TITLE 24--HOUSING AND URBAN DEVELOPMENT

CHAPTER II--OFFICE OF ASSISTANT SECRETARY FOR HOUSING--FEDERAL HOUSING  
COMMISSIONER, DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

PART 203--SINGLE FAMILY MORTGAGE INSURANCE--Table of Contents

Subpart B--Contract Rights and Obligations

Sec. 203.281 Calculation of one-time MIP.

(a) The applicable premium percentage determined under paragraph (b) of this section assumes, for purposes of calculation, that the entire amount of the one-time MIP is added to the loan amount. The amount of the one-time MIP shall be determined by multiplying the loan amount otherwise insurable under this part by the applicable premium percentage, subject to adjustment for the portion of the MIP, if any, that is not to be included in the insured mortgage.

(b)(1) The Commissioner shall determine the applicable premium percentage in accordance with sound financial and actuarial practice.

(2) Application of the premium percentage determined under paragraph (b)(1) of this section shall not result in a MIP in excess of an amount equivalent to 1 per centum per annum of the amount of the principal obligation of the mortgage outstanding at any time, without taking into account delinquent payments or prepayments.

(c) The applicable premium percentage will be published by notice at least annually in the Federal Register.
