EARNINGS REFUSAL SCREEN
We understand that people are sometimes hesitant to talk about their earnings. I want to assure you that we will only use this information for this research and not for any other purpose. We ask about your earnings only so that Job Corps can better understand how former students are doing after leaving Job Corps. Your earnings are a good indicator of how things are going. OPTIONAL CONTINUATION: The way this information will be used is to calculate average earnings. Your earnings will be added together with all the other respondents and then divided by the total number of people who answer. Reports about earnings are summarized and sent to Job
Corps so that they can see how their former students are doing overall.

IF RESPONDENT IS STILL REFUSING GO TO Q. EM11_MIN.

EARNINGS REFUSAL SCREEN
We understand that people are sometimes hesitant to talk about their earnings. I want to assure you that we will only use this information for this research and not for any other purpose. We ask about your earnings only so that Job Corps can better understand how former students are doing after leaving Job Corps. Your earnings are a good indicator of how things are going. OPTIONAL CONTINUATION: The way this information will be used is to calculate average earnings. Your earnings will be added together with all the other respondents and then divided by the total number of people who answer. Reports about earnings are summarized and sent to Job
Corps so that they can see how their former students are doing overall.

IF RESPONDENT IS STILL REFUSING GO TO Q. EM11_MIN.

PROGRAM CHECK: USE AN INDICATOR TO MARK THE FIRST TIME AN INTERVIEWER USES THIS SCREEN WITH A RESPONDENT.
