Participant Interview

Interviewer: Welcome and thank you for participating. This interview will cover a variety of topics related to your experiences with different HIV-related services. For some of these experiences, we will ask you about them during each interview. But there will be other information that we only ask you once. I want to assure you that anything you tell me will be kept private. This interview will be about 20 minutes. Feel free to stop me at any time if you have questions. Do you have any questions before we begin? Let's get started.

Current HIV Medical Care

The questions below will be based on responses to G10.

- For any HIV medical care referrals received since first HIV medical care interview, ask all the questions in this section. (I.e., if the date of the most recent referral to HIV medical care from CBO-HPS program ≠ date of first referral to HIV medical care from CBO-HPS program, then start at 1 – what were you offered at referral)
- For any HIV medical care referrals that were asked about in the last interview and the participant had not linked to HIV medical care, start with “After you received the referral for HIV medical care (insert date), did you visit an HIV medical care provider?”

- For any HIV medical care referrals that were asked about in the last interview and participant linked to HIV medical care, start with “Interviewer: Now, I am going to ask you about the number of times you have seen an HIV medical care provider.”

Interviewer: Now, I’m going to ask you some questions about your experiences since [CBO] referred you to HIV medical care on [insert date]. We will talk about HIV medical care providers and this may mean doctors, nurses or other health care providers that deliver HIV medical care.

1. Which of the following things were you offered? (Choose all that apply, unless it’s “Only contact information....”)

- € Only contact information for HIV medical care providers
- € Help making an appointment for HIV medical care
- € Help with transportation to your HIV medical care appointment
- € Someone to go with you to your HIV medical care appointment
- € Help figuring out if you qualified for free or low-cost HIV medical care
- € Declined to answer
- € Don’t know

2. After you received the referral for HIV medical care (insert date), did you visit an HIV medical care provider? (Choose one)

- € Yes (go to “What was the date you first visited an HIV medical care provider ...”)
- € No, it is scheduled but hasn’t happened yet (go to “What is the date of your scheduled appointment?”)
- € No, did not go for another reason (Go to “I’m going to read you a list of possible reasons people with HIV may have not gone to see their HIV medical care provider ...”)
- € Declined to answer
- € Don’t know

3. What is the date of your scheduled appointment? (Only ask if participant indicates that they have not been to their HIV medical care appointment because it has not occurred yet.If they don’t remember the day, please ask them to provide their best estimate.)

___/___/___ (MM/DD/YYYY) (Go to Previous HIV medical care, intro text at “Before receiving your referral to HIV medical care on [insert date], had you ever seen HIV medical care provider for HIV medical care? ...”)
