1. Respondent Universe and Sampling Methods

The eFSAP System Enhancement Survey and the eFSAP User Experience Survey will be sent using the emails for the Responsible Officials (ROs) at registered entities provided by electronic Federal Select Agent Portal.

2. Procedures for the Collection of Information

The ROs will receive an email to complete the survey questions. The survey will be sent back to DSAT to compile information provided by the respondent.

3. Methods to Maximize Response Rates and Deal with No Response

Since this is an optional survey, no methods to maximize response rates or to deal with no responses have been developed.

4. Test of Procedures or Methods to be Undertaken

CDC has not conducted any tests of procedures.

5. Individuals Consulted on Statistical Aspects and Individuals Collecting and/or Analyzing Data

Statistical methods will not be used for this survey. Therefore, a consultant was not required to address statistical aspects of the design of this project.
