## Justification for a no material/non-substantive change

## ATF Form 3310.6 revision changes:

- 1. Added "FFL" after "Name" in reporting field
- 2. Split "name of reporting person" and "signature" line into two separate fields
- 3. Added email and fax number as alternate means of submitting report
- 4. Added statement that Shipper/Transferor FFL is required to submit ATF F 3310.11
