Not being able to import these eggs by early May 2016 under their existing permit would cause undue hardship on the species recovery program, forcing Calgary Zoo to consider culling the eggs. If shipped, the eggs will be hatched and the chicks will be raised at the Patuxent Wildlife Research Center in Laurel, Maryland, with the chicks ultimately being reintroduced into Southwest Louisiana as part of an ongoing recovery project.

SUPPLEMENTARY INFORMATION:

I. Abstract

This notice is for renewal of information collection.

The Office of Management and Budget (OMB) regulations at 5 CFR part 1320, which implement the Paperwork Reduction Act of 1995, 44 U.S.C. 3501 *et seq.*, require that interested members of the public and affected agencies have an opportunity to comment on information collection and recordkeeping activities (see 5 CFR 1320.8 (d)).

5 U.S.C. 5911 authorizes Federal agencies to provide housing for Government employees under specified circumstances. In compliance with OMB Circular A-45 (Revised), Rental and Construction of Government Quarters, a review of private rental market housing rates is required at least once every 5 years to ensure that the rental, utility charges, and charges for related services to occupants of Government Furnished Housing (GFH) are comparable to corresponding charges in the private sector. To avoid unnecessary duplication and inconsistent rental rates, the Department of the Interior, Office of the Secretary, Interior Business Center, conducts rental market surveys as a shared federal service for the Departments of the Interior (DOI), Agriculture, Commerce, Homeland Security, Justice, Transportation, Health and Human Services, and Veterans Affairs. In this survey, two collection forms are used: OS-2000, covering "Houses—Apartments—Mobile Homes" and OS-2001, covering "Trailer Spaces."

This collection of information provides data that helps DOI and the other Federal agencies to meet the rent-setting requirements of OMB Circular A-45 (Revised). If this information were not collected from the public, DOI and the other Federal agencies with GFH would be required to use professional appraisals of open market rental costs for GFH, again, in accordance with OMB Circular A-45, but at an increased cost to the taxpayer.

II. Data

- (1) *Title:* Private Rental Survey.
OMB Control Number: 1084-0033.

Current Expiration Date: September 30, 2016.

Type of Review: Extension without change of a currently approved collection.

Affected Entities: Individuals or households, businesses and other for profit institutions.

Estimated annual number of respondents: OS-2000: 3,841; OS-2001: 200; Total: 4,041.

Frequency of responses: Once per respondent every fourth year. Three or four of 15 total survey regions are surveyed every year. Therefore a respondent may be potentially be surveyed every fourth year, if an individual respondent lives in the same unit and the exact same unit happens to be surveyed again four years later. In addition, if an individual business is a significant rental property owner or rental property manager in the community, they may provide multiple responses in the same survey. Participation is optional.

(2) *Annual reporting and recordkeeping burden:*

Estimated burden per response: OS-2000: 6 minutes; OS-2001: 4 minutes.

Estimated average number of annual responses: OS-2000: 3,383; OS-2001: 220

Total estimated average annual reporting: OS-2000: 338 hours; OS-2001: 15 hours, Total: 353 hours.

(3) Description of the need and use of the information.

This information collection provides the data for DOI to determine open market rental costs for GFH. These rates, in turn, enable DOI to set GFH rental rates for several agencies, as a shared federal service, in accordance with the requirements of OMB Circular A-45 (Revised).

III. Request for Comments

The Department invites comments on:

(a) Whether the collection of information is necessary for the proper performance of the functions of the agencies, including whether the information will have practical utility;

(b) The accuracy of the agencies' estimate of the burden of the collection of information and the validity of the methodology and assumptions used;

(c) Ways to enhance the quality, utility, and clarity of the information to be collected; and

(d) Ways to minimize the burden of the collection of information on respondents, including through the use of appropriate automated, electronic, mechanical, or other collection techniques or other forms of information technology.

"Burden" means the total time, effort, and financial resources expended by

persons to generate, maintain, retain, disclose, or provide information to or for a Federal agency. This includes the time needed to review instructions; to develop, acquire, install, and use technology and systems for the purposes of collecting, validating, and verifying information, processing and maintaining information, and disclosing and providing information; to train personnel and to be able to respond to a collection of information, to search data sources, and to complete and review the collection of information; and to transmit or otherwise disclose the information.

All written comments, with names and addresses, will be available for public inspection. If you wish us to withhold your personal information, you must prominently state at the beginning of your comment what personal information you want us to withhold. While you may ask us in your comment to withhold PII from public view, we cannot guarantee that we will be able to do so. If you wish to view any comments received, you may do so by scheduling an appointment with the point of contact given in the **ADDRESSES** section. A valid picture identification is required for entry into the Department of the Interior.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval of this information collection; they also will become a matter of public record.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid Office of Management and Budget control number.

Dated: April 28, 2016.
