## Application for Section 1603: Payments for Specified Renewable Energy Property in Lieu of Tax Credits

ANNUAL PERFORMANCE REPORT AND CERTIFICATION OMB Control Number 1505-0221

The Annual Performance Report and Certification must be submitted annually, 21 calendar days after the date the property was placed in service, e.g., if the property was placed in service on January 10, 2011, the first report and certification are due January 31, 2012. The report covers a one-year period beginning on the placed in service date. Subsequent reports cover a one-year period beginning on the day after the last day covered by the prior year's report.

The Annual Performance Report and Certification is required on an annual basis for a period of five years after the energy property was placed in service.

Failure to supply the Annual Performance Report and Certification as required by the Terms and Conditions signed under penalty of perjury will result in recapture of the funds received.
