

Take this survey on your smartphone or tablet!

Welcome to the Substance Abuse and Mental Health Services Administration (SAMHSA) Disaster Technical Assistance Center (DTAC) Customer Feedback Survey.

What is the goal of this survey? We are gathering information on your satisfaction with the quality and relevance of SAMHSA DTAC’s products, the quality of SAMHSA DTAC’s service, and in general how well SAMHSA DTAC is meeting your disaster behavioral health (mental health and substance use-related) needs.

Why have I been selected for this survey? We are asking you to complete this survey because you have interacted with SAMHSA DTAC in the past in some capacity or you have been referred by a colleague as someone who may have a need for disaster behavioral health information and resources.

Your participation. Your participation is completely voluntary. You can choose whether or not to take the survey. You can skip any question or stop without finishing the survey. Whether or not you complete the survey will not affect any services you receive from SAMHSA DTAC.

Who will view my results? Any information you provide will be treated as confidential to the extent provided by law. We have no way of connecting your survey responses to you. All information collected will be reported in summary form. Only project staff will review the results of this survey.

Questions? If you have any technical difficulties or questions about the survey, please call the toll-free survey helpline at 1–800–305–3515 or send an email to dtac@samhsa.hhs.gov.

If you click on “Start survey now,” you are voluntarily agreeing to take part in this survey. Click one of the options below.
