#### SUPPORTING STATEMENT

Application for Certificate Discharging Property Subject to
Estate Tax Lien
Form 4422
OMB Control Number 1545-0328

## 1. CIRCUMSTANCES NECESSITATING COLLECTION OF INFORMATION

Form 4422 is completed by either an executor, administrator, or other interested party for requesting release of any/all property of an estate from the Estate Tax Lien. It is used when property is being sold (for example a residence) and the title company needs a release of the estate tax lien to issue a title policy and close the sale of the property. Therefore there is a time sensitive processing period imposed on IRS.

## 2. USE OF DATA

The information being collected will be used to investigate and determine the Government's lien interest in property being sold.

#### 3. USE OF IMPROVED INFORMATION TECHNOLOGY TO REDUCE BURDEN

Form 4422 is available electronically on IRS.gov. However, based on the low filing volume it is not available for electronic filing at this time.

## 4. EFFORTS TO IDENTIFY DUPLICATION

We have attempted to eliminate duplication within the agency wherever possible.

# 5. <u>METHODS TO MINIMIZE BURDEN ON SMALL BUSINESSES OR OTHER</u> SMALL ENTITIES

There are no small businesses or entities affected by this collection.

# 6. <u>CONSEQUENCES OF LESS FREQUENT COLLECTION ON FEDERAL PROGRAMS</u> OR POLICY ACTIVITIES

The information requested on the form is needed to make appropriate determinations of the amount of the Government's lien interest in property sold that is attached by the

estate tax lien. There is a time sensitive processing period imposed on IRS. The agency would not be able to fulfill its obligation to release the lien if information was not collected.

# 7. SPECIAL CIRCUMSTANCES REQUIRING DATA COLLECTION TO BE INCONSISTENT WITH GUIDELINES IN 5 CFR 1320.5(d)(2)

There are no special circumstances requiring data collection to be inconsistent with Guidelines in 5 CFR 1320.5(d)(2).

Periodic meetings are held between IRS personnel and representatives of the American Bar Association, the National Society of Public Accountants, the American Institute of Certified Public Accountants, and other professional groups to discuss tax law and tax forms. During these meetings, there is an opportunity for those attending to make comments regarding Form 4422.

## 12. ESTIMATED BURDEN OF INFORMATION COLLECTION

	Number of	Time per	Total
	<u>Responses</u>	<u>Response</u>	<u>Hours</u>
Form 4422	3,000	.5 hours	1,500

## 13. ESTIMATED TOTAL ANNUAL COST BURDEN TO RESPONDENTS

There is no annual start-up costs associated with this collection.

#### 14. ESTIMATED ANNUALIZED COST TO THE FEDERAL GOVERNMENT

There is no printing or distribution costs, an electronic version of the form will be posted to IRS.gov for download and use by the public/practitioner that need the form. No charges are incurred for processing the request for discharge of property from the estate tax lien and no annualized cost to the federal government.

#### 15. REASONS FOR CHANGE IN BURDEN

The initial burden estimates before the form was put into use were significantly over estimated (104,000 responses). Since that time, the agency has based its estimated number of responses by the most recent filing data. The new estimated annual number of responses is 3,000 which reduce the overall annual time burden by 50,500 hours (52,000 to 1,500). There have been no significant changes to the form or instructions that create a change in burden hours.

## 16. PLANS FOR TABULATION, STATISTICAL ANALYSIS AND PUBLICATION

There are no plans for tabulation, statistical analysis, and publication.

# 17. <u>REASONS WHY DISPLAYING THE OMB EXPIRATION DATE IS</u> INAPPROPRIATE

We believe the public interest will be better served by not printing an expiration date on the form(s) in this package.

Printing the expiration date on the form will result in increased costs because of the need to replace inventories that become obsolete by passage of the expiration date each time OMB approval is renewed. Without printing the expiration date, supplies of the form could continue to be used.

The time period during which the current edition of the form(s) in this package will continue to be usable cannot be It could easily span several cycles of review predicted. and OMB clearance renewal. In addition, usage fluctuates This makes it necessary to maintain a unpredictably. substantial inventory of forms in the supply line at all This includes supplies owned by both the Government Reprinting of the form cannot be reliably and the public. scheduled to coincide with an OMB approval expiration date. This form may be privately printed by users at their own Some businesses print complex and expensive marginally punched continuous versions, at their expense, for use in their computers. The form may be printed by commercial printers and stocked for sale. In such cases, printing the expiration date on the form could result in extra costs to the users.

Not printing the expiration date on the form(s) will also avoid confusion among taxpayers who may have identical forms with different expiration dates in their possession.

For the above reasons we request authorization to omit printing the expiration date on the form(s) in this package.

We are requesting OMB approval for continued use of the prior version of the form(s) in this clearance package, so that late filers will have the previous versions available to them in future years.
