Re: 2502-6012

Dear Mr. Nye:

The Department of Housing and Urban Development (HUD) is seeking an emergency extension request of the existing ICR 2502-6012; Rental Assistance Demonstration (RAD); Supporting Contracts and Processing Requirements that is set to expire on June 30, 2016.

The form documents (copies enclosed), were posted on the Federal Register for 60-Day Public Comment on March 17, 2016. The Department is currently reviewing and preparing responses to comments received in accordance with the PRA renewal process. This is an emergency request being made in order to respond to the comments received, subsequently post for a 30-day public comment period, and complete the Paperwork Reduction Act (PRA) submission process for a three-year renewal. It is critical that we be able to continue to use the existing documents so that the program can continue to operate while we complete the required PRA renewal process.

In compliance with the requirements of 5 CFR 1320.13, this letter requests emergency extension. This emergency processing is essential to effectuate the PRA renewal process.

Thank you for your consideration and assistance.

Sincerely,

A handwritten signature in blue ink, appearing to read "Priya Jayachandran".
