No

When you log into your account, you will have access to all of these features:

1. Enter your personal information only once, instead of each time you place an order.
 2. Access your account information anywhere, anytime.
 3. Store favorite addresses in a personal address book.
 4. Track, cancel, or repeat an order from your personal order history.
 5. Create a favorites list and store it for future visits.
- You do not need an account to place an order, but it makes shopping at SAMHSA's online store even easier and faster.

We are not able to accommodate international orders placed through the online shopping cart. Please call 1-877-SAMHSA-7 (877-726-4727) or email your request to SAMHSAInfo@samhsa.hhs.gov.
