Consumer Feedback Survey

Public reporting of this collection of information is estimated to average 2 minutes per response, including the time for reviewing instructions and completing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDCIATSDR Reports Clearance Officer, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333, ATTN: PRA (0920-XXXX).

This is a planned online survey of users of the beta version of the Resource Center. This survey will be offered when a user accesses the Resource Center site.

Introduction
This survey will ask about your satisfaction with the online Resource Center you just visited. ICF International and CDC are working together to evaluate the Resource Center site.

Informed consent
Before you get started, we'd like to give you some more information to help you decide whether or not you would like to participate.

- Your participation is voluntary.
- You may refuse to answer specific questions.
- You may choose to end the survey at any time.
- The survey is designed to take about 2 minutes.
- All of the comments you provide will be maintained in a secure manner. We will not attribute your responses to your or your organization without your permission unless we are compelled by law.
- There are no right or wrong answers or ideas—we want to hear about YOUR experiences and opinions.
- CDC is authorized to collect information for this project under the Public Health Services Act.
- There are no risks or benefits to you personally for participating in this survey.
