SUPPLEMENTARY INFORMATION: This notice informs the public that HUD is seeking approval from OMB for the information collection described in Section A.

A. Overview of Information Collection

Title of Information Collection: ConnectHome Use and Benefits Telephone Survey.

OMB Approval Number: Pending.

Type of Request: New.

Form Number: Survey.

Description of the need for the information and proposed use:

President Barack Obama and Secretary Julián Castro announced ConnectHome on July 15, 2015, as the next step in the Obama Administration's efforts to increase access to high-speed Internet access for all Americans. Through public-private partnerships, nonprofits, businesses, and Internet service providers (ISPs) ConnectHome will offer high-speed Internet service, devices, technical training, and digital literacy programs to residents of HUD assisted housing in 28 pilot communities, including the Choctaw Nation of Oklahoma.

As communities begin to implement ConnectHome in 2016 and connect residents to internet within their homes, this telephone survey will illuminate how families are taking advantage of ConnectHome. The telephone survey will explore ConnectHome subscribers' previous broadband access, current and planned use patterns, and current and anticipated benefits of their at-home

high-speed Internet access. The survey will particularly focus on educational Internet use such as completing homework, connecting parents with educators, and applying to college.

Respondents (i.e. affected public): Residents in the 28 communities who have secured at-home Internet access through the ConnectHome program.

Estimated Number of Respondents: 2,800.

Frequency of Response: One time.

Average Hours Per Response: 0.5 hours (30 minutes).

Total Estimated Burden: 1,400 hours.

Respondents' Obligation: Voluntary.

B. Solicitation of Public Comment

This notice is soliciting comments from members of the public and affected parties concerning the collection of information described in Section A on the following:

(1) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) The accuracy of the agency's estimate of the burden of the proposed collection of information;

(3) Ways to enhance the quality, utility, and clarity of the information to be collected; and (4) Ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of responses.

HUD encourages interested parties to submit comment in response to these questions.
