3137-0029 General Clearance Grant Application and Post-Award Processes

Collections Assessment for Preservation Program

IMLS has submitted a request to separate the Collections Assessment for Preservation Program - Notice of Funding Opportunities from the General Clearance Grant Application and Post-Award Processes OMB ICR # 201606-3137-019. This request is to remove this grant program from 3137-0029 once a new separate clearance number has been approved. At this time, the remaining items within information collection 3137-0029 will remain the same. Because IMLS is working toward parsing out the documentation for like programs in order to implement a new process for renewal and updates on like Notice of Funding Opportunities (NOFO) rather than a bulk submission of all NOFOs, there will be additional removal requests to follow.
