

eFSAP User Experience Survey Instructions

Greetings,

The Federal Select Agent Program (FSAP) would like you feedback on your experience with the electronic Federal Select Agent Portal (eFSAP).

We are asking for your help in completing a short survey (7 questions) to help us gain an understanding of your experience with system. To better understand what improvements are needed, we appreciate your honest feedback regarding eFSAP. The survey is completely anonymous using an SPSS based product. We do not track IP addresses or collect any identifiable information as part of the survey. The questions are a combination of multiple choice and free text.
