USHBC Diversity Outreach Policy

The USHBC has adopted a diversity outreach plan to attempt to achieve a diverse representation on the Council. USHBC programs are open to all individuals without regard to race, color, national origin, sex, religion, age, disability, political beliefs, sexual orientation, genetic information, parental status, and marital or family status. It is USHBC policy that membership on the Council and its committees reflect the diversity of individuals served by its programs. To accomplish this objective, the USHBC will strive to attain representation of growers and other industry participants from diverse backgrounds on the Council and USHBC committees. To this end, the USHBC strongly encourages women, minorities and persons with disabilities to seek nominations to the USHBC and to participate in Council and USHBC committee activities.

If you have any questions concerning this nomination procedure, or the final balloting process, please contact the USHBC office at (xxx) xxx-xxxx.

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0581-0093. The time required to complete this information collection is estimated to average 30 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, age, disability, and where applicable, sex, marital status, familial status, parental status, religion, sexual orientation, genetic information, political beliefs, reprisal, or because all or part of an individual's income is derived from any public assistance program (Not all prohibited bases apply to all programs.) Persons with disabilities who require alternative means for communication of program information (Braille, large print, audiotape, etc.) should contact USDA's TARGET Center at (202) 720-2600 (voice and TDD). Blueberry Promotion, Research and Information Order
Council Member Nominee Application Instructions**

The national cultivated blueberry promotion, research and information order, the U.S. Highbush Blueberry Council (USHBC), is seeking highbush (cultivated) blueberry producers to serve as state members and alternates. To be listed as a nominee on the final ballot, you must complete the enclosed application and return it to the U.S. Highbush Blueberry Council office.

Nomination Period

Nominations for state/region member positions on the USHBC will be accepted from Month XX to Month XX, 20XX. Completed applications must be received by the USHBC **no later than close of business on Date, Month XX, 20XX.**

Nominee Eligibility

Each person (as defined below) who produced 2,000 pounds or more of cultivated blueberries during the period of January 1, 20XX through December 31, 20XX is eligible to be nominated to the USHBC.

- A. A person means any individual, group of individuals, partnership, corporation, association, cooperative, or any other legal entity.
 - 1. Partnership includes, but is not limited to: (a) a husband and wife who have title to, or leasehold interest in, a blueberry farm as tenants in common, joint tenants, tenants by the entirety, or, under community property laws, as community property, and (b) joint ventures wherein one or more parties to the agreement, informal or otherwise, contributed land and others contributed capital, labor, management, or other services, or any variation of such contributions by two or more parties.
- B. Eligible producer means any person who produced 2,000 pounds or more of blueberries (cultivated) in the United States during the representative period who: (a) Owns, or shares the ownership and risk of loss of, the crop; (b) Rents blueberry production facilities and equipment resulting in the ownership of all or a portion of the blueberries produced; (c) Owns blueberry production facilities and equipment but does not manage them and, as compensation, obtains the ownership of a portion of the blueberries produced; or (d) is a party in a landlord-tenant relationship or a divided ownership arrangement involving totally independent entities cooperating only to produce blueberries who share the risk of loss and receive a share of the blueberries produced. No other acquisition of legal title to blueberries shall be deemed to result in persons becoming eligible producers.
- C. Blueberries means only cultivated blueberries grown in the United State of genus Vaccinium Corymbosum and Ashei, including the northern highbush, southern highbush, and rabbit eye varieties and excluding the lowbush (native) blueberry Vaccinium Angustifolium.

Nominee Positions

Producer nominees are now requested for X USHBC state/region member positions from the top six highbush blueberry production states. Those receiving the most votes for each producer seat will be recommended as council members. Those receiving the second most votes for each position will be recommended as the alternate for that position. The names of those who receive the third and fourth most votes will also be sent on to the U.S. Secretary of Agriculture for consideration. Nominees for the following state USHBC member positions are requested:
