### Opinions of Hand Hygiene - Focus Group Discussion

[CONSULTING COMPANY] is conducting two focus groups with adult men and women to learn about opinions of hand washing and hand sanitation, and to hear about preferences for health information. These in-person focus groups will take place in [LOCATION] and will take about 90-minutes. To learn more about the focus groups, and to be screened for eligibility to participate, please click [link to online screening form].

If you have any questions about the focus groups, please contact [INSERT POINT OF CONTACT AT CONSULTING FIRM].
