Dear Resident:

Earlier, you should have received instructions for completing the **2017 Census Test** online. Local communities depend on information from the census to fund programs that promote the well-being of families and children as well as equal employment opportunities for you and your neighbors. If you have not already responded, please complete this short 10-minute survey now or complete and return the paper questionnaire that we sent you earlier.

Respond now at: <b>survey.census.gov</b>	Your USER ID is:
---	------------------

If we do not receive your response online, we will mail another paper questionnaire to your address in a few weeks.

Your response is critically important to your local community and your country and is required by law. Responding promptly will prevent you from receiving phone calls or personal visits from U.S. Census Bureau interviewers.

By law, your answers are confidential. The Census Bureau cannot give out information that identifies you or your household to anyone, including other government agencies.

If you need help completing your survey, please call 1-844-330-2020 toll-free.

Sincerely,

John H. Thompson  
Director
