Dear Chief State School Officer:

This letter gives notice of the closing date for receipt of State-proposed teacher shortage areas for designation by the U. S. Department of Education (Department) for the 20__ -20__ school year. You must submit your 20__ - 20__ proposed teacher shortage areas by **December __, 20__**. A copy of the Teacher Shortage Areas Nationwide Listing 1990-1991 through 20__ - 20__, published in __ 20__, may be found at the following Web site:

<http://www2.ed.gov/about/offices/list/ope/pol/tsa.html>

There are Federal program benefits available for those who may teach in shortage areas proposed by your State under the following regulations:

- Targeted teacher deferment for borrowers under the Family Federal Education Loan (FFEL) and Federal Supplemental Loans for Students (SLS) programs (34 CFR 682.210(q));
- Full-time teaching in fields of expertise, cancellation of up to 100% of their debt under the Federal Perkins Loan Program (34 CFR 674.53(c)); and
- Teaching obligation fulfillment for recipients under the Teacher Education Assistance for College and Higher Education (TEACH) Grant Program (34 CFR 686).

Copies of the following final regulations, published in the Federal Register, are enclosed:

- The December 18, 1992 (34 CFR Part 682), regulations regarding the targeted teacher deferment for borrowers under the FFEL and Supplemental Loans for Students (SLS) programs;
- The November 30, 1994 (34 CFR Part 674), regulations regarding the cancellations for full-time teaching in fields of expertise for borrowers under the Federal Perkins Loan Program; and
- The June 23, 2008 (34 CFR Part 686), regulations regarding the obligations for full-time teaching in a high-need field, at a low-income elementary or secondary school for grant

recipients under the Teacher Education Assistance for College and Higher Education (TEACH) Grant Program.

Please refer to these regulations, in addition to the enclosed checklist, for assistance in preparing your State's teacher shortage area proposal.

If your State does not submit the required written documentation proposing teacher shortage areas, FFEL/SLS and Federal Perkins Loan borrowers and TEACH Grant recipients who teach in your State may not receive Federal program benefits to which they may be entitled.

We are enclosing a Proposed Teacher Shortage Area Designation Submission Checklist that itemizes the information you must submit to the Department. To expedite processing of your proposal, please ensure that **each item on the checklist** is addressed and that **all assurances** are clearly stated. If your State chooses not to propose Teacher Shortage Areas, please reply in a letter noting the applicable school years for which areas are not being proposed.

Proposals sent by regular U.S. mail, special delivery, or FEDEX services should be addressed to:
