Preconception #16, Prenatal #8, Postpartum #31, Parenting/ IC #32

Is there a place that you usually go for care when you are sick or need advice about your health?

Preconception #16.1, Prenatal #8.1, Postpartum #31.1, Parenting/ IC #32.1

If yes, What kind of place do you usually go when you are sick or need advice about your health? (doctor's office, ED, outpatient clinic, retail clinic, school, some other place)

Preconception #16, Prenatal #8, Postpartum #31, Parenting/ IC #32

Is there a place that you usually go for care when you are sick or need advice about your health?

Preconception #16.1, Prenatal #8.1, Postpartum #31.1, Parenting/ IC #32.1

If yes, What kind of place do you usually go when you are sick or need advice about your health? (doctor's office, ED, outpatient clinic, retail clinic, school, some other place)

Postpartum #10, Parenting/ IC #11

Is there a place that your child usually goes for care when he/ she is sick or when advice is needed about your baby's health?

Postpartum #10, Parenting/ IC #11

Is there a place that your child usually goes for care when he/ she is sick or when advice is needed about your baby's health?

Postpartum #10.1, Parenting/ IC #11.1

What kind of place does your baby most often go when sick or you are in need of advice about his/ her health?

Postpartum #10.1, Parenting/ IC #11

What kind of place does your baby most often go when sick or you are in need of advice about his/ her health?

Postpartum #10, Parenting/ IC #11

Is there a place that your child usually goes for care when he/ she is sick or when advice is needed about your baby's health?

Postpartum #11, Parenting/ IC #13

When was your child's last visit to a doctor, nurse or other healthcare provider for a well-child checkup?

Postpartum #11.1, Parenting/ IC #13.1

Did your baby receive vaccines at this visit (referring to date provided in Postpartum #11)

Postpartum #11.1, Parenting/ IC #13.1

Did your baby receive vaccines at this visit (referring to date provided in Postpartum #11)

Preconception #43-45.1, Prenatal #58-59.1, Postpartum #13-15.1, Parenting/ IC #14-16.1

Reproductive Life Plan: Do you plan to have any children at any time in your future?; How many children would you like to have?; Would you like to be pregnant in the next year?; How long would you like to wait until you become pregnant?; Are you currently using any form of contraception to prevent pregnancy or STIs?; What kind of birth control are you using now?; Are you satisfied with your birth control method?; If not using contraception, what family planning method do you plan to use to avoid pregnancy?; How confident are you that you will be able to use this method without any problems?

Justification

More comprehensive information is necessary to ensure that participants are receiving culturally appropriate services and being connected with service providers that can meet their needs.

Insurance needs to be captured for both mother and child for benchmark reporting and adequate care coordination.
Important for assessment and care coordination.

Assess need for services as well as risk.

Assesses need for transportation services, and identifies barriers to accessing care.

Assess food security and identify need for services.

Important for assessment and care coordination.

The focus of housing questions was changed from quantifying to quality. Quality and stability of housing is important for the health and safety of pregnant and parenting women. These questions allow for thorough screening related to this, and therefore timely referral to services can be given as appropriate.
