Instructions: This form must be accurately completed by the Registered Crab Receiver in the event an IFQ landing report cannot be submitted through the eLandings systems or the IFQ landing report must be revised. This form will constitute receipt by NOAA Office for Enforcement of the IFQ Landing Report and that the permit holder=s account was properly debited ONLY when all three of the above signatures are included. The landing report is not complete without all three signatures.

PUBLIC REPORTING BURDEN STATEMENT

Public reporting burden for this collection of information is estimated to average 35 minutes per response, including the time to reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to Assistant Regional Administrator, Sustainable Fisheries Division, Alaska Region, NMFS, P.O. Box 21668, Juneau, AK 99802.

ADDITIONAL INFORMATION

Before completing this form please note the following: 1) Notwithstanding any other provision of the law, no person is required to, nor shall any person be subject to a penalty for failure to comply with a collection of information subject to the requirements of the Paperwork Reduction Act, unless that collection of information displays a currently valid OMB Control Number; 2) This information is mandatory, is required to manage commercial fishing effort under 50 CFR part 680 and under section 402(a) of the Magnuson-Stevens Act (16 U.S.C. 1801, et seq.) and under 16 U.S.C. 1862(j); 3) Responses to this information request are confidential under section 402(b) of the Magnuson-Stevens Act. They are also confidential under NOAA Administrative Order 216-100, which sets forth procedures to protect confidentiality of fishery statistics
