Public reporting burden for this collection of information is estimated to average 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless that collection displays a valid OMB control number.

Owners of insured and assisted multifamily housing projects are required by HUD administrative guidelines as found in HUD Handbook 4381.5 REV-2, The Management Agent Handbook, to submit certain data for review by the local HUD office of approval of a new management agent. These requirements apply to insured multifamily projects or HUD-held mortgages and subsidized, non-insured projects that are not financed by State Agencies or the Rural Housing Service Agency.
