

**1405-0002 Statement of Registration
Justification for Non-Substantive Change Request**

The Directorate of Defense Trade Controls is requesting to add a radio button to Block 5 of the DS-2032 in order to clarify whether the applicant is a Natural Person or Entity.

This addition is needed in order for DDTC to distinguish between people and companies in the new case management system that is being developed. No other changes will be made to the form.
