

Hi <NAME OF THE RESPONDENT>

## You have an opportunity waiting!

**Topic:** Health  
**Incentive:** \$ in MVP currency

**Length:** 15 minutes

**Details:** You are being invited to participate in a research study on behalf of the National Institute of Nursing Research (NINR) to inform them about care of children with chronic or serious illnesses.

If you agree to take part in this study, you will be asked to complete an online survey. This survey will take you approximately 15 minutes to complete.

You may not directly benefit from this research; however, we hope that your participation in the study may help NINR improve outreach to patients and their parents. You may also receive customary number of points from the panel provider.

To the best of our ability, your answers in this study will remain private. By agreeing to participate in this survey, you are allowing NINR to use the information from this study. The information collected is for research only, and your name will not be shared with anyone outside of this study, except as otherwise required by law. Any results that come from this study will be presented as an aggregate and your name will not be identified with any statements you made.

Your participation in this study is completely voluntary and you can stop at any time. You are free to skip any question that you choose. There will not be any penalties if you refuse to participate in this study or refuse to answer any questions.
