ATTORNEY CERTIFICATION:

I certify that all the information I provided for ASLRP consideration is true and correct, and that I am not in default on any qualifying Federal student loans, whether or not listed here. As part of this certification, I attest that:

- I have read and understand the Attorney Student Loan Repayment Program (ASLRP) policy.
- I understand that the ASLRP is an agency incentive program, not an entitlement, and is subject to availability of funds as determined solely in the discretion of the Department of Justice.
- I understand that ASLRP awards are subject to tax and withholdings, which are deducted before payment is issued to the loan holder.
- I am aware of the eligibility requirements, the “matching funds” provisions, and the requirement to continue making personal payments toward my qualifying Federal student loans while participating in the ASLRP.
- It is my responsibility to monitor my loan accounts and manage my personal payments to ensure the loan holder does not stop taking automatic debits based on receipt of ASLRP payments, or reallocate my automatic payments to non-qualifying loans based on receipt of ASLRP payments (which impacts on future renewal).
- I understand that the ASLRP is a supplement to, not a substitute for, my personal payments to qualifying Federal student loans.
- I understand that accepting ASLRP funds triggers a three-year service obligation to the Department of Justice and not to federal service in general, and that the Department may recoup all payments issued on my behalf (at the pre-tax rate) should I fail to complete my service obligation.
- I understand that I am required to remain compliant with the ASLRP policy and that failure to do so may impact on payment eligibility.
- I acknowledge that periods of leave without pay or other periods in which I am not in a pay status (except absence due to uniformed service or compensable injury) do not count toward completion of my service obligation.
- I have not been the subject of any substantiated misconduct, performance, or disciplinary actions since I was last approved for ASLRP funds. (For questions, contact Deana Willis, deana.willis@usdoj.gov.)
- I understand that I may be subject to administrative or disciplinary action, including but not limited to termination of the repayment incentive payments, if I provide false information.

Authority for Collection of Information

5 U.S.C § 5379

Purpose and Uses

The main purpose for collecting the information requested on this form is to establish the terms under which an individual receives a student loan repayment benefit under the Attorney Student Loan Repayment Program. The information collected will be used as a basis for payroll actions and to identify and validate qualifying Federal student loans. Disclosure of identifiable information, including the truncated Social Security Number (SSN), may be made to the Internal Revenue Service for tax withholding purposes, the Department of Agriculture for payroll action, and to the Department of Labor for worker compensation claims, and to lending or educational institutions to identify and validate qualifying Federal student loans. This information may also be used by the Department of Justice for other lawful purposes including law enforcement and in the event of litigation. In addition, these records, or information therein, may also be used within the Department of Justice for study purposes, such as projection of staffing needs, and/or creation of non-identifiable statistical data for reports to other Federal agencies and Congress.

Information Regarding Disclosure of Your Social Security Account Number

Disclosure of the truncated SSN is mandatory since it is the identifier used by the DOJ Office of the Inspector General and Office of Professional Responsibility when reviewing candidates for awards. The use of the truncated SSN is necessary because of the large number of present and former employees and applicants who have identical names and birth dates, and whose identities can be distinguished only by the SSN. It is used primarily to identify an employee's personnel, leave, and pay records and to relate one to the other. It also may be used by the Department of Justice to identify and validate qualifying Federal student loans. The information gathered through the use of the number will be used only as necessary in personnel administration processes carried out in accordance with established regulations and published notices of systems of records.

Effect of Non-Disclosure

Provision of this information is voluntary; however, failure to do so may result in non-selection or preclude issuance of payment.
