## Paperwork Reduction Act

An agency may not conduct or sponsor information collection, and a person is not required to respond to a collection of information, unless it displays a valid Office of Management and Budget (OMB) control number. The public reporting burden for this collection is estimated as follows: The estimated total number of respondents for the information collection Form G-1499 is 250,000 and the estimated hour burden per response is 5 minutes. Of this 250,000, an estimated 75,000 respondents will need to correct information that may have been entered incorrectly to continue using myE-Verify; this estimated burden per response is 5 minutes. Of this 250,000, an estimated 10,000 respondents may be required to pursue further action to correct their records at the appropriate agency; this estimated burden per response is 70 minutes. Of this 250,000, an estimated 25,000 respondents will be required to provide additional information for a second Authentication Check; this estimated burden per response is 15 minutes. Send comments regarding this burden estimate or any other aspect of this information collection, including suggestions for reducing this burden, to U.S. Citizenship and Immigration Services, Regulatory Coordination Division, Office of Policy and Strategy, 20 Massachusetts Avenue, Washington, DC 20529-2020. **Do not mail your application to this address.**

The screenshot shows the 'myE-Verify' account creation interface. At the top, there is a navigation bar with the 'myE-Verify' logo and a search bar for 'USCIS.gov'. Below the navigation bar is a progress indicator with four steps: 1. Create Username & Password, 2. Select Security Questions, 3. Verify Passcode Delivery Methods, and 4. Pass ID Proofing Quiz. The current step is 'Create Username & Password', which is highlighted with a red dashed box labeled 'A'. Below the progress bar is an error message: 'Error: ... Login: Link to Login Screen', highlighted with a red dashed box labeled 'B'. Below the error message is a section with the heading 'Fill out the information below ...' and a note: 'All boxes marked with a red asterisk \* are required ...', highlighted with a green dashed box labeled 'C'. The form contains several fields:
 

- '\* Desired Username ?' with a text input containing 'johndoeaccount' and a blue icon labeled '1'.
- A list of radio buttons for 'Recommended Username' options: 'Recommended Username 1', 'Recommended Username 2', 'johndoeaccount' (selected), and 'Recommended Username 4'. A red circle labeled '2' is next to the first option, and a blue icon labeled '4' is next to the selected option. This section is highlighted with a green dashed box labeled 'D'.
- '\* Password ?' and '\* Confirm Password ?' fields, both with masked text '\*\*\*\*\*' and blue icons labeled '2'. To the right of these fields are instructions: 'Password must:' followed by three bullet points of dots, and 'Password should:' followed by three bullet points of dots. This section is highlighted with a green dashed box labeled 'E'.
- '\* City of Birth ?' field with masked text '\*\*\*\*\*' and a blue icon labeled '3'.

### No Quiz Generated

Sorry, we are unable to give you access to myE-Verify at this time because the identity assurance service was unable to generate enough information about you in order to create a quiz to confirm your identity.

There may be several reasons why a quiz could not be generated for you.

- You may have moved recently and your credit files and public records do not yet reflect your new address.
- You may have entered information incorrectly, preventing the independent service from locating any records about you
