
41. What brand of toothpaste did you use in the month before you became ill? \_\_\_\_\_  Unk

# Elizabethkingia Spp. Interview Form:

42. Did you use mouthwash in the month before you became ill?  Yes  No  
 a. If yes, which brand? \_\_\_\_\_  Unk
43. In the month before you became ill, did you use any topical products (e.g., lotions, creams, liniments, or ointments)?  Yes  No  Unk  
 a. If yes: Please tell me all of the products you used during this period. \_\_\_\_\_  
 \_\_\_\_\_

44. In the month before you became ill, did you use any peri-anal creams, pads, or medications?  Yes  No  Unk  
 a. If yes: Please tell me all of the peri-anal creams, pads or medications you used during this period.  
 \_\_\_\_\_

45. In the month before you became ill, did you use any soaps or bodywashes?  Yes  No  Unk  
 a. If yes: Please tell me all of the soaps and body washes you used during this period. \_\_\_\_\_  
 \_\_\_\_\_

46. In the month before you became ill, did you use any shampoos?  Yes  No  Unk  
 a. If yes: Please tell me all of the shampoos you used during this period. \_\_\_\_\_  
 \_\_\_\_\_

47. Where did you purchase the personal care products that you used in the month before you became ill (e.g., soap, shampoo, creams and lotions, toothpaste, deodorant)? Check all that apply and specify location:

- Drug Store       Grocery Store       On-line       Other

Name	Location

48. Now I would like to ask about a topic that might be sensitive to you. Please remember that your responses are confidential.  
 In the month before you became ill, did you use marijuana, also called cannabis, in any form?  
 Yes       No       Refuse to answer       Unk  
 a. If yes, specify route (check all that apply):  Smoked       Ate       Topical (oils)       Other (specify)

49. Do you know of anyone else in your home or community that has experienced a similar illness?  Yes  No  Unk  
 a. If yes, who: \_\_\_\_\_

50. Were you been bitten by any insect in the month before you became ill?  Yes  No  Unk  
 a. If so which? \_\_\_\_\_

51. In the month before you became ill, have any pets in your home had insect infestations (i.e., fleas)?  Yes  No  Unk

52. In the month before you became ill, did anyone live (stay overnight) with you in your home?  Yes  No  
 If yes: Please tell me more about all the people who live with you:

Name	Phone Number	Relationship	Occupation	Place of Employment	Check if surveillance cultures were obtained
					<input type="checkbox"/>
					<input type="checkbox"/>
					<input type="checkbox"/>

Public reporting burden of this collection of information is estimated to average 60 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Officer; 1600 Clifton Road NE, MS D-74 Atlanta, Georgia 30333; ATTN: PRA (0920-1011).

Patient CDCID: \_\_\_\_\_

### Wisconsin Clinical Course Abstraction Form

#### SECTION A

Section A Instructions: Abstract Section A using all medical records relevant to Elizabethkingia infection. This includes the medical record from the outpatient encounter, ER, or hospitalization where the positive culture was collected and follow-up care (hospitalization for EK, care at AL for EK, or outpatient treatment for the positive culture). If a patient was transferred during their EK hospitalization, abstract medical records for EK hospitalization from both facilities.

Obtain list of ICU locations from hospital prior to abstraction to ensure that all ICU stays are captured in item 21.

Patient CDCID:

Abstractor Name:

Date of Abstraction:

Specify name of facilities included in abstraction for Section A:

1. Age: \_\_\_\_\_

2. Sex:  Male  Female  Unk

3. Race (check all that apply):  White  Asian  American Indian/Alaska Native  Black  
 Native Hawaiian/Other Pacific Islander  Unk

4. Ethnicity:  Hispanic or Latino  Not Hispanic or Latino  Unk

5. County of residence: \_\_\_\_\_

6. Date of collection of first specimen positive for E. anophelis: \_\_\_/\_\_\_/\_\_\_(MM/DD/YYYY)

7. Time of collection of first specimen positive for E. anophelis: (HOURS/MINUTES; 24 HOUR CLOCK)

8. Where was the first specimen positive for E. anophelis collected (select one)?

Inpatient

LTCF/SNF

Emergency Room

LTACH

Observational unit/Clinical Decision Unit

Dialysis clinic

Outpatient

Other (specify): \_\_\_\_\_

Assisted Living

Unknown

Patient CDCID: \_\_\_\_\_

9. Was patient hospitalized at the time of or during the 7 days after the first specimen positive for E. anophelis was collected?  Yes  No  Unk

a. If yes, specify date of admission: \_\_\_/\_\_\_/\_\_\_(MM/DD/YYYY) (If patient was hospitalized and transferred, specify first date of admission)  Unk

b. Was patient transported to the hospital by EMS/ambulance (this is only intended to capture emergency transports by EMS not planned transfers via private ambulance)?  Yes  No  Unk

c. Was patient transferred to a different short stay acute care hospital at any point after the first specimen positive for E. anophelis was collected?  Yes  No  Unk

If yes, specify date(s) of transfer: \_\_\_/\_\_\_/\_\_\_(MM/DD/YYYY)

d. List all admission diagnoses on H&P:

---

---

---

---

---

---

---

---

10. Where was the patient admitted from? (select one)

Private residence

LTCF/SNF

Acute care hospital inpatient

LTACH

Homeless

Other (specify): \_\_\_\_\_

Assisted living

Unknown

11. History of present illness at the time of hospital admission (please briefly summarize details from the H&P):

---

---

---

---

---

---

---

---

Patient CDCID: \_\_\_\_\_

12. Past Medical History known at time first positive specimen was collected (check all that apply)

Other specify _____	<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Unk
Other specify _____	<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Unk
Other specify _____	<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Unk

17. Vital signs documented closest to time of collection of first positive specimen

None  Unknown

Date \_\_/\_\_/\_\_\_\_(MM/DD/YYYY)  Unk

Time: (HOURS/MINUTES; 24 HOUR CLOCK)  Unk

Parameter (include units)	Result
Systolic Blood pressure (mmHg)	
Diastolic Blood pressure (mmHg)	
Pulse (beats per minute)	
Respiratory rate (breaths per minute)	
Temperature (degrees F)	
Pulse Ox (percent)	Percent saturation _____ On O <sub>2</sub> <input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Unk If Yes, mode of delivery: <input type="checkbox"/> Nasal cannula <input type="checkbox"/> Intubated <input type="checkbox"/> Other (specify): _____ If yes, FiO <sub>2</sub> : _____ or L/Min: _____(if FiO <sub>2</sub> not documented) <input type="checkbox"/> Unk

Patient CDCID: \_\_\_\_\_

18. Record each for the 3 days beginning with the day of collection of first positive specimen. If only 1 value was documented (e.g., only 1 wbc value recorded for a given day) record the value as both the highest and the lowest.

	Day 1 (Day culture was performed) Date: ____/____/____	Day 2 Date: ____/____/____	Day 3 Date: ____/____/____
Highest systolic blood pressure			
Lowest systolic blood pressure			
Highest heart rate			
Lowest heart rate			
Highest respiratory rate			
Lowest respiratory rate			
Highest WBC			
Lowest WBC			
Highest proportion bands			
Altered mental status present (Yes/No/Unknown)			

19. Complete supplementary Table 1. For each day of the patient's hospital admission, record vitals documented closest to 6am and 6pm in the medical record. If the patient was already hospitalized at the time their first positive specimen was collected, document vitals starting 7 days prior to specimen collection date through the duration of their hospitalization.

Patient CDCID: \_\_\_\_\_

20. Record laboratories documented as specified below.

Parameter (include units)	Results on day patient was admitted to hospital (if multiple results, select first collected)  Date: __/__/__	Results on day first positive specimen was collected (select results closest to specimen collection)  Date: __/__/__	Results of highest value obtained during hospitalization  Specify date for each value	Results of lowest value obtained during hospitalization  Specify date for each value	Results on day discharged from hospital or died  Date: __/__/__
WBC					
Percent neutrophils (corresponds to WBC count above)					
Percent bands (corresponds to WBC count above)					
Platelets					
Hematocrit					
BUN					
Creatinine					
Lactate					
AST					
ALT					
INR					
Alkaline phosphatase					
Bilirubin					
Glucose					
CRP					
Anion Gap: Sodium – (Chloride + Bicarbonate)					

21. Was the patient admitted to an intensive care unit during his/her stay?  Yes  No  Unk

If yes, specify dates of admission to ICU:

	Date of ICU Admit	Date of ICU Discharge
1	___/___/___ <input type="checkbox"/> Unk	___/___/___ <input type="checkbox"/> Unk
2	___/___/___ <input type="checkbox"/> Unk	___/___/___ <input type="checkbox"/> Unk
3	___/___/___ <input type="checkbox"/> Unk	___/___/___ <input type="checkbox"/> Unk
4	___/___/___ <input type="checkbox"/> Unk	___/___/___ <input type="checkbox"/> Unk

Patient CDCID: \_\_\_\_\_

22. Specify if any of the following procedures were performed or provided during the patient's hospitalization:

Procedure	Performed?  <input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Unk	Date of Procedure  Indicate Start Date for those procedures where number of days is documented ____/____/____ ____	If yes, describe indication for procedure	Number of Days (do not fill if box is greyed)
Placement of Chest tube	<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Unk	____/____/____ ____		
Placement of other drain Specify _____	<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Unk	____/____/____ ____		
Acute hemodialysis	<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Unk	____/____/____ ____		
Mechanical ventilation	<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Unk	____/____/____ ____		
Noninvasive ventilation (CPAP or BiPAP)	<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Unk	____/____/____ ____		
Placement of Central Venous Catheter	<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Unk	____/____/____ ____		
Bronchoscopy	<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Unk	____/____/____ ____		
Endoscopy Specify _____	<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Unk	____/____/____ ____		
Surgery Specify _____	<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Unk	____/____/____ ____		
Other Specify _____	<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Unk	____/____/____ ____		
Other Specify _____	<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Unk	____/____/____ ____		
Other Specify _____	<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Unk	____/____/____ ____		

Patient CDCID: \_\_\_\_\_

23. Did the patient require vasopressors?  Yes  No  Unk If yes, specify which ones and all start and stop dates:

List all vasopressors that were started at any point during the hospitalization. Each row is an event. If a vasopressor was stopped and then restarted on a different date, the restart should be documented as a separate entry.

Examples: Dopamine, Dobutamine, Epinephrine, Norepinephrine, Neosynephrine, Vasopressin, Other (specify)

Vasopressor	Start date	Stop date
	___/___/___	___/___/___
	___/___/___	___/___/___
	___/___/___	___/___/___
	___/___/___	___/___/___
	___/___/___	___/___/___
	___/___/___	___/___/___

24. Using the medical administration record for inpatient hospitalization, specify all antibiotics received during hospitalization. Complete one row for each antibiotic course. If four or more days between stop and start then assume new antibiotic course and start new row.

Antimicrobial	Route (IV, IM, PO, Topical, Inhaled)	Start date	Stop date
	<input type="checkbox"/> IV <input type="checkbox"/> IM <input type="checkbox"/> PO <input type="checkbox"/> Topical <input type="checkbox"/> Inhaled	___/___/___ <input type="checkbox"/> Unk	___/___/___ <input type="checkbox"/> Unk
	<input type="checkbox"/> IV <input type="checkbox"/> IM <input type="checkbox"/> PO <input type="checkbox"/> Topical <input type="checkbox"/> Inhaled	___/___/___ <input type="checkbox"/> Unk	___/___/___ <input type="checkbox"/> Unk
	<input type="checkbox"/> IV <input type="checkbox"/> IM <input type="checkbox"/> PO <input type="checkbox"/> Topical <input type="checkbox"/> Inhaled	___/___/___ <input type="checkbox"/> Unk	___/___/___ <input type="checkbox"/> Unk

- a. What method was used? :  ATI  Disc Diffusion/Kirby Bauer  Other (specify) \_\_\_\_\_  
b. How was organism reported? Genus \_\_\_\_\_ Species \_\_\_\_\_

Outcomes (at end of discharge from last short-stay acute care hospital):

34. Patient disposition:  Died  Discharged  Still inpatient at time of record review  Unknown  
 Other (specify): \_\_\_\_\_  
a. Date of discharge : \_\_\_\_/\_\_\_\_/\_\_\_\_  
b. Date of death if not discharged: \_\_\_\_/\_\_\_\_/\_\_\_\_  Unk  
c. Did patient die in the 30 days after discharge from the hospital (complete using information from state vital records)?  Yes  No  Unk  
a. If yes, specify

Date of death: \_\_\_\_/\_\_\_\_/\_\_\_\_  Unk

Cause(s) of death listed on death certificate in the order they are listed:

\_\_\_\_\_  
\_\_\_\_\_

35. If discharged specify location of discharge:

- Home  Long-term care facility  Long-term acute care hospital  Assisted living  Unk  
 Other, specify \_\_\_\_\_

36. Specify all discharge diagnoses in the order listed in the medical record:

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

37. Was patient readmitted to acute care hospital within 30 days from discharge from the hospital?

- Yes  No  Unk

- a. If yes, date of readmission \_\_\_\_\_  
b. If yes, indication for readmission \_\_\_\_\_

Patient CDCID: \_\_\_\_\_

**SECTION B**

Complete Section B using all available records from the 30 days prior to the collection date of the first culture positive specimen to complete the following section.

Did the patient receive any of the following medications in the 30 days prior to collection of the first positive specimen?

38. H2 blocker:  Yes  No  Unk

If yes, were H2 blockers listed as outpatient medication in the HPI from the time of first positive culture collection?  Yes  No  Unk

39. Proton pump inhibitor:  Yes  No  Unk

If yes, was the PPI listed as outpatient medication in the HPI from the time of first positive culture collection?  Yes  No  Unk

40. Were antibiotics administered during the 30 days prior to collection of positive culture, based on provider notes  Yes  No  Unk

Do not include those already documented in item 24 above.

If yes, specify:

Antimicrobial	Route	Start date	Stop date
<input type="checkbox"/> Amikacin	<input type="checkbox"/> IV <input type="checkbox"/> IM <input type="checkbox"/> PO <input type="checkbox"/> Topical <input type="checkbox"/> Inhaled	____/____/____ <input type="checkbox"/> Unk	____/____/____ <input type="checkbox"/> Unk

## Appendix 2: Medical Abstraction Form

Line list patient ID (CDCID) \_\_\_\_\_ Wisconsin State Laboratory of Hygiene ID \_\_\_\_\_ Abstractor Initials \_\_\_\_\_

This form is intended to be used for abstraction of medical records for patients in Wisconsin with:

- Isolates of *Elizabethkingia* spp cultured from sterile sites,  
AND
- collected on or after November 1, 2015

Patient NAME: \_\_\_\_\_

Patient DOB: \_\_\_/\_\_\_/\_\_\_ (MM/DD/YYYY)

MRN: \_\_\_\_\_

---

**Abstraction Information**

Date medical record abstraction completed: \_\_\_/\_\_\_/\_\_\_ (MM/DD/YYYY)

Abstractor: Name: \_\_\_\_\_

Affiliation (state health dept. or CDC): \_\_\_\_\_

Date \_\_\_\_\_

**Line list patient ID (CDCID)** \_\_\_\_\_ **Wisconsin State Laboratory of Hygiene ID** \_\_\_\_\_ **Abstractor Initials** \_\_\_\_\_

**SECTION 1: Case Background Information. Complete this section using the Case Report Form**

1. Date positive culture collected: \_\_\_/\_\_\_/\_\_\_\_ (MM/DD/YYYY) Time positive culture collected (24 hour): HH:MM
2. First date of 30-day exposure period (date of culture collection – 30 days): \_\_\_/\_\_\_/\_\_\_\_ (MM/DD/YYYY)
3. First date of 7-day exposure period (date of culture collection – 7 days): \_\_\_/\_\_\_/\_\_\_\_ (MM/DD/YYYY)
4. Name of facility where first positive culture was collected: \_\_\_\_\_

<b>LOCATION OF CULTURE COLLECTION:</b>	
<input type="checkbox"/> Inpatient	<input type="checkbox"/> LTCF/SNF
<input type="checkbox"/> Emergency Room	<input type="checkbox"/> LTACH
<input type="checkbox"/> Observational unit/Clinical Decision Unit	<input type="checkbox"/> Dialysis clinic
<input type="checkbox"/> Outpatient	<input type="checkbox"/> Unknown
<input type="checkbox"/> Assisted Living	

5. Was this collected more than 3 calendar days after admission:  Yes  No
6. Where was patient **residing** at time of culture collection:

<input type="checkbox"/> Private residence	<input type="checkbox"/> LTCF/SNF
<input type="checkbox"/> Acute care hospital inpatient	<input type="checkbox"/> LTACH
<input type="checkbox"/> Homeless	<input type="checkbox"/> Other
<input type="checkbox"/> Assisted living	<input type="checkbox"/> Unknown

7. Was the patient hospitalized for *Elizabethkingia* infection?  Yes  No
8. **If yes to 5:** Admission date: \_\_\_/\_\_\_/\_\_\_\_ (MM/DD/YYYY) Admission time(24 hour): \_\_\_\_\_HH:MM
9. If culture was not collected in a hospital facility, what was the reason for culture? \_\_\_\_\_

10. Please list all known medical encounters in **30 days prior**. Medical records should be requested from each of the listed facilities.

HC Encounter #	Date of Health Care Encounter	Encounter location	Type of encounter	Record or interview included, Yes or No
1		<input type="checkbox"/> outpatient clinic <input type="checkbox"/> home health <input type="checkbox"/> EMS <input type="checkbox"/> emergency room (no admy to ACH) <input type="checkbox"/> ACH (admission ) <input type="checkbox"/> Assisted living <input type="checkbox"/> LTCF <input type="checkbox"/> LTACH <input type="checkbox"/> Dialysis <input type="checkbox"/> Dental <input type="checkbox"/> Other If admitted: Dates <u>  </u> / <u>  </u> / <u>  </u> - <u>  </u> / <u>  </u> / <u>  </u>		
2		<input type="checkbox"/> outpatient clinic <input type="checkbox"/> home health <input type="checkbox"/> EMS <input type="checkbox"/> emergency room (no admy to ACH) <input type="checkbox"/> ACH (admission ) <input type="checkbox"/> Assisted living <input type="checkbox"/> LTCF <input type="checkbox"/> LTACH <input type="checkbox"/> Dialysis <input type="checkbox"/> Dental <input type="checkbox"/> Other If admitted: Dates <u>  </u> / <u>  </u> / <u>  </u> - <u>  </u> / <u>  </u> / <u>  </u>		
3		<input type="checkbox"/> outpatient clinic <input type="checkbox"/> home health <input type="checkbox"/> EMS <input type="checkbox"/> emergency room (no admy to ACH) <input type="checkbox"/> ACH (admission ) <input type="checkbox"/> Assisted living <input type="checkbox"/> LTCF <input type="checkbox"/> LTACH <input type="checkbox"/> Dialysis <input type="checkbox"/> Dental <input type="checkbox"/> Other If admitted: Dates <u>  </u> / <u>  </u> / <u>  </u> - <u>  </u> / <u>  </u> / <u>  </u>		
4		<input type="checkbox"/> outpatient clinic <input type="checkbox"/> home health <input type="checkbox"/> EMS <input type="checkbox"/> emergency room (no admy to ACH) <input type="checkbox"/> ACH (admission ) <input type="checkbox"/> Assisted living <input type="checkbox"/> LTCF <input type="checkbox"/> LTACH <input type="checkbox"/> Dialysis <input type="checkbox"/> Dental <input type="checkbox"/> Other If admitted: Dates <u>  </u> / <u>  </u> / <u>  </u> - <u>  </u> / <u>  </u> / <u>  </u>		
5		<input type="checkbox"/> outpatient clinic <input type="checkbox"/> home health <input type="checkbox"/> EMS <input type="checkbox"/> emergency room (no admy to ACH) <input type="checkbox"/> ACH (admission ) <input type="checkbox"/> Assisted living <input type="checkbox"/> LTCF <input type="checkbox"/> LTACH <input type="checkbox"/> Dialysis <input type="checkbox"/> Dental <input type="checkbox"/> Other If admitted: Dates <u>  </u> / <u>  </u> / <u>  </u> - <u>  </u> / <u>  </u> / <u>  </u>		

**SECTION 2: Overall Medical History. Complete this section using all available medical records**

**Medical History**

11. **Females only:** Were you pregnant or ≤6 weeks postpartum at the time of first positive EK culture?

Yes, pregnant (weeks pregnant at onset) \_\_\_\_\_  Yes, postpartum (delivery date) \_\_\_/\_\_\_/\_\_\_  No  Unk

12. Height (use record closest to EK positive culture) \_\_\_\_\_ft \_\_\_\_\_in \_\_\_\_\_cm

13. Weight (use record closest to EK positive culture) \_\_\_\_\_lb \_\_\_\_\_kg

14. BMI \_\_\_\_\_

15. Did the patient have any of the following medical conditions? **Specify ALL conditions that are present.**

<input type="checkbox"/> Coronary artery disease	<input type="checkbox"/> Connective Tissue Disease
<input type="checkbox"/> Atrial Fibrillation	<input type="checkbox"/> Malignant Lymphoma
<input type="checkbox"/> Congestive Heart Failure	<input type="checkbox"/> Solid Tumor
<input type="checkbox"/> Peripheral Vascular Disease	<input type="checkbox"/> Mild Liver Disease
<input type="checkbox"/> Cerebrovascular Disease	<input type="checkbox"/> HIV without AIDS
<input type="checkbox"/> Dementia	<input type="checkbox"/> AIDS
<input type="checkbox"/> Chronic Obstructive Pulmonary Disease (COPD)	<input type="checkbox"/> History of decubitus ulcers
<input type="checkbox"/> Pulmonary Hypertension	<input type="checkbox"/> Cellulitis
<input type="checkbox"/> Peptic Ulcer Disease	<input type="checkbox"/> Pancreatitis
<input type="checkbox"/> Diabetes Mellitus without complications	<input type="checkbox"/> Current alcohol dependence
<input type="checkbox"/> moderate or severe renal disease	<input type="checkbox"/> Inflammatory bowel disease(Ulcerative Colitis/Crohns)
<input type="checkbox"/> Hemiplegia	<input type="checkbox"/> Smoking (previous year)
<input type="checkbox"/> Hematologic Malignancy	<input type="checkbox"/> Solid organ transplant
<input type="checkbox"/> Moderate or severe liver disease	<input type="checkbox"/> Asthma
<input type="checkbox"/> Diabetes mellitus with end organ damage	Other _____

**Dialysis**

16. Did the patient get dialysis in the **30 days** prior to positive EKM culture?  Yes  No  Unknown

a. What type of dialysis was performed?  Hemodialysis  Peritoneal  Unknown

b. Does the patient have permanent vascular access?  Yes  No  Unknown

c. What type of vascular access was used?  AV fistula/graft  CVC  Unknown

d. Did the patient get this type of dialysis in the **7 days** prior to positive EKM culture?  Yes  No  Unk

i. Date of most recent dialysis \_\_\_\_\_

ii. Location  Dialysis Center (Name \_\_\_\_\_)

Emergency Department (Name \_\_\_\_\_)

Home \*note: peritoneal dialysis is usually done at home

Other: \_\_\_\_\_

17. Did the patient have CRRT in the **30 days** prior to positive EK culture?  Yes  NO

e. Date \_\_\_\_\_

f. Name of facility: \_\_\_\_\_

Line list patient ID (CDCID) \_\_\_\_\_ Wisconsin State Laboratory of Hygiene ID \_\_\_\_\_ Abstractor Initials \_\_\_\_\_

21. Did patient have any indwelling devices present in the 30 days prior  Yes  No

Device	Present at EK Cx?	Details	Placed in last 30 days?
Cardiac Pacemaker/ICD	<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Unk		<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Unk
Cardiac Defibrillator	<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Unk		<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Unk
Prosthetic Cardiac Valve	<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Unk		<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Unk
Vascular Stent	<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Unk	<input type="checkbox"/> cardiac <input type="checkbox"/> peripheral <input type="checkbox"/> other _____	<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Unk
Vascular grafts	<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Unk	<input type="checkbox"/> cardiac <input type="checkbox"/> aortic <input type="checkbox"/> other _____	<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Unk
Indwelling vascular catheter	<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Unk	<input type="checkbox"/> Port <input type="checkbox"/> Picc <input type="checkbox"/> HD permcath <input type="checkbox"/> other _____	<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Unk
Urinary Catheter	<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Unk		<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Unk
Prosthetic joint	<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Unk	Location: _____	<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Unk
Orthopedic implants (plates/screws)	<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Unk		<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Unk
Other Implant1	<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Unk		<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Unk
Other Implant2	<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Unk		<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Unk

22. Has patient used any immunosuppressant medications in the last 30 days:  Yes  No

Immunosuppressant	In 30 days prior to Cx?	Medication name	Date of most recent administration
Corticosteroid (e.g. Predisone >20mg daily)	<input type="checkbox"/> Yes <input type="checkbox"/> No		
Biologics	<input type="checkbox"/> Yes <input type="checkbox"/> No		
Chemotherapy	<input type="checkbox"/> Yes <input type="checkbox"/> No		
Radiation	<input type="checkbox"/> Yes <input type="checkbox"/> No		
Other1	<input type="checkbox"/> Yes <input type="checkbox"/> No		
Other2	<input type="checkbox"/> Yes <input type="checkbox"/> No		

\*examples of common biologics include Humira (adalimumab), Remicade (infliximab), Rituxan (rituximab), Enbrel (etanercept), or other medications ending in -mab or -cept

23. Culture Data: Complete for all cultures collected 7 days prior to positive EK culture (EXCEPT EK POSTIVE CULTURES)

Culture No.	Specimen	Collect date (mm/dd/yy) Time (HH:MM)	Pathogens identified

**Section III: Visit with the positive culture.**

Location of visit:  acute care hospital  LTACH  Dialysis Center  Outpatient Clinic  Assisted living  
 Skilled Nursing Facility  Urgent Care  Other \_\_\_\_\_

Date of symptom onset (for positive culture): \_\_\_\_\_

25. Chief Complaint (i.e. what were the patient's symptoms) at time of positive culture:

		Approximate Start Date (MM/DD/YYYY)
Abdominal Pain	<input type="checkbox"/>	
Altered Mental Status	<input type="checkbox"/>	
Chest Pain	<input type="checkbox"/>	
Cough	<input type="checkbox"/>	
Diarrhea	<input type="checkbox"/>	
Dysuria	<input type="checkbox"/>	
Facial Droop	<input type="checkbox"/>	
Fever	<input type="checkbox"/>	
Hyperglycemia	<input type="checkbox"/>	
Rash/Redness	<input type="checkbox"/>	
Tachypnea/Dyspnea/Shortness of Breath	<input type="checkbox"/>	
Swelling	<input type="checkbox"/>	
Vomiting/Nausea	<input type="checkbox"/>	
Weakness	<input type="checkbox"/>	
None, Asymptomatic	<input type="checkbox"/>	
Other1 _____	<input type="checkbox"/>	
Other2 _____	<input type="checkbox"/>	

- a. If patient asymptomatic did the patient develop signs of infection later?  Yes  No  Unk  
 i. If yes, what were the symptom(s) \_\_\_\_\_?  
 ii. What day did symptoms develop? \_\_\_\_\_ (MM/DD/YYYY)

26. Patient Labs & Vitals within 2 hours of culture collection

	Value	Date: _____ MMDDYY	Time: ____: ____
Temperature			
Heart Rate			
Blood Pressure			
Respiratory Rate			
Pulse Ox			
Lactate			
WBC			

27. Diagnosis for the visit when the positive culture was collected:

<input type="checkbox"/> Acute Respiratory Failure	<input type="checkbox"/> Pleural Effusion
<input type="checkbox"/> Atrial Fibrillation	<input type="checkbox"/> Pneumothorax
<input type="checkbox"/> Bacteremia	<input type="checkbox"/> Renal Failure
<input type="checkbox"/> Cellulitis	<input type="checkbox"/> Sepsis
<input type="checkbox"/> DKA	<input type="checkbox"/> Stroke
<input type="checkbox"/> Heart Failure	<input type="checkbox"/> UTI
<input type="checkbox"/> Hyperglycemia	<input type="checkbox"/> Other1: _____
<input type="checkbox"/> Myocardial Infarction	<input type="checkbox"/> Other2: _____

28. Was Patient Admitted in response to the positive culture?  Yes  No

29. Did the patient have evidence of soft tissue infection at time of positive culture: Yes or No

- a. If yes, describe: \_\_\_\_\_

Line list patient ID (CDCID) \_\_\_\_\_ Wisconsin State Laboratory of Hygiene ID \_\_\_\_\_ Abstractor Initials \_\_\_\_\_

30. Did the patient have diagnosed pulmonary infection at time of positive culture? Yes or No

a. If yes, describe: \_\_\_\_\_

31. Did the patient have any other infections at time of positive culture? Yes or No?

a. If yes, describe: \_\_\_\_\_

32. What was patient's disposition from hospitalization in which EK positive culture was collected?

33.  Death  Home  Inpatient rehab  LTCF/SNF  Hospice  Other: \_\_\_\_\_

34. If the patient Died : Date of death \_\_\_/\_\_\_/\_\_\_ (MM/DD/YYYY)

35. Location of death:  home  Inpatient rehab  LTCF/SNF  hospice  Other: \_\_\_\_\_

36. Diagnosis at time of death? \_\_\_\_\_

Line list patient ID (CDCID) \_\_\_\_\_ Wisconsin State Laboratory of Hygiene ID \_\_\_\_\_ Abstractor Initials \_\_\_\_\_  
 Section IV: Complete one Healthcare Facility form for EACH healthcare facility the patient visited in the 30 days prior to positive EK culture

Name of Facility/Clinic \_\_\_\_\_  
 Facility type:  acute care Hospital  University Hospital  Dialysis Center  Outpatient Clinic  Dental Office  
 Skilled Nursing Facility  Urgent Care  Other \_\_\_\_\_  
 Date(s) of visit to healthcare facility: \_\_\_\_/\_\_\_\_/\_\_\_\_ (MM/DD/YYYY)  
 Inpatient or outpatient: \_\_\_\_\_  
 If inpatient, date of admission: \_\_\_\_/\_\_\_\_/\_\_\_\_ (MM/DD/YYYY)  
 If inpatient, date of discharge: \_\_\_\_/\_\_\_\_/\_\_\_\_ (MM/DD/YYYY)  
 Reason for visit or chief complaint: \_\_\_\_\_

Percutaneous Exposures		Date (MM/DD/YYYY)	Notes	Specify products used
1. IV infusion	<input type="checkbox"/> Yes <input type="checkbox"/> No			<u>Infusate:</u>  <u>Antiseptic:</u>
2. IM injection	<input type="checkbox"/> Yes <input type="checkbox"/> No			<u>Infusate:</u>  <u>Antiseptic:</u>
3. Thoracentesis	<input type="checkbox"/> Yes <input type="checkbox"/> No			<u>Specify antiseptic</u>
4. Paracentesis	<input type="checkbox"/> Yes <input type="checkbox"/> No			<u>Specify antiseptic</u>
5. Peripheral IV insertion	<input type="checkbox"/> Yes <input type="checkbox"/> No			<u>Specify antiseptic</u>
6. Central line placement. 7. Type 1:	<input type="checkbox"/> Yes <input type="checkbox"/> No			<u>Specify antiseptic</u>
8. Central line placement. 9. Type 2:	<input type="checkbox"/> Yes <input type="checkbox"/> No			
10. Interventional Radiology	<input type="checkbox"/> Yes <input type="checkbox"/> No			<u>Infusate:</u>  <u>Antiseptic:</u>
11. Radiology with contrast	<input type="checkbox"/> Yes <input type="checkbox"/> No			<u>Infusate:</u>  <u>Antiseptic:</u>
12. Labs Drawn	<input type="checkbox"/> Yes <input type="checkbox"/> No		Specify:	Specify antiseptic
13. Bedside tests (e.g. Blood glucose, lactate)	<input type="checkbox"/> Yes <input type="checkbox"/> No		Specify:	Specify antiseptic
14. Other 1(specify)_____	<input type="checkbox"/> Yes <input type="checkbox"/> No			
15. Other 2 (specify)_____	<input type="checkbox"/> Yes <input type="checkbox"/> No			
16. Other 3 (specify)_____	<input type="checkbox"/> Yes <input type="checkbox"/> No			

Respiratory Exposures				
17. Oxygen Administered (e.g face mask, nasal cannula)	<input type="checkbox"/> Yes <input type="checkbox"/> No			
18. Intubation	<input type="checkbox"/> Yes <input type="checkbox"/> No			
19. Nebulizer	<input type="checkbox"/> Yes <input type="checkbox"/> No			<u>Specify agent</u>
20. Metered Dose Inhaler (MDI)	<input type="checkbox"/> Yes <input type="checkbox"/> No			<u>Specify agent</u>
21. Other(specify)_____	<input type="checkbox"/> Yes <input type="checkbox"/> No			
Topical Exposures				
22. Podiatry care	<input type="checkbox"/> Yes <input type="checkbox"/> No			<u>Specify any topical treatments</u>
23. Whirlpool therapy	<input type="checkbox"/> Yes <input type="checkbox"/> No			
24. Any topical treatments	<input type="checkbox"/> Yes <input type="checkbox"/> No			
Other exposures:				
25. Endoscopy	<input type="checkbox"/> Yes <input type="checkbox"/> No		<u>Specify:</u>	
26. Other exposure 1	<input type="checkbox"/> Yes <input type="checkbox"/> No			

## **2016 Urgent Assessment of Blood Collection and Use in Puerto Rico in Response to the Zika Virus Outbreak**

Public reporting burden of this collection of information is estimated to average 60 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Officer; 1600 Clifton Road NE, MS D-74 Atlanta, Georgia 30333; ATTN: PRA (0920-1011)

**¡Hola!**

**Please fill out the following sections that pertain to your institution as completely as possible. The arrows will help you progress through the survey. In general, Section 2 corresponds to Blood Collections and Section 3 corresponds to Blood Transfusions.**

**Please complete and return to the below email by February 19, 2016**

Amber Vasquez, MD, MPH

Zika Blood Safety Team

email: [amber.vasquez@salud.pr.gov](mailto:amber.vasquez@salud.pr.gov)

cell: 937-269-3169

**Please do not hesitate to call or email with questions.**

Email	

Facility included in the survey	
Facility name	
Address	

## General Information

Which of the following best describes your institution?	Select one (with "X")
A local or regional blood center (non-hospital) that collects blood from donors and supplies blood and components to other institutions, but does not perform transfusion services	
A hospital-based blood bank and transfusion service that collects blood from donors (may be only autologous or directed) and provides blood and components for transfusion primarily to your own institution	
A transfusion service that provides blood and components for transfusion, but does not collect blood from donors	
A local or regional blood center that collects blood from donors and supplies blood, components, and cross matched blood products to participating facilities (e.g., centralized transfusion services). In this category, the service is not limited to reference laboratory work, but includes routine transfusion service work	

	Yes/No
Does your institution collect blood from donors? (Even if you collect autologous units only, enter "Yes.")	

**Section 2 Blood collections**

From Jan 1, 2015 through Dec 31, 2015, how many collections were successfully completed by your institution in each of the following categories? (*indicates required fields)	Number of Collection Procedures*	Number of Units
<b>Whole Blood</b>		
Allogeneic (non-directed donations)*		
Autologous*		
Directed*		
Total*		
<b>Red Blood Cells</b>		
Apheresis		
Allogeneic*		
Autologous*		
Directed*		
Concurrent red cells (from apheresis platelets)		
Total Apheresis Red Blood Cells*		
Whole-blood-derived		
Allogeneic*		
Autologous*		
Directed*		
Total WBD Red Blood Cells*		
<b>Platelets</b>		
Apheresis		
Single-donor		
Directed single-donor		
Single collection		
Double collection <sup>1</sup>		
Triple collection <sup>1</sup>		
Total Apheresis Platelets*		
Total apheresis platelet units subjected to pathogen reduction technology		
Whole-blood-derived		
Individual* <sup>2</sup>		
Total whole blood-derived individual units subjected to pathogen reduction technology		
<b>Plasma</b>		
Apheresis		
FFP		
PF24		
PF24RT24		
Jumbo FFP (>400 mL)		
Total Apheresis Plasma*		
Total Apheresis plasma units subjected to pathogen reduction technology		
Whole-blood-derived		
FFP		
PF24		
Cryoprecipitate reduced		
Liquid		
Total WBD Plasma*		
Total WBD plasma units subjected to pathogen reduction technology		
<b>Cryoprecipitate</b>		
Individual* <sup>3</sup>		
<b>Total Granulocytes*</b>		

<sup>1</sup> Count double collections as two units and triple collections as three units

<sup>2</sup> Enter the number of individual platelet units prepared from whole blood collections

<sup>3</sup> Enter the number of individual cryoprecipitate units prepared from whole blood collections

## 2.3 Blood collections

2.3. From Jan 1, 2015 through Dec 31, 2015, from how many of the following types of donors did your institution successfully collect blood?	Number of Donors
First-time allogeneic donors	
Repeat allogeneic donors (Count multiple donations from a single repeat donor only once)	
Directed donors	
Autologous donors	
Total number of donors	

## 2.4 Blood collections

From Jan 1, 2015 through Dec 31, 2015, how many units of each product were imported, distributed, and outdated by your institution? (* indicate required fields)	Total Units Imported	Total Units Distributed (including imported units) <sup>1</sup>	Total Units Outdated
<b>Whole Blood for distribution as Whole Blood</b>			
Allogeneic (non-directed donations)			
Autologous			
Directed

Total WBD Plasma*			
<b>Cryoprecipitate</b>			
Individual*			
Pooled <sup>4</sup>			
<b>Total Granulocytes*</b>			

<sup>1</sup> Units returned and distributed more than once should be counted only once

<sup>2</sup> Count double collections as two units and triple collections as three units

<sup>3</sup> Total number of platelet pools prepared from whole blood collections

<sup>4</sup> Total number of cryoprecipitate pools prepared from whole blood collections

## 2.5-2.6 Blood collections

2.5 What was the average whole dollar amount your institution was reimbursed (by hospital or clinical facility) per unit in 2015 for the following components? (Include discounts in your calculations. If you do not use a particular component, select "Not Applicable". CPT/HCPCS codes are in in parenthesis.)	Average Amount Paid Per Unit (\$)
Plasma, single donor, frozen with 8 hours of phlebotomy (P9017)	
Plasma, frozen between 8 and 24 hours of phlebotomy (P9059)	
Red cells, leuko-reduced (P9016)	
Red cells, non-leuko-reduced (P9021)	
WBD platelets, each unit, not leuko-reduced, not irradiated (P9019)	
Apheresis platelets, leuko-reduced (P9035)	
Cryoprecipitate, each unit (P9012)	

2.6. If your facility does not use pathogen reduction technology for apheresis platelet or plasma collections...	Cost
What is the estimated total cost of implementation (this includes equipment, capital investment, training, etc)?	
What is the estimated additional cost per each unit type below if your facility adopted pathogen reduction technology?	

### Section 3 - Blood utilization

	Yes/No
Is your institution directly involved in the transfusion of blood to patients?	

### 3.3 Blood utilization

3.3. From Jan 1, 2015 through Dec 31, 2015, how many units of allogeneic whole blood and red blood cells did your institution transfuse? (Leave the field blank if you do not know the answer).	Total Number of Units Transfused	Total number of Recipients	Total outdated units
Allogeneic Whole Blood			
Allogeneic Red Blood Cells (include all blood groups)			
Allogeneic Group O Positive RBCs			
Allogeneic Group O Negative RBCs			
Allogeneic Group A Positive RBCs			
Allogeneic Group A Negative RBCs			
Allogeneic Group B Positive RBCs			
Allogeneic Group B Negative RBCs			
Allogeneic Group AB Positive RBCs			
Allogeneic Group AB Negative RBCs			

### 3.4 Blood utilization

3.4. Indicate the disposition of directed and autologous units in 2015	Total Number of Units Transfused to Intended Recipient	Total Number of Recipients	Outdated Units
Directed Whole Blood Units			
Directed RBC Units			
Autologous Whole Blood Units			
Autologous RBC Units			

### 3.5 Blood utilization

3.5. From Jan 1, 2015 through Dec 31, 2015, how many units of each of the following components did your institution transfuse and how many units were outdated while on your shelf (include units transfused to pediatric patients)? (* indicates required fields)	Total Number of Units Transfused	Total Number of Units Outdated
WBD Platelets (individual concentrates and pools expressed as individual concentrate equivalents)*		
Apheresis Platelet units – Full dose*		
Directed Platelets to intended recipients		
Total Plasma*		
Fresh Frozen Plasma (FFP)		
FFP, pediatric size (≤100 mL)		
Plasma, Frozen within 24 hours (PF24)		
PF24RT24		
Jumbo FFP (>400 mL)		
Liquid plasma		
Directed plasma to intended recipients		
Thawed plasma		
Plasma, cryoprecipitate reduced		
Group AB plasma		
Granulocytes*		
Platelets with pathogen reduction technology		
Plasma with pathogen reduction technology		

### 3.6 Blood utilization

3.6. Indicate the total number of units transfused to pediatric populations in 2015	Number of Adult Equivalent Units in Whole or in Part for Pediatric Patients <sup>1</sup>	Total Number of Pediatric Recipients
Whole Blood		
RBCs		
Plasma		
Platelets		

<sup>1</sup> This should be a subset of data reported in question 4 and 5 if your hospital transfuses non-pediatric patients.

### 3.7 Blood utilization

3.7. Indicate how many irradiated, leuko-reduced, and leuko-filtered units for each of the following components your institution transfused in 2015. For pediatrics, use the number of adult equivalent units used in whole or part. For components that are irradiated and leuko-reduced, include these in the count for both columns.	Components Irradiated	Components Leuko-reduced Before or After Storage (not at bedside)	Components Leuko-filtered at the Bedside
a. Whole Blood			
b. RBCs			
c. Apheresis platelets (single donor platelets)			
d. WBD platelets			
Total components (if the number for a-d is 'unknown', enter the total number of components for the modification)			

### 3.8-3.9 Blood utilization

	Yes/No
3.8. Does your institution have a policy to transfuse only leuko-reduced (LR) components?	

3.9a. In 2015, how many total units of RBCs transfused were...	Number of Units
1 – 35 day(s) old	
36 – 42 days old	

3.9b. In 2015, how many total units of WBD platelets transfused were...	Number of Units
1 – 3 day(s) old	
4 – 5 days old	

3.9c. In 2015, how many total units of Apheresis platelets transfused were...	Number of Units
1 – 3 day(s) old	
4 – 5 days old	

### 3.10-3.11 Blood utilization

	Number of platelet units
<b>3.10. In your institution, on average, how many individual platelet units were included in a pooled WBD platelet dose in 2015?</b>	

<b>3.11. Indicate the number of units that were transfused in inpatient or outpatient settings.</b>	Number of RBC Units	Number of Platelet Units	Total	Don't Know
All Surgery (including transplant)				
Inpatient Medicine (including hematology/oncology)				
Emergency Department				
Obstetrics/Gynecology				
Pregnant females				
Pediatrics				
Neonates				
Outpatient and non-acute inpatient settings <sup>1</sup>				

<sup>1</sup> E.g., outpatient dialysis, rehabilitation, long term care, etc.

### 3.12 Blood utilization

<b>3.12. What was the average whole dollar amount your institution paid per unit in 2015 for the following components? (Include discounts in your calculations. If you do not use a particular component, select “Not Applicable”. CPT/HCPCS codes are in in parenthesis.)</b>	<b>Average Amount Paid Per Unit (\$)</b>
Plasma, single donor, frozen with 8 hours of phlebotomy (P9017)	
Plasma, frozen between 8 and 24 hours of phlebotomy (P9059)	
Red cells, leuko-reduced (P9016)	
Red cells, non-leuko-reduced (P9021)	
WBD platelets, each unit, not leuko-reduced, not irradiated (P9019)	
Apheresis platelets, leuko-reduced (P9035)	
Cryoprecipitate, each unit (P9012)	

### 3.13 Blood utilization

	Yes/No
3.13a. Were any elective surgeries postponed due to blood inventory shortages in 2015?	

	Number of days
3.13b. How many days were elective surgeries postponed?	

	Number of surgeries
3.13c. How many elective surgeries were postponed in 2015?	

**3.16 - 3.17 Blood utilization**

16. In 2015, how many days was your institution's order incomplete for the following components?	Number of days
Whole Blood	
RBCs	
Plasma	
Apheresis platelets	
WBD platelets	

	Number of days
17. In 2015, how many days were you unable to meet other non-surgical blood requests (e.g., red cells, platelets)?	

### 3.18-3.20 Blood utilization

	Number of units
18. At your institution, how many units of Group O red cells are on your shelf on an average weekday?	

	Number of units
19. At what number of Group O positive and Group O negative RBC units in uncrossmatched inventory do you consider your inventory to be “critically low”?	

	Yes/No
20. Does your facility have an electronic system for tracking transfusion-related adverse events (e.g., unplanned, unexpected, and undesired occurrences)?	

### 3.21 Blood utilization

	Number of units
3.21a. How many total red blood cell units did you buy from a non-American Red Cross blood center in 2015?	

	Number of units
3.21b. How many total red blood cell units did you buy from an American Red Cross blood center in 2015?	

## **Survey Completed!**

Thank you for taking the time to complete this survey.

**Please return to the below email by February 19, 2016**

Amber Vasquez, MD, MPH

Zika Blood Safety Team

email: [amber.vasquez@salud.pr.gov](mailto:amber.vasquez@salud.pr.gov)

cell: 937-269-3169

**Please do not hesitate to call or email with questions.**

## **Survey Glossary**

**Autologous:** Self-directed donations.

**Centralized transfusion service:** A hospital or blood center that collects blood from donors and supplies blood, components, medical services and/or crossmatched blood products to multiple transfusing facilities.

**Collected:** Successful whole blood or apheresis collections placed into production (not QNS, or other removals).

**Deferrals:** The number of donors deferred for specific reasons:

- a) Donors deferred for low hemoglobin do not meet the current FDA blood hemoglobin level requirements for donation.
- b) Deferrals for other medical reasons may include the use of medications on the medication deferral list, growth hormone from human pituitary glands, insulin from cows (bovine, or beef, insulin), Hepatitis B Immune Globulin (HBIG), unlicensed vaccines, or presenting with physical conditions or symptoms that do not qualify a person to be a blood donor.
- c) High-risk behavior deferrals include deferrals intended to reduce the risk of transmission of infectious diseases including HIV and hepatitis viruses. Examples of questions intended to identify these risks are sexual contact (e.g., men who have sex with men (MSM)) and non-medical injection drug use questions.
- d) Travel deferrals are deferrals for travel to a specific region of the world.

**Directed:** Allogeneic donations intended for a specific patient.

**Donation:** The collection of a unit of blood or blood component from a volunteer donor.

**Dose/Dosage:** a quantity administered at one time, such as a specified volume of platelet concentrates.

**First-time allogeneic donor:** A donor who is donating for the first time at your center.

**Imported:** Units not collected by your institution, but obtained by your institution from another institution for distribution to a transfusion facility.

**Modify:** Procedures applied by a blood center, hospital blood bank, or transfusion service that may affect the quality or quantity of the final product (e.g., irradiation, leukofiltration, or production of aliquots of lesser volume).

**Outdated:** Units that expire on your shelf.

**Plasma:**

- a) **Plasma, frozen within 24 hours of phlebotomy (PF24):** plasma separated from the blood of an individual donor and placed at -18 C or colder within 24 hours of collection from the donor.
- b) **Fresh frozen plasma (FFP):** Plasma frozen within 8 hours of collection.
- c) **Plasma, Jumbo:** FFP having a volume greater than 400 mL.
- d) **Plasma frozen within 24 hours of phlebotomy and held at room temperature up to 24 hours after phlebotomy (PF24RT24):** Plasma held at room temperature for up to 24 hours after collection and then frozen at -18 C or colder.

**Recipient:** A unique individual patient receiving a transfusion one or more times in a calendar year.

**Distributed:** units that have fulfilled all processing requirements and have been made available for transfer to customers.

**Repeat allogeneic donor:** A donor who has previously donated a blood component.

**Severe Donor-Related Adverse Events:** adverse events occurring in donors attributed to the donation process that include, for example, major allergic reaction, arterial puncture, loss of consciousness of a minute or more, loss of consciousness with injury, nerve irritation, etc.

**Transfusion Related Adverse Reactions:** [An undesirable response or effect in a patient temporally associated with the administration of blood or blood components. For a list of adverse reaction types and case definitions, visit <http://www.cdc.gov/nhsn/PDFs/Biovigilance/BV-HV-protocol-current.pdf>.](http://www.cdc.gov/nhsn/PDFs/Biovigilance/BV-HV-protocol-current.pdf)

**Transfusion Service:** a facility that performs, or is responsible for the performance of, the storage, selection, and issuance of blood and blood components to intended recipients.

## Appendix 1. Invasive GAS in Long Term Care Facility 2016 Employee Survey

Form Approved; OMB No. 0920-1011

| m. If yes, do you change gloves between patients/patient rooms?  | 1 | 2 | 3 | 4 | 5 | N/A |
| n. If yes, do you perform hand hygiene before donning gloves?  | 1 | 2 | 3 | 4 | 5 | N/A |
| o. If yes, do you perform hand hygiene after removing gloves?  | 1 | 2 | 3 | 4 | 5 | N/A |
| p. Do you use person protective equipment (PPE) when bathing patients?   | 1 | 2 | 3 | 4 | 5 | N/A |
| q. If yes, please specify type of PPE: _____   |   |   |   |   |   |     |

**D. Your Health**

17. Do you have paid "Sick Leave"?       Yes       No
18. Did you receive prophylaxis for group A streptococcal infection?       Yes       No      When? \_\_\_\_ / \_\_\_\_ / \_\_\_\_

19. a. Since Thanksgiving, have you had a sore throat?       Yes       No      (*If no, skip to #20*)
- b. When? \_\_\_\_ / \_\_\_\_ / \_\_\_\_
- c. Was a throat swab for testing collected from you?       Yes       No      d. If yes, specify month: \_\_\_\_\_
- e. Was a rapid strep throat test done (you would have been given results immediately)?
- f. If yes, specify month: \_\_\_\_\_      g. If yes, was the result positive?       Yes       No
- h. Were you diagnosed with strep throat?       Yes       No      i. If yes, specify month: \_\_\_\_\_
- j. Did you miss work for this illness?       Yes       No      k. How many days did you miss? \_\_\_\_\_
- l. How many days were you ill? \_\_\_\_\_
- m. Did you receive antibiotics for this condition?       Yes       No      n. If yes, antibiotic name \_\_\_\_\_

20. a. Since Thanksgiving, did you have a rash, open wound, or skin infection?       Yes       No      (*If no, skip to #21*)
- b. When? \_\_\_\_ / \_\_\_\_ / \_\_\_\_      c. What was your diagnosis? \_\_\_\_\_
- d. Did you miss work for this illness?       Yes       No      How many days did you miss? \_\_\_\_\_
- f. How many days were you ill? \_\_\_\_\_
- g. Did you receive antibiotics for this condition?       Yes       No      If yes, antibiotic name \_\_\_\_\_

## Appendix 2. Investigation of GAS outbreak in an Long Term Care Facility, 2016 Resident Record Abstraction Form

Form Approved; OMB No. 0920-1011  
Exp. Date 03/31/2017

Person completing form \_\_\_\_\_

Date Completed: \_\_\_\_/\_\_\_\_/\_\_\_\_

Resident (check one):  Case  Control

If case, indicate disease classification:  invasive  noninvasive  colonized

If CONTROL, date of matched case's GAS culture: \_\_\_\_/\_\_\_\_/\_\_\_\_

Date 14 days prior to positive culture of case: \_\_\_\_/\_\_\_\_/\_\_\_\_

Why was the culture obtained?  Screening  Illness

### A. GAS TESTING RESULTS

1. Has the resident had any **cultures/tests** for GAS from July 17, 2015 to present?

Yes  No

#	Date obtained	Site cultured	Culture obtained for Screening	If nonsterile site, was culture associated with illness	Result
a.	____/____/____	<input type="checkbox"/> Blood <input type="checkbox"/> Skin/Wound: _____ <input type="checkbox"/> Other _____ <input type="checkbox"/> Throat <input type="checkbox"/> Central line/TPN <input type="checkbox"/> Catheter <input type="checkbox"/> Diabetic ulcer <input type="checkbox"/> Post-surgical wound <input type="checkbox"/> G-tube	<input type="checkbox"/> Yes  <input type="checkbox"/> No	<input type="checkbox"/> Yes  <input type="checkbox"/> No	<input type="checkbox"/> Positive  <input type="checkbox"/> Negative

**B. RESIDENT BACKGROUND**

2. Sex:     Male     Female                      3. Age: \_\_\_\_\_                      4. Date of birth: \_\_\_\_/\_\_\_\_/\_\_\_\_

5a. Room history within 14 days prior to GAS culture:

Room # (floor/wing)	Dates in room	Roommate Yes/No	Roommate (dates)
	____/____/____ to ____/____/____	<input type="checkbox"/> Yes <input type="checkbox"/> No	____/____/____ to ____/____/____
	____/____/____ to ____/____/____	<input type="checkbox"/> Yes <input type="checkbox"/> No	____/____/____ to ____/____/____
	____/____/____ to ____/____/____	<input type="checkbox"/> Yes <input type="checkbox"/> No	____/____/____ to ____/____/____

## Appendix 2. Investigation of GAS outbreak in an Long Term Care Facility, 2016 Resident Record Abstraction Form

(**Note:** immunosuppression includes: HIV/AIDS, chemo, radiation, immunosuppressive meds, including tacrolimus [Prograf], sirolimus [Rapamune], mycophenolate mofetil [Cellcept], high-dose or chronic steroids [prednisone, methylprednisone, hydrocortisone, dexamethasone] methotrexate.)

10a. Weight: \_\_\_\_\_ lbs or kg (*circle unit of measure*)                      10b. Height: \_\_\_\_\_

11. Did patient have any surgical wounds, pressure ulcers, or other wounds (defined as skin breakdown) at the time of admission to the facility?

Yes    If yes, how many \_\_\_\_\_                       No

If Yes, size of largest wound: \_\_\_\_\_ (e.g., largest width in inches or cm)

12. Did patient have any surgical wounds, pressure ulcers, or other wounds within 14 days prior to GAS culture?

Yes                       No

If yes, please specify site and number of wounds.

- Right/Left upper extremity \_\_\_\_\_                       Back \_\_\_\_\_                       Perineal \_\_\_\_\_
- Right/Left lower extremity \_\_\_\_\_                       Abdomen \_\_\_\_\_
- Right/Left Hand \_\_\_\_\_                       Sacrum \_\_\_\_\_
- Right/Left Foot \_\_\_\_\_                       Chest \_\_\_\_\_
- Other \_\_\_\_\_

13. Did the patient receive Wound Care Team consultation services within 14 days prior to GAS culture?

Yes                       No

Dates	Initial(s) of doctors or nurses	Team

14. Did the patient receive wound care WITHOUT Wound Care Team consultation within 14 days prior to GAS culture?

Yes                       No                       Unkown

15. Products used for wound care (surgical and nonsurgical) within 14 days prior to GAS culture (*check all*):

- Calcium Alginate     Dakins     Dry Gauze     Foam: type \_\_\_\_\_     Hibicleanse     Iodosorb
- Medihoney     Santyl     Saf-gel     Sterile Saline     Antimicrobial cleanser/cream
- Wound vac     None     Other: \_\_\_\_\_

**Appendix 2. Investigation of GAS outbreak in an Long Term Care Facility, 2016  
Resident Record Abstraction Form**

16a. Did resident have a wound vac at any time from July 17, 2015 – current?     Yes                       No

b. Date applied? \_\_\_/\_\_\_/\_\_\_\_\_                      Date removed? \_\_\_/\_\_\_/\_\_\_\_\_

Medela               Pico                       Pressure: \_\_\_\_\_

c. Date applied? \_\_\_/\_\_\_/\_\_\_\_\_                      Date removed? \_\_\_/\_\_\_/\_\_\_\_\_

Medela               Pico                       Pressure: \_\_\_\_\_

d. Date applied? \_\_\_/\_\_\_/\_\_\_\_\_                      Date removed? \_\_\_\_\_

Medela               Pico                       Pressure: \_\_\_\_\_

17. Has the patient had a surgical procedure within 14 days prior to GAS culture?

Yes                       No

Procedure	Date	Incision Site
	____/____/____	
	____/____/____	

18. Within 14 days of GAS culture, was the resident diagnosed with:

- a. Cellulitis                       Yes               No              Date of onset \_\_\_/\_\_\_/\_\_\_\_
- b. Wound infection               Yes               No              Date of onset \_\_\_/\_\_\_/\_\_\_\_
- c. Pharyngitis                       Yes               No              Date of onset \_\_\_/\_\_\_/\_\_\_\_
- d. Bacteremia                       Yes               No              Date of onset \_\_\_/\_\_\_/\_\_\_\_
- e. Pneumonia                       Yes               No              Date of onset \_\_\_/\_\_\_/\_\_\_\_
- f. Joint Infection                       Yes               No              Date of onset \_\_\_/\_\_\_/\_\_\_\_
- g. Necrotizing fasciitis               Yes               No              Date of onset \_\_\_/\_\_\_/\_\_\_\_
- h. Septic Shock                       Yes               No              Date of onset \_\_\_/\_\_\_/\_\_\_\_

19. Within 14 days of GAS culture, did the resident have any of the following signs or symptoms? (mark ALL that apply)

		Date of onset (dd/mm/yy)	
a.	<input type="checkbox"/> Fever ( $\geq 100.5^{\circ}\text{F}$ or $38^{\circ}\text{C}$ )	____/____/____	Max temp recorded:
b.	<input type="checkbox"/> Sore throat	____/____/____	
d.	<input type="checkbox"/> Purulent discharge from wound	____/____/____	Site:
e.	<input type="checkbox"/> Wound – warm on touch	____/____/____	Site:
f.	<input type="checkbox"/> Wound – redness	____/____/____	Site:

**Appendix 2. Investigation of GAS outbreak in an Long Term Care Facility, 2016  
Resident Record Abstraction Form**

g.	ÿ Edema at the site	____ / ____ / ____	Site:
h.	ÿ Increased pain at the site	____ / ____ / ____	Site:
i.	ÿ Joint – warm on touch	____ / ____ / ____	Site:
j.	ÿ Joint – redness	____ / ____ / ____	Site:

20. Was the resident hospitalized for GAS-related symptoms between July 17, 2015 to present?

ÿ Yes    ÿ No    ÿUnknown

a. Hospitalization date: \_\_\_\_/\_\_\_\_/\_\_\_\_

21. What medications was the resident taking within 14 days prior to GAS culture?

	Start Date	Finish Date	Indication
<b>Antibiotics</b>			
<b>Chemotherapeutics</b>			
<b>Steroids</b>			
<b>Immunosuppressives</b>			

**C. RESIDENT BASELINE STATUS**    *(Can get further information from nursing)*

22. Which equipment does the resident use within 14 days prior to GAS culture (*mark ALL that apply*):

- ÿ Tracheostomy            ÿ Nasal cannula            ÿ Oxygen mask            ÿ Chronic Foley
- ÿ G or J tube              ÿ Nasogastric tube        ÿ Colostomy/ileostomy    ÿ Temporary Foley
- ÿ Dialysis catheter      ÿ PICC line                  ÿ Other, specify: \_\_\_\_\_

23. Within 14 days prior to GAS culture was the resident ambulatory?

ÿ Yes    ÿ No

**Appendix 2. Investigation of GAS outbreak in an Long Term Care Facility, 2016**  
**Resident Record Abstraction Form**

24. Within 14 days prior to GAS culture, was the resident incontinent of: (mark ALL that apply)

Not Incontinent     Stool     Urine     Urinary catheter     Colostomy/Ileostomy     Unknown

25. Did the resident participate in the following within 14 days prior to GAS culture (mark ALL that apply):

- |    |   |                               |
|----|---|-------------------------------|

| b. | <input type="checkbox"/> Speech pathology | Times in 14 day period: _____ |
| c. | <input type="checkbox"/> Podiatry         | Times in 14 day period: _____ |
| d. | <input type="checkbox"/> Other: _____     | Times in 14 day period: _____ |

### Appendix 3. Invasive GAS in Long Term Care Facility 2016 Wound Care Survey

Form Approved: OMB No. 0920-1011  
Exp. Date 03/31/2017

<b>A. Employee Background</b>	<p>1. Name: _____ 2. Age: _____</p> <p>3. Sex: <input type="checkbox"/> Male <input type="checkbox"/> Female 4. Employed at Facility since: ____/____/____</p> <p>5. What is your level of professional training on the wound care team? <input type="checkbox"/> RN <input type="checkbox"/> MD <input type="checkbox"/> LPN <input type="checkbox"/> LVN <input type="checkbox"/> Other _____</p> <p>6. a. Have you received training in infection control practices? <input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Unknown</p> <p>b. If yes, when was your most recent training? <input type="checkbox"/> ≤ 1month <input type="checkbox"/> 2-6 months <input type="checkbox"/> 6-12months <input type="checkbox"/> &gt;1year</p>
<b>B. Wound care</b>	<p>7. How many new wound consults do you see per day? <input type="checkbox"/> 0-4 <input type="checkbox"/> 5-9 <input type="checkbox"/> 10 or more</p> <p>8. On average, how many patients with wounds do you see per day? <input type="checkbox"/> 0-10 <input type="checkbox"/> 10-20 <input type="checkbox"/> 20-30 <input type="checkbox"/> 30 or more</p> <p>9. a. When evaluating a new consult or reassessing an old patient, do you perform a full skin examination? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>b. If so, how do you report new wounds found on your exam? <input type="checkbox"/> Medical Chart <input type="checkbox"/> Report to Nurse <input type="checkbox"/> Report to Doctor <input type="checkbox"/> Other</p> <p>10. Is there a standardized risk assessment tool used to document skin breakdown/ pressure ulcer formation (e.g. Braden Scale) <input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Unknown</p> <p>11. How often do you reassess wounds and document wound healing? <input type="checkbox"/> Daily <input type="checkbox"/> 3-7 days <input type="checkbox"/> 8-14 days <input type="checkbox"/> Monthly <input type="checkbox"/> Quarterly <input type="checkbox"/> Other: _____</p> <p>12. What types of care do you perform on the wound care team? <input type="checkbox"/> Incision and Drainage <input type="checkbox"/> Undressing/Redressing <input type="checkbox"/> Cleaning wound <input type="checkbox"/> Wound vac care <input type="checkbox"/> Other: _____</p> <p>13. Have you ever discovered pieces of foam/cotton gauze present in the wound from previous dressing changes? <input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Unknown</p>

**Appendix 3. Invasive GAS in Long Term Care Facility 2016**  
**Wound Care Survey**

<b>C. Negative-pressure wound therapy</b>	14. Have you been specifically trained in the use of negative-pressure wound therapy? ÿ Yes ÿ No
15. If so, when was your most recent training? ÿ ≤ 1month ÿ 2-6 months ÿ 6-12months ÿ >1year	
16. How many residents require negative-pressure wound therapy/wound vac? _____	
17. What type of wound vac is used at your facility?_____	
18. Who is responsible for the original placement and replacement of the wound vac? ÿ Patient RN ÿ CNA ÿ MD ÿ Only wound care team ÿ Other	
19. Who is allowed to change the wound vac cartridges and settings? (select more than 1 if applicable)? ÿ Patient RN ÿ CNA ÿ MD ÿ Only wound care team ÿ Other	
20. How often is a patient with a wound vac reassessed? ÿ Daily ÿ 2-3xweek ÿ Weekly ÿ Monthly ÿ Other	
21. Are their patients per week are found to have full drainage cartridges or fluid backing up into the drainage tubing?	
22. If yes, how would this issue be reported? ÿ Medical Chart ÿ Report to Nurse ÿ Report to Doctor ÿ Other	
23. When replacing the wound vac on the same patient, are any of the following re-used? (select more than 1 if applies) ÿ foam/gauze ÿ adhesive dressing ÿ drainage tubing ÿ other	
24. If worsening wound is observed, is the wound vac replaced before a physician consult? ÿ Yes ÿ No ÿ Symptoms specific	
25. If symptoms specific please specify what symptoms would prompt you to replace the wound vac <i>before</i> a physician consult?	
26. What symptoms for a “worsening wound” prompts a physician consult? ÿ change in character of drained fluid ÿ increase in fluid drainage ÿ increasing erythema ÿ pain ÿ increase in size

24. Have you eaten wild meat in the past one year  Yes  No  Unk **(If NO/Unknown, skip to #26)**
25. If Yes, which species \_\_\_\_\_
26. Have you traveled outside your home or village/town in the past one year  Yes  No  Unkn **(If NO/Unkn, skip to #28)**
27. If yes, specify location and date: \_\_\_\_\_
28. Did you ever suffer from undiagnosed fever or illness in the past one year  Yes  No  Unkn **(If NO/Unkn, skip to #31)**
29. If Yes, when? Month \_\_\_\_\_ Year \_\_\_\_\_
30. If yes, did you seek medical attention:  Yes  No
31. Did someone you know in the last one year have unexplained fever or diagnosis? Yes  No  Unkn

32. Have you had *el nino* (have you had more rainfall than usual) rains in the last one year?  Yes  No  Unkn
33. Have you had flooding in this sub-county in past one year?  Yes  No  Unkn (If NO/Unkn, skip to #35)
34. If yes, which months do you get flooding \_\_\_\_\_
35. In the past year, have you seen more mosquitoes than usual in this village?  Yes  No  Unkn
36. In the past year, have you been bitten by more mosquitoes than usual?  Yes  No  Unkn
37. In the past year, have you been using a mosquito net?  Yes  No  Unkn (If NO/Unkn, skip to #39)
38. If no, why \_\_\_\_\_
39. In past year, have you sprayed animals against external parasites?  Yes  No  Unkn
40. Have you done indoor spraying against mosquitoes in the last one year?  Yes  No  Unkn
41. Have you been the forest/bush in the past one year  Yes  No  Unkn

**Knowledge & Attitude Questions**

42. Have you heard about Rift Valley Fever Disease?  Yes  No  Unkn (If NO/Unkn, skip to #44)
43. If yes, from whom:  Health worker  Radio  community leaders  others, specify \_\_\_\_\_
44. Do you know the signs and symptoms of RVF virus disease in humans?  Yes  No  Unkn (If NO/Unkn, skip to #46)
45. If yes, what are some signs and symptoms?  bleeding  fever  vomiting  diarrhea  others specify \_\_\_\_\_
46. Do you know the signs and symptoms of RVF virus disease in animals?  Yes  No  Unkn (If NO/Unkn, skip to #48)
47. If yes, what are some signs and symptoms in animals?  bleeding  fever  nasal discharge  diarrhea  abortion  reduced milk production  prostration  loss of appetite  others, specify \_\_\_\_\_
48. Do you know who to contact in case you see a suspect case of RVF disease?  Yes  No  Unkn
49. Do you believe RVF disease really exists?  Yes  No  Unkn (If YES, skip to #51)
50. If no, why \_\_\_\_\_
51. Have you heard of any survivor of RVF disease?  Yes  No  Unkn
52. Would you relate/interact with a survivor of RVF disease  Yes  No  Unkn
53. Would you welcome someone back into their community/neighborhood after a neighbor has recovered from RVF?  Yes  No  Unkn (If YES, skip to #55)
54. If no, why?  fear of contracting disease  fear of stigma from community  others specify \_\_\_\_\_
55. Do you know how RVF disease is transmitted?  Yes  No  Unkn (If NO, skip to #58)
56. If yes, how?  body contact sick person  through air  through needle pricks  contact with animals  contact with dead person  contact with body fluids of sick person  biting mosquitoes(insects)  others specify \_\_\_\_\_
57. If transmission through animals, which ones?  goats  Cattle  Sheep  Poultry  Dogs  monkeys  bats  antelopes  wild pigs  Others (specify) \_\_\_\_\_
58. How do you think you can protect yourself from acquiring RVF disease?  
 vaccination  avoiding contact with animals  traditional medicine  avoiding sick people  sleeping in a mosquito net  Unkn  Others (specify) \_\_\_\_\_
59. How do you think RVF disease can best be healed or treated?  
 Traditional medicine  Spiritual healing  Modern medicine  Herbal medicine  Unkn  Others (specify) \_\_\_\_\_
60. Do you think you are at risk of contracting RVF virus disease?  Yes  No  Unk
61. If yes/no, why \_\_\_\_\_

Thank you for your Time

End of Interview

**Section 3. Specimen Information**

Specimen identification number: \_\_\_\_\_

Specimen collection date: \_\_\_\_/\_\_\_\_/\_\_\_\_ (DD/MM/YYYY)

Laboratory testing date: \_\_\_\_/\_\_\_\_/\_\_\_\_ (DD/MM/YYYY)

Results/Titer level: IgM \_\_\_\_\_ IgG \_\_\_\_\_

### Livestock Assessment Form

**Section 1. Herd Demographics**

1) What is your relationship to the livestock?  Owner  Herdsman  Other(specify) \_\_\_\_\_

2) Did your animals have blood samples collected today?  Yes  No  Unkn  Other (specify) \_\_\_\_\_

3) Herd location at time of survey?  Central collection area  Grazing ground  Other, specify \_\_\_\_\_

4) Number of animals currently owned? **Cattle** \_\_\_\_\_ **Sheep** \_\_\_\_\_ **Goats** \_\_\_\_\_ **Pigs** \_\_\_\_\_  
**Poultry** \_\_\_\_\_ **Dogs** \_\_\_\_\_ **Cats** \_\_\_\_\_

5) What is the herd's typical grazing pattern?  Shared  Enclosed  Non-grazing  Other (specify) \_\_\_\_\_

6) In the past year, has the herd left the village?  Yes  No  Unknown  
If yes, why?  Nomadic grazing  Trade  Gift/dowry  Other (specify) \_\_\_\_\_  
If yes, to where? \_\_\_\_\_  
If yes, how many months ago?  <1 month  1-3 months  3-6 months  6-12 months

**Section 2. Herd Health Status**

7) In the past year, has your **cattle** had unusual:

- Abortions?  Yes  No If yes, how many? \_\_\_\_\_
- Stillbirths?  Yes  No If yes, how many? \_\_\_\_\_
- Deaths in adults?  Yes  No If yes, how many? \_\_\_\_\_
- Deaths in young?  Yes  No If yes, how many? \_\_\_\_\_
- Other health problems?  Yes  No If yes, what? \_\_\_\_\_

8) In the past year, has your **goats** had unusual:

- Abortions?  Yes  No If yes, how many? \_\_\_\_\_
- Stillbirths?  Yes  No If yes, how many? \_\_\_\_\_
- Deaths in adults?  Yes  No If yes, how many? \_\_\_\_\_
- Deaths in young?  Yes  No If yes, how many? \_\_\_\_\_
- Other health problems?  Yes  No If yes, what? \_\_\_\_\_

9) In the past year, has your **sheep** had unusual:

- Abortions?  Yes  No If yes, how many? \_\_\_\_\_
- Stillbirths?  Yes  No If yes, how many? \_\_\_\_\_
- Deaths in adults?  Yes  No If yes, how many? \_\_\_\_\_
- Death in young?  Yes  No If yes, how many? \_\_\_\_\_
- Other health problems?  Yes  No If yes, what? \_\_\_\_\_

\*Common RVF symptoms: decreased appetite, decreased milk production, nose/eye discharge, diarrhea, jaundice, prostration, lymph node swelling

**Section 3. Herd Treatment**

10) Have your **cattle** received:

- Vaccines?  Yes  No If yes, what vaccines? \_\_\_\_\_
- Insecticide treatment?  Yes  No If yes, how often? \_\_\_\_\_
- Other treatments?  Yes  No If yes, what treatment? \_\_\_\_\_

11) Have your **goats** received:

- Vaccines?  Yes  No If yes, what vaccines? \_\_\_\_\_
- Insecticide treatment?  Yes  No If yes, when? \_\_\_\_\_
- Other treatments?  Yes  No If yes, what treatment? \_\_\_\_\_

12) Have your **sheep** received:

- Vaccines?  Yes  No If yes, what vaccines? \_\_\_\_\_
- Insecticide treatment?  Yes  No If yes, when? \_\_\_\_\_
- Other treatments?  Yes  No If yes, what treatment? \_\_\_\_\_

Public reporting burden of this collection of information is estimated to average 20 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. ## Telephone Interview Form

### SECTION A: General exposure and demographics. Circle response.

1. Did you (your child) visit the Oak Leaf Dairy farm?

Yes No

(If YES) ► PROCEED TO QUESTION 2

(If NO) ► "Did anyone else in your household go to the farm? **If yes**, may we speak to them? Go to question 2. **If No**, "Thank you for your time and participation, I have no further questions."

2. Since your visit to the farm have you been ill (defined as diarrhea (3 or more loose stools per day), vomiting, or abdominal cramps)?

Yes No

(If NO) ► PROCEED TO QUESTION 3

(If YES) ► "Are there other members of your household that went to the farm and have not been ill as defined above?"

**If yes**, "May we ask to interview and proceed to question 3.

**If no**, "Thank you for your time someone else from the health department may call you back to ask additional questions about your illness."

3. Are there others in your household who visited the farm and have also not been ill?

Yes No

**If yes**, How many family members visited the farm and are not ill? \_\_\_\_\_

4. What is your (your child's) birthdate? \_\_\_\_/\_\_\_\_/\_\_\_\_ (mm/dd/yyyy)

5. What is your (your child's) gender?

Male Female Prefer not to answer

6. What is your (your child's) town of residence? \_\_\_\_\_

### SECTION B. Hand-to-mouth habits

*"Let's talk about hand-to-mouth habits"*

7. In general, do you (does your child) chew on or bite your (their) fingernails?

Yes No Don't Know

8. In general, do you (does your child), suck your (their) thumb or fingers?

Yes No Don't Know

**SECTION C. Prior Animal exposure**

*"Let's talk about prior animal exposures"*

9. Do you (does your child) live on a property where farm animals such as cattle, sheep, or goats are kept?  
Yes No Don't Know

**IF NO, SKIP TO SECTION D**

10. Which of these animals are kept on the property where you live (where your child lives)? Please answer yes or no.

Cattle	Yes	No
Sheep	Yes	No
Goats	Yes	No
Other	Yes	No

Specify other animals kept on property: \_\_\_\_\_

(If yes) How long have you owned: \_\_\_\_\_ (months)

**SECTION D: Oak Leaf Dairy farm visit to tour.**

*"Let's talk about your / your child's visit to the Oak Leaf Dairy farm."*

11. Did you (your child) visit the farm more than once? Yes No
12. On what date did you (your child) visit the farm? \_\_\_\_/\_\_\_\_/\_\_\_\_ (mm/dd/yyyy)
13. Approximately how much time did you (your child) spend at the farm?  
Less than 1 hour Between 1 and 2 hours Between 2 and 3 hours More than 3 hours
14. **(skip if only one visit)** On what date did you (your child) visit the farm? \_\_\_\_/\_\_\_\_/\_\_\_\_ (mm/dd/yyyy)
15. **(skip if only one visit)** Approximately how much time did you (your child) spend at the farm?  
Less than 1 hour Between 1 and 2 hours Between 2 and 3 hours More than 3 hours
16. **(skip if only one visit)** On what date did you (your child) visit the farm? \_\_\_\_/\_\_\_\_/\_\_\_\_ (mm/dd/yyyy)
17. **(skip if only one visit)** Approximately how much time did you (your child) spend at the farm?  
Less than 1 hour Between 1 and 2 hours Between 2 and 3 hours More than 3 hours
18. Did you (your child) attend the Goat Keeping 101 class before Open House on March 12<sup>th</sup>?  
Yes No Don't Know

***“Now, let’s talk about areas on the farm. In this first section we will discuss is the baby goat barn.”***

19. Did you (your child) enter the baby goat barn? Yes No Don’t Know  
**IF NO SKIP TO QUESTION 34**
20. Did you (your child) use hand sanitizer BEFORE visiting the baby goat barn?  
Yes No Don’t Know
21. Did you (your child) sit on the ground in the baby goat barn? Yes No Don’t Know
22. Did you (your child) touch/pet the **adult** goats in the baby goat barn? Yes No Don’t Know
23. Did you (your child) feed the **adult** goats in the baby goat barn? Yes No Don’t Know
24. Did you (your child) enter a pen with the baby goats? Yes No Don’t Know  
**(If yes)** Did you (your child) sit on the ground in the pen? Yes No Don’t Know  
**(If yes)** Did you (your child) sit on a hay bale in the pen? Yes No Don’t Know
25. Did you (your child) touch/pet the baby goats? Yes No Don’t Know
26. Did you (your child) hold/snuggle the baby goats? Yes No Don’t Know
27. Did you (your child) kiss the baby goats? Yes No Don’t Know
28. Did the baby goats lick you (your child)? Yes No Don’t Know
29. Did you (your child) feed the baby goats? Yes No Don’t Know
30. Did you (your child) touch a railing while at the baby goat barn? Yes No Don’t Know
31. Did you (your child) use your cell phone in the baby goat barn? Yes No N/A  
**If Yes:**  
Did you (your child) talk on your phone? Yes No Don’t Know  
Did you (your child) text on your phone? Yes No Don’t Know  
Did you (your child) take pictures with your phone? Yes No Don’t Know  
**(If yes)** Did you (your child) take pictures with goats? Yes No Don’t Know  
Did you (your child) place your phone down (on hay bales/on railings/on floor)?  
Yes No Don’t Know
32. Did you (your child) use hand sanitizer AFTER visiting the baby goat barn? Yes  
No Don’t Know
33. Did you (your child) use baby wipes to clean your (their) hands AFTER visiting the baby goat  
barn? Yes No Don’t Know

***“Now, let’s talk about the adult goat barn.”***

34. Did you (your child) visit the adult goat barn? Yes No Don’t Know

**IF NO, SKIP TO QUESTION 43**

35. Did you (your child) use hand sanitizer BEFORE visiting the adult goat barn?

Yes No Don’t Know

36. Did you (your child) touch/pet the adult goats at the adult goat barn? Yes No Don’t Know

37. Did you (your child) feed the adult goats at the adult goat barn? Yes No Don’t Know

38. Did you (your child) touch a railing while at the adult goat barn? Yes No Don’t Know

39. Did you (your child) sit on a hay bale while at the adult goat barn? Yes No Don’t Know

40. Did you (your child) use your cell phone while at the adult goat barn? Yes No N/A

**If yes:**

Did you (your child) talk on your phone? Yes No Don’t Know

Did you (your child) text on your phone? Yes No Don’t Know

Did you (your child) take pictures with your phone? Yes No Don’t Know

**If yes, Did you (your child) take pictures with goats?**

Did you (your child) place your phone down (on hay bales/on railings/on floor)?

Yes No Don’t Know

41. Did you (your child) use hand sanitizer AFTER visiting the adult goat barn?

Yes No Don’t Know

42. Did you (your child) use baby wipes to clean your (their) hands AFTER visiting the adult goat barn? Yes No Don’t Know

***“Now, let’s talk about other things you may have done at the farm.”***

43. Did your child have a pacifier at the farm?

Yes No N/A

**If yes, did your child take it into the baby goat barn?** Yes No Don’t Know

**If yes, did your child take it near the adult goat barn?** Yes No Don’t Know

44. Did your child have a sippy cup at the farm?

Yes No N/A

**If yes, did your child take it into the baby goat barn?** Yes No Don’t Know

**If yes, did your child take it near the adult goat barn?** Yes No Don’t Know

45. Did you (your child) chew gum while at the farm? Yes No Don’t Know

46. Did you (your child) eat candy while at the farm? Yes No Don’t Know

47. Did you bring a stroller on the farm? Yes No N/A

**If yes, did you bring it in the baby goat barn?** Yes No Don’t Know

**If yes, did you bring it near the adult goat barn?** Yes No Don’t Know

***“Now, let’s talk about other animal contact you may have had at the farm.”***

48. Did you (your child) use hand sanitizer BEFORE touching any animals besides goats?  
Yes No Don’t Know
49. Did you (your child) touch/pet the rabbits? Yes No Don’t Know
50. Did you (your child) touch/pet the dogs? Yes No Don’t Know
51. Did you (your child) use hand sanitizer AFTER touching any animals besides goats?  
Yes No Don’t Know
52. Did you (your child) use baby wipes to clean your (their) hands AFTER touching any animals besides goats? Yes No Don’t Know

***“Now I’m going to ask you some questions about eating and drinking at the farm.”***

53. Did you (your child) eat any food products you may have purchased while at the farm?  
Yes No Don’t Know  
**(IF NO SKIP TO QUESTION 58)**  
If yes, did you (your child) use hand sanitizer BEFORE eating?  
Yes No Don’t Know
54. Did you (your child) eat cheese bought from the farm while at the farm?  
Yes No Don’t Know  
If yes, where did you (your child) eat the cheese bought from the farm (**circle all that apply**)?  
Farm store Picnic table Adult goat barn Baby goat barn  
Milking parlor Other Don’t Know
55. Did you (your child) drink milk (pasteurized) bought from the farm while at the farm?  
Yes No Don’t Know  
If yes, where did you (your child) drink milk (pasteurized) bought from the farm (**circle all that apply**)?  
Farm store Picnic table Adult goat barn Baby goat barn  
Milking parlor Other Don’t Know
56. Did you (your child) drink raw milk (unpasteurized) bought from the farm while at the farm?  
Yes No Don’t Know  
If yes, where did you (your child) drink raw milk (unpasteurized) bought from the farm (**circle all that apply**)?  
Farm store Picnic table Adult goat barn Baby goat barn  
Milking parlor Other Don’t Know

57. Did you (your child) eat caramels bought from the farm while at the farm?  
 Yes No Don't Know  
**If yes, where did you (your child) eat caramels bought from the farm (circle all that apply)?**  
 Farm store Picnic table Adult goat barn Baby goat barn  
 Milking parlor Other Don't Know
58. ► Did you (your child) taste any samples at farm? Yes No Don't Know  
**(IF NO SKIP TO QUESTION 63)**  
 Did you (your child) use hand sanitizer BEFORE tasting the sample?  
 Yes No Don't Know
59. Did you (your child) taste cheese samples from the farm while at the farm?  
 Yes No Don't Know  
**If yes, where did you (your child) eat the cheese sample from the farm (circle all that apply)?**  
 Farm store Picnic table Adult goat barn Baby goat barn  
 Milking parlor Other Don't Know
60. Did you (your child) drink milk (pasteurized) samples from the farm while at the farm?  
 Yes No Don't Know  
**If yes, where did you (your child) drink milk (pasteurized) sample from the farm (circle all that apply)?**  
 Farm store Picnic table Adult goat barn Baby goat barn  
 Milking parlor Other Don't Know
61. Did you (your child) drink raw milk (unpasteurized) sample from the farm while at the farm?  
 Yes No Don't Know  
**If yes, where did you (your child) drink raw milk (unpasteurized) sample from the farm (circle all that apply)?**  
 Farm store Picnic table Adult goat barn Baby goat barn  
 Milking parlor Other Don't Know
62. Did you (your child) eat caramels samples from the farm while at the farm?  
 Yes No Don't Know  
**If yes, where did you (your child) eat caramels samples from the farm (circle all that apply)?**  
 Farm store Picnic table Adult goat barn Baby goat barn  
 Milking parlor Other Don't Know
63. ► Did you (your child) bring food to the farm and eat it on the farm (for example, to have a picnic)? Yes No Don't Know  
**(IF NO SKIP TO QUESTION 64)**  
 Did you (your child) use hand sanitizer BEFORE eating? Yes No Don't Know  
 Where on the farm did you (your child) eat the food (circle all that apply)?

Farm store          Picnic table      Adult goat barn          Baby goat barn  
Milking parlor      Other      Don't Know

64. Did you (your child) drink any beverages that you brought with you at the farm?  
Yes    No    Don't Know

**(IF NO SKIP TO QUESTION 65)**

Where on the farm did you (your child) drink it (circle all that apply)?

Farm store          Picnic table      Adult goat barn          Baby goat barn  
Milking parlor      Other      Don't Know

65. Did you (your child) drink any water from a faucet at the farm?    Yes    No    Don't Know

***"Now I'm going to ask you some questions about activities after leaving the farm."***

66. After visiting the farm, did you (your child) stop to eat?                      Yes    No    Don't Know  
**If yes**, did you (your child) wash your hands before eating?    Yes    No    Don't Know  
**If yes**, did you (your child) use hand sanitizer before eating?    Yes    No    Don't Know

67. After visiting the farm, did you (your child) come home with any of the following?  
Dirty or stained clothing?                      Yes    No    Don't Know  
Dirty shoes?                                      Yes    No    Don't Know

68. Did you (your child) remove shoes before walking in the home?    Yes    No    Don't Know

69. Did you (your child) change your clothes immediately when you returned home?  
Yes    No    Don't Know

**SECTION E: General knowledge and awareness**

***"Now I would like to ask you some questions about general knowledge on interaction with animals."***

70. In general, were you (was your child) aware that some diseases can be spread by having contact with farm animals?                      Yes    No    Don't Know

71. In general, were you (was your child) aware that some diseases can be spread by having contact with surfaces at a farm, such as the ground, railings?  
Yes    No    Don't Know

**SECTION H: Pre-existing medical conditions and medication use**

***"Now I would like to ask you a few questions about your (your child's) health in March, 2016. We would like to know about long-standing medical conditions or other specific medical conditions in the month of March. You do not need to answer the questions if you don't want to."***

72. During the month of March did you (your child) have any of the following medical conditions?

PLEASE READ EACH CONDITION AND CHECK YES NO DK

	Yes	No	DK
Diabetes			
Kidney Disease			
If YES ► Are you/your child on dialysis?			
Organ or Bone Marrow Transplant			
Leukemia or Cancer			
If YES ► Treatment with radiation or chemotherapy in previous month?			

***“I would now like to ask some questions about medications that you (your child) may have been taking in the month of March.”***

73. In the month of March, did you (your child) take any of the following types of medications?

PLEASE READ EACH MEDICATION AND CHECK YES NO DK	Yes	No	DK
Any antibiotics			
Any oral steroid, such as Prednisone?			
Any immune-suppressing medication, such as to treat juvenile arthritis?			

***“Now, I would like to gather some additional information.”***

74. Did you hear or see in the media that the Department of Public Health was requesting ill and non-ill people that visited the farm to contact them?      Yes      No

75. What is your (your child’s) race?  
 White  
 Black/African American  
 American Indian/Alaskan Native  
 Native Hawaiian or Pacific Islander  
 Asian  
 Other, specify: \_\_\_\_\_  
 Unknown  
 Prefer not to answer

74. Do you consider yourself (your child) to be of Hispanic ethnicity?  
 Yes      No      Prefer not to answer

75. If you (your child) visited the farm more than once, please describe any differences between your visits:

**Undetermined agent, source, mode of transmission, and risk factors for Guillain-Barré  
Syndrome in the setting of Zika virus transmission— Colombia, 2016**

**Case Control Investigation Form**

c. If so, what symptoms did you have (check all that apply)?

- Fevers                       Chills                       Nausea or Vomiting                       Diarrhea
- Muscle pains                       Joint pains                       Skin rash                       Abnormally red eyes
- Headache                       Pain behind eyes                       Stiff neck                       Confusion
- Abdominal pain                       Coughing                       Runny nose                       Sore throat                       Calf pain
- Pruritus

d. If so, did you see a doctor or go to the hospital for this illness?

- Yes     No     Unknown

Which doctor? \_\_\_\_\_ Which hospital? \_\_\_\_\_

e. If so, did they draw any blood for testing?     Yes     No     Unknown

12. a. In the 2 months prior to \_\_\_\_/\_\_\_\_/\_\_\_\_ (neuro onset date for case), has anyone in your HOUSEHOLD been sick at all?

- Yes     No     Unknown

b. If so, when did the first household member become sick?                      \_\_\_\_/\_\_\_\_/\_\_\_\_

c. If so, what symptoms did any household members have (check all that apply)?

- Fevers                       Chills                       Nausea or Vomiting                       Diarrhea
- Muscle pains                       Joint pains                       Skin rash                       Abnormally red eyes
- Headache                       Pain behind eyes                       Stiff neck                       Confusion
- Abdominal pain                       Coughing                       Runny nose                       Sore throat                       Calf pain
- Pruritus

13. Which vaccinations have you received and when?

- Information verified on vaccine card     Information provided verbally

Vaccine	DD	MM	YYYY	Additional doses	
a. MMR	____	/	____	/	_____
b. Polio	____	/	____	/	_____
c. Yellow fever	____	/	____	/	_____
d. BCG	____	/	____	/	_____
e. DPT	____	/	____	/	_____
f. HiB	____	/	____	/	_____
g. Pneumococcal	____	/	____	/	_____
h. Meningitis	____	/	____	/	_____
i. Hepatitis B	____	/	____	/	_____

j. Other vaccines (e.g. rabies, 23-pneumo, Japanese encephalitis, etc.):

\_\_\_\_\_                      \_\_\_\_\_                      \_\_\_\_/\_\_\_\_/\_\_\_\_  
 \_\_\_\_\_                      \_\_\_\_\_                      \_\_\_\_/\_\_\_\_/\_\_\_\_

14. In the two months before onset of neurologic symptoms, what pets, farm, or other animals have lived in your house or on your property (check all that apply)?

- Dogs     Cats     Mice/rats     Pet birds     Pet lizards /turtles  
 Goats     Sheep     Cows     Chickens     Pigs     Other \_\_\_\_\_

15. In the two months before onset of neurologic symptoms, how often have you gotten your drinking water from the tap?

- Almost always (>75%)     Often (25-75%)     Rarely (<25%)     Never (0%)  
 If ever, was the water boiled or treated?     Yes     No     Unknown

16. In the two months before onset of neurologic symptoms, how often have you gotten your drinking water from a well or river/stream/pond?

- Almost always (>75%)     Often (25-75%)     Rarely (<25%)     Never (0%)  
 If ever, was the water boiled or treated?     Yes     No     Unknown

17. In the two months before onset of neurologic symptoms, how often do you walk around barefoot outside?

- Almost always (>75%)     Often (25-75%)     Rarely (<25%)     Never (0%)

18. In the two months before onset of neurologic symptoms, have you swam or waded in a freshwater river, stream, or pond?

- Daily     Weekly     Monthly     Rarely (<once per month)     Never

19. How much time do you spend outdoors each day?

- <1 hour     1-4 hours     5-8 hours     >8 hours

20. How often do you wear long sleeves and pants?

- Almost always (>75%)     Often (25-75%)     Rarely (<25%)     Never (0%)

22. Do you normally wear insect repellent?

- Almost always (>75%)     Often (25-75%)     Rarely (<25%)     Never (0%)

23. Do you leave the windows open at your house?

- Yes, during the day     Yes, at night     Yes, all times     Windows are not left open at this house

24. How many of your windows or doors have intact screens?

- All of them     Some of them     None of them

25. Does your home use any of the following for air conditioning (check all that apply)?

- Local air conditioning (at least 1 room)     Fans     None

26. How often do you have sources of standing water around the outside of your house (e.g. buckets, water storage/cistern, septic tank, pond)?

- Daily     2-3 times/week     Once/week     Every other week     Never

27. Are these containers covered?

- Yes     No     Unknown

28. In the two months before onset of neurologic symptoms, have you handled any dead animals?

Yes     No     Unknown

Which? \_\_\_\_\_

29. In 2016, have you eaten or drunk any of the following foods at least once per week (check all that apply)?

Beef     Lamb     Chicken     Fish     Shellfish

Milk     Cheese     Yogurt     Fresh salad / uncooked greens

30. Hughes Disability Score: (Date recorded \_\_ \_\_ / \_\_ \_\_ / \_\_ \_\_)

Hughes Disability Score (0 to 6): \_\_\_\_\_  Unknown

*[0 = Complete recovery; no sequelae, 1 = Minor symptoms and capable of running, 2 = Able to walk 10 metres or more without assistance but unable to run, 3 = Able to walk 10 metres with help, 4 = Bedridden or chairbound (unable to walk 10 meters with help), 5 = Requiring assisted ventilation for at least part of the day, 6 = Dead]*

## **Cuestionario de Caracterización Síndrome de Guillain-Barré – Colombia, 2016**

La carga pública de esta recopilación de información se estima en un promedio de 15 minutos por respuesta, incluyendo el tiempo para revisar las instrucciones, buscar fuentes de datos existentes, reunir y mantener los datos necesarios y completar y revisar la recopilación de información. Una agencia no puede realizar o patrocinar ni una persona está obligada a responder a la solicitud de información a menos que se presente un número de control de OMB válido. Envíe comentarios sobre esta estimación de carga o sobre cualquier otro aspecto de esta recopilación de información, incluyendo sugerencias para reducir esta carga, al Oficial de Aprobación de Reportes de los CDC/ATSDR; 1600 Clifton Road NE, MS D-74 Atlanta, Georgia 30333; Atención: PRA (0920-1011)

COL- \_\_\_\_ - \_\_\_\_ - \_\_\_\_ - \_\_\_\_

Número de Identificación COL- \_\_\_\_ - \_\_\_\_ - \_\_\_\_ - \_\_\_\_

Caso

Control

*El número de identificación comienza con los 3 dígitos del número de caso (por ejemplo COL001) seguido por una "A" para el paciente que sea un caso, una "B" para el primer control, una "C" para el segundo control.. Por ejemplo, el segundo individuo control emparejado con el caso número 8 sería marcado como "COL-008-C".*

Entrevistador: \_\_\_\_\_

Fecha de Entrevista: \_\_\_\_/\_\_\_\_/\_\_\_\_

DD MM AAAA

Fecha de Inicio de Síntomas Neurológicos: \_\_\_\_/\_\_\_\_/\_\_\_\_

DD MM AAAA

**Las siguientes preguntas son para ser realizadas durante la entrevista:**

1. Dirección actual:

\_\_\_\_\_/\_\_\_\_\_/\_\_\_\_\_  
Dirección Ciudad o Municipio Distrito o Departamento

2. Dirección donde se presentaron los síntomas:

\_\_\_\_\_/\_\_\_\_\_/\_\_\_\_\_  
(solamente si es diferente de la dirección actual; donde los casos pasaron el mayor número de noches en los dos meses previos al inicio del cuadro neurológico)

3. Coordenadas GPS (Inicio de síntomas): \_\_\_\_\_. \_\_\_\_\_ N, \_\_\_\_\_. \_\_\_\_\_ O

4. Sexo:  Masculino  Femenino

5. Pertenencia étnica:  Indígena  ROM/Gitano  Raizal  Palenquero

Negro/mulato/Afrocolombiano  Otro

6. Edad cuando presentó los primeros síntomas neurológicos: \_\_\_\_ años

7. ¿Cuál es su ocupación? \_\_\_\_\_

8.Cuál es su nivel educativo (marque si fue cursado completo):  Primaria  Secundaria

Técnica  Universitaria  Ninguno

9. Dos semanas antes del inicio de los síntomas neurológicos viajó a otro lugar?

Sí  No  No sabe

A dónde: \_\_\_\_\_

10. ¿Ha sido informado por algún médico que usted padece alguna de las siguientes condiciones médicas?

Diabetes  Presión Arterial Alta  Enfermedad del Corazón  Colesterol Elevado

Accidente Cerebrovascular (Derrame cerebral)  Enfermedad Renal  Enfermedad Hepática

Enfermedad Reumatológica

Asma  Enfermedad Obstructiva Pulmonar Crónica  Cáncer

Cirugía (dentro de los meses de inicio de síntomas)

Otra enfermedad neurológica: \_\_\_\_\_

Toma algún medicamento o ha tenido alguna condición que pueda afectar su capacidad para defenderse las infecciones (por ejemplo: prednisona) \_\_\_\_\_

**11. a.** ¿En los dos meses anteriores a \_\_\_\_ / \_\_\_\_ / \_\_\_\_ (fecha de inicio de cuadro neurológico), estuvo enfermo (a)?  
DD MM AAAA

Sí  No  No sabe

**b.** Si estuvo enfermo (a), ¿cuándo se sintió enfermo(a) por primera vez? \_\_\_\_ / \_\_\_\_ / \_\_\_\_  
DD MM AAAA

**c.** Si estuvo enfermo (a) ¿Qué síntomas tuvo? (Marque todos los que aplican)

- Fiebre  Escalofrío  Nausea o Vómito  Diarrea
- Dolor muscular  Dolor articular  Rash cutáneo  Ojos anormalmente rojos
- Dolor de cabeza  Dolor retro ocular  Rigidez nuchal  Confusión
- Dolor abdominal  Tos  Secreción nasal  Odinofagia  Dolor de pantorrillas

**d.** Si estuvo enfermo (a), ¿vió a algún médico o fue al hospital por esta enfermedad?

Sí  No  No sabe

¿Cuál médico? \_\_\_\_\_ ¿Qué hospital? \_\_\_\_\_

**e.** Si estuvo enfermo (a), ¿le tomaron muestra de sangre?  Sí  No  No sabe

**12. a.** En los dos meses anteriores a \_\_\_\_ / \_\_\_\_ / \_\_\_\_ (fecha de inicio de síntomas neurológicos), ¿hubo alguien en su hogar que haya estado enfermo (a)?  
DD MM AAAA

Sí  No  No sabe

**b.** Si la respuesta es afirmativa, ¿en qué fecha se enfermó la primera persona de su hogar?

\_\_\_\_ / \_\_\_\_ / \_\_\_\_  
DD MM AAAA

**c.** Si alguien en su hogar estuvo enfermo (a) ¿Qué síntomas tuvo? (Marque todos los que aplican)

- Fiebre  Escalofrío  Nausea o Vómito  Diarrea
- Dolor muscular  Dolor articular  Rash cutáneo  Ojos anormalmente rojos
- Dolor de cabeza  Dolor retro ocular  Rigidez nuchal  Confusión
- Dolor abdominal  Tos  Secreción nasal  Odinofagia  Dolor de pantorrillas

**13.** ¿Qué vacunas ha recibido y cuándo?

Información verificada en el carné de vacunas  Información proveída verbalmente

	<u>DD</u> <u>MM</u> <u>AAAA</u>	
<b>a.</b> Triple viral (SRP o MMR)	____ / ____ / ____	Dosis adicionales: _____
<b>b.</b> Polio	____ / ____ / ____	_____
<b>c.</b> Fiebre Amarilla	____ / ____ / ____	_____

23. ¿Deja las ventanas de su casa abiertas?

- Sí, durante el día     Sí, en la noche     Sí, todo el tiempo     Las ventanas no se dejan abiertas en esta casa

24. ¿Cuántas de sus ventanas o puertas tienen angeos intactos?

- Todas     Algunas de ellas     Ninguna

25. ¿Tienen en su casa alguno de los siguientes tipos de aire acondicionado?

- Aire acondicionado central     Aire acondicionado por habitación     Ninguno

26. ¿Qué tan a menudo tiene recipientes alrededor de su casa donde puede haber agua estancada? (por ejemplo: baldes, cisternas, tanques, inservibles)

- Diariamente     2-3 veces/semana     Una vez a la semana     Semana de por medio     Nunca

27. Estos recipientes se encuentran tapados

- Sí     No     No sabe

28. En los dos meses antes del inicio de los síntomas neurológicos, ¿ha manipulado algún animal muerto?     Sí     No     No sabe

¿Cuál? \_\_\_\_\_

29. En el año 2016, ¿ha consumido alguno de los siguientes alimentos o bebidas por lo menos una vez a la semana? (Marque todos los que apliquen)

- a.  Carne     Cordero     Pollo     Pescado     Mariscos  
b.  Leche     Queso     Yogurt     Ensalada / verduras crudas

30. Puntaje de Discapacidad de Hughes: (Fecha de registro: \_\_\_\_ / \_\_\_\_ / \_\_\_\_)

Puntaje de Discapacidad de Hughes (0 a 6): \_\_\_\_\_  Desconocido

[0= Recuperación completa; sin secuelas, 1= Síntomas menores y capaz de correr, 2= Puede caminar 10 metros o más sin asistencia pero no puede correr, 3= Puede caminar 10 metros con ayuda, 4= Postrado en cama o en silla de ruedas (no puede caminar 10 metros con ayuda), 5= Requiere ventilación asistida por lo menos una parte del día, 6=Muerto]

**Undetermined agent, source, mode of transmission, and risk factors for Guillain-Barré  
Syndrome in the setting of Zika virus transmission— Colombia, 2016**

**Chart Abstraction Form**

Study ID Number COL-\_\_\_\_

Encounter level (Brighton 1-5) or not neuro (6): \_\_\_\_

The ID number begins with the 2 digit case number (for example COL-01). Information as documented by attending physician.

The following pages are to be abstracted from the medical records / exam:

Chart Abstractor: \_\_\_\_\_  
MRN: \_\_\_\_\_

Abstraction Date: \_\_\_\_/\_\_\_\_/\_\_\_\_  
MM DD YYYY

- 1. First name: \_\_\_\_\_
- 2. Paternal name: \_\_\_\_\_
- 3. Age (years): \_\_\_\_\_

Middle name: \_\_\_\_\_  
 Maternal name: \_\_\_\_\_  
 Date of birth: \_\_\_\_/\_\_\_\_/\_\_\_\_  
 MM DD YYYY

4. Sex:  Male  Female

5. Patient address: \_\_\_\_\_

6. Patient phone number: \_\_\_\_\_

7. Date of neuro symptom onset: \_\_\_\_/\_\_\_\_/\_\_\_\_ Date first sought care: \_\_\_\_/\_\_\_\_/\_\_\_\_  
 MM DD YYYY MM DD YYYY

Date of admission: \_\_\_\_/\_\_\_\_/\_\_\_\_  
MM DD YYYY

Date of discharge/death: \_\_\_\_/\_\_\_\_/\_\_\_\_  
MM DD YYYY

8. Discharged to:

- Home  Rehab/skilled nursing facility  Transferred  Died  Other (specify) \_\_\_\_\_

**CURRENT ILLNESS**

9. How long from onset until hospital admission? \_\_\_\_\_minutes/hours/days/weeks

10. What were the initial neurologic symptoms (i.e. within the three days of illness onset)? (check all that apply, signs from PE, symptoms from HPI)

- Leg weakness  Arm weakness  Diplopia/Ophthalmoplegia
- Leg numbness/paresthesias  Arm numbness/paresthesias  Face numbness/paresthesias
- SOB / respiratory distress  Gait imbalance (not weakness)/ataxia  Hand clumsiness/ataxia
- Hyporeflexia/areflexia  Face weakness  Dysarthria  Dysphagia  Dysautonomia

11. What neurologic symptoms occurred AT ANY TIME during the neuro illness? (check all that apply, signs from PE, symptoms from HPI)

- Leg weakness  Arm weakness  Diplopia/Ophthalmoplegia
- Leg numbness/paresthesias  Arm numbness/paresthesias  Face numbness/paresthesias

Study ID Number COL-\_\_\_\_

Encounter level (Brighton 1-5) or not neuro (6): \_\_\_\_

- SOB / respiratory distress     Gait imbalance (not weakness)/ataxia     Hand clumsiness/ataxia
- Hyporeflexia/areflexia     Face weakness     Dysarthria     Dysphagia     Dysautonomia

12. How long from onset until maximum/worst neuro symptoms? \_\_\_\_\_ minutes/hours/days/weeks

13. At the worst point during this neuro illness, check all that apply for the patient:

- Unable to walk without assistance (e.g. cane, walker)     Unable to walk at all
- Admitted to the hospital     Admitted to the ICU/CCU     Intubated

14. If any blood was taken for this neurologic illness, please fill out the following for the INITIAL blood draw:

Date \_\_\_\_/\_\_\_\_/\_\_\_\_    WBC \_\_\_\_    HgB \_\_\_\_    Plts \_\_\_\_    Na \_\_\_\_    K \_\_\_\_  
 MM    DD    YYYY

BUN \_\_\_\_    Cr \_\_\_\_    Glucose \_\_\_\_    TBili \_\_\_\_    AST \_\_\_\_    ALT \_\_\_\_    AlkPhos \_\_\_\_

15. Was there documented hyporeflexia/areflexia?     Yes     No     Unknown

16. a. Was there documentation of upper motor neuron signs?

- Yes     No     Unknown

b. If yes, which:

- Hyperreflexia     Increased tone/spasticity     Babinski/Hoffman     Sustained clonus

17. Was there any sensory level documented?     Yes     No     Unknown

**LABORATORY, IMAGING, AND ELECTROPHYSIOLOGIC STUDIES**

18. Was a lumbar puncture (LP) done?     Yes     No     Unknown

LP date \_\_\_\_/\_\_\_\_/\_\_\_\_    RBCS \_\_\_\_    WBCS \_\_\_\_    Protein (mg/dL) \_\_\_\_    Glucose (mg/dL) \_\_\_\_  
 MM    DD    YYYY

Differential \_\_\_\_\_ IgG index \_\_\_\_\_ Oligoclonal bands \_\_\_\_\_ IgG synthesis \_\_\_\_\_

Study ID Number COL- \_\_\_\_ \_\_\_\_

Encounter level (Brighton 1-5) or not neuro (6): \_\_\_\_

Steroids  Yes  No  Unknown Start date \_\_\_\_/\_\_\_\_/\_\_\_\_  
MM DD YYYY

Mechanical ventilation  Yes  No  Unknown Start date \_\_\_\_/\_\_\_\_/\_\_\_\_  
MM DD YYYY

Other  Yes  No  Unknown Start date \_\_\_\_/\_\_\_\_/\_\_\_\_  
MM DD YYYY

20. Did the patient receive blood transfusion/blood products? (other than IVIG)

Yes  No  Unknown which one \_\_\_\_\_ Start date \_\_\_\_/\_\_\_\_/\_\_\_\_  
MM DD YYYY

21. Were any of the following diseases tested for? If so, what was the result? (including specimen and type of test)

a. *Campylobacter jejuni*  Yes  No Result: \_\_\_\_\_

b. *Mycoplasma pneumoniae*  Yes  No Result: \_\_\_\_\_

c. *Haemophilus influenzae*  Yes  No Result: \_\_\_\_\_

d. *Salmonella spp.*  Yes  No Result: \_\_\_\_\_

e. Cytomegalovirus (CMV)  Yes  No Result: \_\_\_\_\_

f. Epstein-Barr virus (EBV)  Yes  No Result: \_\_\_\_\_

g. Varicella-zoster virus (VZV)  Yes  No Result: \_\_\_\_\_

h. Human immunodeficiency virus (HIV)  Yes  No Result: \_\_\_\_\_

i. Enterovirus / Rhinovirus  Yes  No Result: \_\_\_\_\_

j. Arboviruses  Yes  No Result: \_\_\_\_\_

k. Other  Yes  No Result: \_\_\_\_\_

22. Was neuro imaging done? If so, what was the result? (Transcribe the impression)

Yes  No Result: \_\_\_\_\_  
\_\_\_\_\_ Date \_\_\_\_/\_\_\_\_/\_\_\_\_  
MM DD YYYY

23. Were electro-diagnostics done (e.g. EMG)? If so, what were the results? (Transcribe the impression)

Yes  No Result: \_\_\_\_\_  
\_\_\_\_\_ Date \_\_\_\_/\_\_\_\_/\_\_\_\_  
MM DD YYYY

24. What was the GBS Brighton level? 1 2 3 4 5

Levels of Diagnostic Certainty

Level 1	Level 2	Level 3	Level 4*	Level 5
Absence of an alternative diagnosis for weakness				NOT a case
Acute onset of bilateral and relatively symmetric flaccid weakness of the limbs			* Lacking documentation to	
Decreased or absent deep tendon reflexes in affected limbs				

Monophasic illness pattern with weakness nadir between 12 hours and 28 days, followed by clinical plateau		fulfill minimal case criteria	
Albuminocytologic dissociation (elevation of CSF protein level above laboratory normal value and CSF total white cell count < 50 cells/mm <sup>3</sup> )	CSF with a total white cell count < 50 cells/mm <sup>3</sup> (with or without CSF protein elevation above laboratory normal value) or if CSF not collected or results not available, and electrodiagnostic studies consistent with GBS		
Electrophysiologic findings consistent with GBS			

**ANTECEDENT ILLNESS**

25. a.) In the 2 months prior to neuro onset date, did the individual experience an acute illness? (other than their neuro illness)?  Yes  No  Unknown

b.) How long from prior acute illness onset until admission for neuro illness? \_\_\_\_\_ minutes/hours/days/weeks

26. a.) What symptoms did they report having or what signs were noticed? (check all that apply)

- Fevers  Chills  Nausea or Vomiting  Diarrhea
- Muscle pains  Joint pains  Skin rash  Conjunctivitis
- Headache  Pain behind eyes  Stiff neck  Confusion
- Back pain  Abdominal pain  Coughing  Runny nose
- Sore throat  Calf pain  Pruritis

b.) If any blood was taken for this acute illness, please fill out the following for the INITIAL blood draw:

Date \_\_\_\_/\_\_\_\_/\_\_\_\_ WBC \_\_\_\_ HgB \_\_\_\_ Plts \_\_\_\_ Na \_\_\_\_ K \_\_\_\_  
 DD MM YYYY  
 BUN \_\_\_\_ Cr \_\_\_\_ Glucose \_\_\_\_ TBili \_\_\_\_ AST \_\_\_\_ ALT \_\_\_\_ AlkPhos \_\_\_\_

c.) Were they hospitalized for this acute illness?  Yes  No  Unknown

d.) Did they receive any blood products / IVIG for this illness?  Yes  No  Unknown

What product? \_\_\_\_\_ Date? \_\_\_\_/\_\_\_\_/\_\_\_\_  
 MM DD YYYY

e.) Did they receive plasmapheresis / plasma exchange for this illness?  Yes  No  Unknown

If yes, date? \_\_\_\_/\_\_\_\_/\_\_\_\_  
 MM DD YYYY

27. Is there a test result available for dengue from this medical visit?  Yes  No  Unknown

If yes, please specify: \_\_\_\_\_

28. Is there a test result available for chikungunya from this medical visit?  Yes  No  Unknown

If yes, please specify: \_\_\_\_\_

29. Is there a test result available for Zika from this medical visit?  Yes  No  Unknown

If yes, please specify: \_\_\_\_\_

**PAST MEDICAL, SOCIAL AND FAMILY HISTORY**

30. What medical conditions are listed in the admission history and physical (H&P)?

Hypertension  Diabetes  HIV  Autoimmune disorder \_\_\_\_\_

Prior GBS  Hemoglobinopathy  B12 deficiency  Cancer \_\_\_\_\_

31. What social conditions are listed in admission H&P?

Alcohol use  Drug use  Tobacco  Other \_\_\_\_\_

32. What conditions are listed in family history of H&P?

Autoimmune disorder (specify) \_\_\_\_\_  Cancer (specify) \_\_\_\_\_

Hemoglobinopathy (specify) \_\_\_\_\_  Neuro (specify) \_\_\_\_\_

Revisor de Historia Clínica: \_\_\_\_\_ Fecha de revisión: \_\_ \_\_ / \_\_ \_\_ / \_\_\_\_  
Número de Historia Clínica: \_\_\_\_\_ MM DD YYYY

1. Primer Nombre: \_\_\_\_\_ Segundo Nombre: \_\_\_\_\_

2. Primer Apellido: \_\_\_\_\_ Segundo Apellido: \_\_\_\_\_

3. Edad (años): \_\_\_\_\_ Fecha de Nacimiento: \_\_ \_\_ / \_\_ \_\_ / \_\_\_\_  
MM DD YYYY

4. Sexo:  Masculino  Femenino

5. Dirección de residencia del paciente (Incluir dirección completa, ciudad o municipio y departamento):  
\_\_\_\_\_

6. Número de teléfono del paciente: \_\_\_\_\_

7. a.) Fecha de ingreso hospitalario: \_\_ \_\_ / \_\_ \_\_ / \_\_\_\_  
MM DD YYYY

b.) Fecha en la que buscó atención por primera vez: \_\_ \_\_ / \_\_ \_\_ / \_\_\_\_  
MM DD YYYY

c.) Fecha de egreso hospitalario/muerte: \_\_ \_\_ / \_\_ \_\_ / \_\_\_\_  
MM DD YYYY

8. Egresó hacia:

Hogar  Centro de Rehabilitación  Remitido a otra institución hospitalaria

Muerte  Otro (Especifique) \_\_\_\_\_

## ENFERMEDAD ACTUAL

9. ¿Cuánto tiempo transcurrió desde el inicio de los síntomas hasta el ingreso al hospital? \_\_\_\_ minutos/horas/días/semanas

10. ¿Cuáles fueron los síntomas neurológicos iniciales dentro de los tres días previos al inicio de la enfermedad? (Marque todas las opciones que apliquen, signos del examen físico y síntomas de historia de enfermedad actual)

Debilidad en extremidades inferiores  Debilidad en extremidades superiores  Diplopia/Oftalmoplejía

Adormecimiento de extremidades inferiores/parestesias

Adormecimiento de extremidades superiores/parestesias

Adormecimiento de la cara/parestesias

Dificultad para respirar/distress respiratorio  Trastornos de la marcha (sin debilidad)/ataxia

Trastornos de la motricidad manual/ataxia Hiporeflexia/areflexia     Debilidad en la cara     Disartria     Disfagia     Disautonomía

11. ¿Qué síntomas neurológicos ocurrieron en CUALQUIER MOMENTO durante la enfermedad neurológica? (Marque todas las opciones que apliquen, signos del examen físico y síntomas de historia de enfermedad actual)

 Debilidad en extremidades inferiores     Debilidad en extremidades superiores     Diplopia/Oftalmoplejía Adormecimiento de extremidades inferiores /parestias Adormecimiento de extremidades superiores /parestias Adormecimiento de la cara /parestias Dificultad para respirar / distress respiratorio     Trastornos de la marcha (sin debilidad)/ataxia Trastornos de la motricidad manual/ataxia Hiporeflexia/areflexia     Debilidad en la cara     Disartria     Disfagia     Disautonomía

12. ¿Cuánto tiempo transcurrió desde el inicio hasta la presentación de los síntomas neurológicos más severos?  
\_\_\_\_ minutos/horas/días/semanas

13. Marque todas las opciones que apliquen al paciente que se presentaron al momento de mayor severidad del cuadro neurológico:

 Incapacidad para caminar sin asistencia (por ejemplo: bastón, caminador)     Incapacidad total para caminar Ingreso al hospital     Ingreso a Unidad de Cuidado Intensivo (UCI)     Intubación

14. Si se extrajo muestra de sangre como parte de los análisis de laboratorio para el cuadro neurológico, por favor complete la siguiente información de la muestra de sangre obtenida INICIALMENTE:

Fecha \_\_\_\_/\_\_\_\_/\_\_\_\_    Recuento de blancos \_\_\_\_\_    Hemoglobina \_\_\_\_\_    Plaquetas \_\_\_\_\_  
MM    DD    YYYY

Sodio \_\_\_\_\_    Potasio \_\_\_\_\_    BUN \_\_\_\_\_    Creatinina \_\_\_\_\_    Glucosa \_\_\_\_\_    Bilirrubina Total \_\_\_\_\_

AST \_\_\_\_\_    ALT \_\_\_\_\_    Fosfatasa Alcalina \_\_\_\_\_

15. ¿Se documentó hiporeflexia/areflexia?     Sí     No     Desconocido

16. a.) ¿Hubo evidencia de signos de motoneurona superior?

 Sí     No     Desconocido

b.) En caso afirmativo, ¿Se documentó algunos de los siguientes hallazgos?

 Hiperreflexia     Aumento en el tono/espasticidad     Babinski/Hoffman     Clonus sostenido

17. ¿Se documentó algún nivel sensitivo?  Sí  No  Desconocido
- Guante y Bota  Cervical  Dorsal  Lumbar

**LABORATORIO, IMÁGENES DIAGNOSTICAS Y ESTUDIOS ELECTROFISIOLÓGICOS**

18. ¿Se llevó a cabo una punción lumbar?  Sí  No  Desconocido
- Fecha punción lumbar \_\_\_\_/\_\_\_\_/\_\_\_\_ Recuento de eritrocitos \_\_\_\_\_ Recuento de leucocitos \_\_\_\_\_  
 MM DD YYYY
- Proteínas (mg/dL) \_\_\_\_\_ Glucosa (mg/dL) \_\_\_\_\_ Diferencial \_\_\_\_\_

Niveles de Certeza Diagnóstica

<i>Nivel 1</i>	<i>Nivel 2</i>	<i>Nivel 3</i>	<i>Nivel 4*</i>	<i>Level 5</i>
Ausencia de un diagnóstico alternativo para debilidad				NO es un caso
Inicio agudo de debilidad flácida bilitaral y relativamente simétrica de las extremidades				
Reflejos tendinosos profundos disminuidos o ausentes en las extremidades afectadas				
Patrón de enfermedad monofásica con nadir de debilidad entre 12 horas y 28 días, seguido de meseta clínica			* Al carecer de documentación para cumplir con	

Disociación albuminocitológica (elevación del nivel de proteínas en el LCR por encima del valor normal de laboratorio y recuento total de glóbulos blancos en LCR <50 células / mm <sup>3</sup> )	LCR con un total de recuento de glóbulos blancos <50 células / mm <sup>3</sup> (con o sin elevación de proteínas en LCR sobre el valor normal de laboratorio) o si el LCR no fue recolectado o los resultados no están disponibles y los estudios de electrodiagnóstico son consistentes con SGB		los criterios mínimos de caso	
Hallazgos electrofisiológicos consistentes con SGB				

### ANTECEDENTES DE LA ENFERMEDAD

**25. a.)** ¿En los dos meses anteriores a la fecha de inicio de síntomas neurológicos, tuvo el paciente una enfermedad aguda? (diferente a su enfermedad neurológica)

***Si la respuesta es No o Desconocido, vaya a pregunta 30, sección Antecedentes Clínicos, Sociales y Familiares***

Sí       No       Desconocido

**b.)** ¿Cuánto tiempo se presentó desde el inicio de la enfermedad aguda hasta el ingreso hospitalario por la condición neurológica? \_\_\_\_\_ minutos/horas/días/semanas

**26. a.)** ¿Qué síntomas reportaron haber tenido o qué signos fueron evidenciados? (Marque todas las opciones que apliquen)

- |   |   |  |  |
|---|---|--|--|

Infectious Period Determination

Question	Code	Variable
----------	------	----------

<p><b>Date of infectious period beginning</b> (format MM/DD/YY)</p> <p>-For symptomatic patients, start the infectious period 3 months before “Date of symptom onset” recorded on page 2.</p> <p>-For asymptomatic patients who have sputum smear-positive or cavitory disease, start the infectious period 3 months before the “Diagnosis date” recorded on page 2.</p> <p>-For asymptomatic patients without sputum smear-positive or cavitory disease, start the infectious period 1 month before the “Diagnosis date” recorded on page 2</p>		IPopen
<p><b>Date of infectious period end</b> (format MM/DD/YY)</p> <p>For patients who are not isolated, the infectious period can be closed when the following three conditions are met:</p> <ol style="list-style-type: none"> <li>1) Treatment with an adequate regimen (based on drug susceptibility results) for <math>\geq 2</math> weeks, AND</li> <li>2) The patient shows clinical improvement, AND</li> <li>3) Three consecutive sputum smears are negative (which have been obtained at least 8 hours apart)</li> </ol> <p>For patients who are isolated (e.g. in a hospital) until these three conditions are met, then use date of isolation as the end of the infectious period.</p>		IPend

## Case Interview Form

### Participant Information

Question	Response	Variable Name
Case Last Name		Lname
Case First Name		Fname
Alternate Names/Nicknames/Aliases:		Alias
Age		Age
Date of Birth		DOB
If proxy interviewed, name and relationship to case patient:		

*Check the database for the patient's estimated infectious period.*

**Start of infectious period:** \_\_\_\_\_

**End of infectious period:** \_\_\_\_\_

*Explain to the patient that you have been asked by the health department to help determine why there have been more cases of tuberculosis, or TB. Explain that you will be asking a series of questions to try to identify where the health department might be able to find other people who have TB, as well as to figure out where the patient might have gotten sick. Acknowledge that the patient has already participated in many interviews with health care providers. Reassure the patient that all answers will be kept confidential, and that the purpose of the interview is to learn information that can help stop the spread of TB and prevent other people from getting sick (emphasize protection of families). Thank the patient for his or her time and for speaking with us.*

**Note that throughout the interview, the period of interest is 2 years before the start of the infectious period to the end of the infectious period.**

**Ask patient whether they are from the Tribe A Reservation.  
If not, ask where patient came from and when he/she came to the area.**

**Discuss symptom onset date.** *Confirm based on chart data.*

**“We are interested in learning where you could have been exposed to TB in the 2 years before you got sick with TB. People sick with TB often have a bad cough, or might lose a lot of weight. TB is spread through the air when a person who is sick coughs or speaks and does anything that brings up air from the lungs. How do you think that you got TB?”** *Mention household exposure (i.e. people you visited or people who visited you). Attempt to elicit names of sick contacts who might have been source patients. Note when and where the exposure occurred. Emphasize that these people are not in trouble, and we are not trying to blame anyone. We are trying to make sure we can find all sick people and treat them.*

**“TB is commonly spread among people staying in the same household. We’re worried about people who may have been staying with you or people you may have stayed with when you were coughing a lot or started feeling sick. I know it might be hard to remember, but please try your best. During [infectious period], where did you live, and who was staying with you?”** *Emphasize protecting family.*

<b>Time period(s)</b>	<b>Last time visited</b>	<b>Location</b>	<b>People in household</b>

--	--	--	--

**“TB can also be spread to people you spend a lot of time around, even if you don’t stay in the same household. During [infectious period], could you tell us where you worked, where you hung out, and who else was usually there?”** *Emphasize protecting friends and family. Mention work sites, bars, friends’ homes.*

Location	Dates of first attendance	Dates of most recent attendance	Frequency of attendance	Contacts present

**Ask patient how else he/she passes time.** *As examples, you could mention cards, bingo, video lottery. Record locations and contacts present.*

Activity	Location	Dates of first attendance	Dates of most recent attendance	Contacts present

--	--	--	--	--

**Ask the patient whether he/she visits friends or family or attends social events ON any of the reservations in the area, or whether friends/family from on a reservation visited the patient. Ask for location and dates of visit. Record exposed contacts.**

**Ask the patient whether he/she visits friends or family or attends social events OFF the reservations in the area, or whether friends/family from off the reservations visited the patient. Ask for location and dates of visit. Record exposed contacts.**

**Explain to patient that certain activities make the body less able to fight off a TB infection, and make a person more likely to become sick. Ask about the following TB risk factors. Circle response.**

**Smoking commercial tobacco during the year before diagnosis?**

- 0=None
- 1=Less than Daily
- 2=Daily
- 3=Does not recall or refuses

**Smoking traditional tobacco during the year before diagnosis?**

- 0=None
- 1=Less than Daily
- 2=Daily
- 3=Does not recall or refuses

**If so:**

**What substance:** \_\_\_\_\_

**Participates in “sweats” (traditional sweat lodge purification ceremony):** Y N

**Location:** \_\_\_\_\_

**Alcohol use (“drinking”) within 1 year before diagnosis?**

**0=Never**

**1=Rarely (1-2 times ever)**

**2=Occasionally (more than 1 or 2 times, but less than most days or nights)**

**3=Frequently (most days or nights of the week)**

**4=Does not recall or refuses**

**Note the locations where patient drank alcohol? Smoked?**

**With whom would the patient usually drink? Smoke?**

**Among the group that the patient drank with/smoked with, did anyone possibly have TB?**

**Non-injection drug (“taking anything for recreation, e.g. marijuana”)  
use within 1 year before diagnosis**

**0**=Never

**1**=Rarely (1-2 times ever)

**2**=Occasionally (more than 1 or 2 times, but less than most days or nights)

**3**=Frequently (most days or nights of the week)

**4**=Does not recall or refuses

**What kinds of drugs were used before diagnosis?** *Circle all that apply.*

Marijuana    Crack or cocaine    Methamphetamine    Heroin    Prescription drugs

Other drugs: \_\_\_\_\_

**Note the locations where non-injection drugs were used:**

**Drug use with anyone with possible TB?**

**Injection drug use (“shooting up”) within 1 year before diagnosis**

**0**=Never

**1**=Rarely (1-2 times ever)

**2**=Occasionally (more than 1 or 2 times, but less than most days or nights)

**3**=Frequently (most days or nights of the week)

**4**=Does not recall or refuses

**What kinds of drugs were used before diagnosis?** \_\_\_\_\_

**Note the locations where injection drugs were used or obtained:**

**Drug use with anyone with possible TB?**

**ANY drug use prior to the year before diagnosis**

**What kinds of drugs were used?** \_\_\_\_\_

**Note the locations where drugs were used or obtained:**

**Drug use with anyone with possible TB?**

**Does the patient have any other ideas about places where TB might have spread (i.e., where people were coughing a lot) or people we should contact?**

## Tuberculosis Contact Screening Form

Contact Name:	<input type="checkbox"/> Male <input type="checkbox"/> Female	DOB: _____/_____/_____	Age:
Current Location:			

Contact Exposure History (During the Infectious Period)	
Contact's Relationship to Index:	Date of Last Exposure: _____/_____/_____
Location of Exposure:	
1. How much time did you spend <b>in the same room or house</b> as the index while he/she was contagious (during the infectious period)?	Number of days per week: Number of hours per day:
2. How much time did you spend <b>in a bar or drug-using location</b> as the index while he/she was contagious (during the infectious period)?	Number of days per week: Number of hours per day:
3. How much time did you spend in the same room <b>in the hospital</b> while he/she was contagious (during the infectious period)?	Number of days per week: Number of hours per day:
4. <b>If you are a healthcare worker</b> , did you perform any procedures on the index patient that may have caused them to cough (such as suctioning, collecting sputum, performing CPR, using a bag mask, or intubation)?	<input type="checkbox"/> Yes (If Yes, person is automatically a close contact)  <input type="checkbox"/> No
<b>IF YES, specify type of procedure(s) and date(s)</b>	
5. Specify <b>other contact</b> setting and any related details	
<input type="checkbox"/> <b>Based upon the answers above, is this a "close" contact?</b> A "close" contact is a person who spent ≥4 hours multiple times <u>OR</u> spent ≥8 hours at least one time inside the same room as the index patient (during the infectious period)?	<input type="checkbox"/> Yes <input type="checkbox"/> No

TB Symptom Screening (Current Symptoms)	Start Date and Duration
Instructions: Screen to see if the contact <i>currently</i> has TB symptoms. Consider the contact "symptomatic for TB" if they have: (1) A cough for ≥2 weeks duration <u>OR</u> (2) Two "yes" responses to symptoms #2-8 that cannot be explained by another medical condition	
1. Have you been coughing for ≥2 weeks?	<input type="checkbox"/> Yes <input type="checkbox"/> No
2. Have you been coughing up blood?	<input type="checkbox"/> Yes <input type="checkbox"/> No

3. Have you had difficulty breathing?	qYes qNo	
4. Have you had fevers or chills?	qYes qNo	
5. Have you had night sweats? (completely soaking your clothes at night)	qYes qNo	
6. Have you been tired or feeling weak lately?	qYes qNo	
7. Have you lost your appetite?	qYes qNo	
8. Have you had unplanned weight loss?	qYes qNo qUnknown	If yes, how much?
∅ Is this contact symptomatic for TB?	qYes qNo If yes, specify symptom start date: ___/___/___	
<b>TB Risk Factor Screening</b>		<b>Notes</b>
Instructions: Screen to see if the contact has risk factors that could increase their risk for progression to active TB disease.		
1. Is this contact >50 years old?	qYes qNo	
2. Was this contact <5 years old during the exposure period?	qYes qNo	
3. Do you have diabetes?	qYes qNo or Unknown	
4. Do you have HIV?	qYes qNo or Unknown	
5. Do you have cancer?	qYes qNo or Unknown	
6. Do you take prednisone every day?	qYes qNo	
7. Do you smoke tobacco?	qYes qNo	
8. Do you drink alcohol?	qYes qNo	If yes, specify amount/frequency
9. Do you use any other substances?	qYes qNo	If yes, include types/routes, frequency, and locations where substances acquired and used
∅ Does this contact have a high-risk condition? If the contact answers "yes" to questions 1-6 above, then the contact has a high-risk condition.		qYes qNo

<b>Additional Questions</b>
1. Have you ever been diagnosed with active TB disease? If so, please provide details including treatment if any.
2. Have you ever been diagnosed with latent TB infection? If so, please provide details including treatment if any.
3. <b>Have you ever known anybody with TB?</b>  If yes, what was/is the nature of your relationship and contact? What did/does this person do during the day? How did/does he/she spend his/her time? Who spent/spends a lot of time with that person?
