- \bigcirc I am filing a motion to reopen and a motion to reconsider a decision. My brief and/or additional evidence is attached.

Appeals:

1. Brief

1. Brief You do not need to submit a brief in support of your appeal. If you do submit a brief and/or additional evidence, you may submit these materials at the time of initial filing of the Notice of Appeal or Motion (i-290B) or within 30 days of filing. Any brief and/or additional evidence submitted after the initial filing of the Notice of Appeal or Motion must be submitted directly to the AAO. Click here for the correct submission address. Any brief and additional evidence must specifically reference the appeal for which it is being submitted. If an affected party has filed multiple appeals

with the AAO, separate copies of the brief and evidence must be provided for each individual appeal. Failure to do so may result in the return of the brief or evidence to the individual or entity that submitted it and preclude such material from consideration. If you need more than 30 calendar days to submit a brief you must make a written request to the AAO within 30 calendar days of filing the appeal. The AAO may grant more time to submit a brief for good cause.

2. Oral Argument You may request an oral argument before the AAO in Washington, DC in a letter attached as evidence to this filing. The letter must explain specifically why an oral argument is necessary (i.e. why your argument cannot be adequately addressed in writing). If your request is granted, the AAO will contact you about setting the date and time. The U.S. Government does not furnish interpreters for oral arguments.
