

Residency Waiver Request

General Information and Instructions

Preparation and Use

This request seeks a waiver from the residency requirement. The Office of the Comptroller of the Currency (OCC) requires that the majority of a national bank or federal savings association's directors reside in the state in which the bank is located (that is, the state(s) in which the bank has its main office or home office or branches) or within 100 miles of its main office or home office for at least one year immediately preceding their election (12 USC 72). The OCC, however, may waive this requirement under certain circumstances.

All questions must be answered with complete and accurate information that is subject to verification. If the answer is "none," "not applicable," or "unknown," so state. Answers of "unknown" should be explained.

The questions in the application are not intended to limit the applicant's presentation nor are the questions intended to duplicate information supplied on another form or in an exhibit. For such information, a cross reference to the information is acceptable. Any cross-reference must be made to a specific cite or location in the documents, so the information can be found easily. Supporting information for all relevant factors, setting forth the basis for the applicant's conclusions, should accompany the application. The regulatory agency may request additional information.

This request collects information that the OCC will need to evaluate a residency waiver. The OCC must consider the applicable statutory and regulatory requirements, when acting on this request. For additional information regarding these statutory and regulatory requirements, as well as processing procedures and guidelines and any supplemental information that may be required, refer to the OCC's procedural guidelines in the *Comptroller's Licensing Manual*. The applicant may contact the OCC directly for specific instruction or visit the OCC's Web site at www.occ.gov.

Electronic Submission

In addition to an original application and the appropriate number of signed copies, submit an electronic copy of the information in the application, especially of the business plan's financial projections, if applicable. For e-mail submissions, contact the OCC for instructions and information about secure transmission of confidential material.

Confidentiality

Any applicant desiring confidential treatment of specific portions of the application must submit a request in writing with the application. The request must discuss the justification for the requested treatment. The applicant's reasons for requesting confidentiality should specifically demonstrate the harm (for example, loss of competitive position, invasion of privacy) that would result from public release of information (5 USC 552 or relevant state law). Information for which confidential treatment is requested should be: (1) specifically identified in the public portion of the application (by reference to the confidential section); (2) separately bound; and (3) labeled "Confidential." The applicant should follow the same procedure when requesting confidential treatment for the subsequent filing of supplemental information to the application. Contact the OCC for any further questions regarding requests for confidential treatment.
