Acknowledgement of Appointment at USCIS Application Support Center

USCIS may require that you appear for an interview or provide fingerprints, photograph, and/or signature at any time to verify your identity, obtain additional information, and conduct background and security checks, including a check of criminal history records maintained by the Federal Bureau of Investigation (FBI), before making a decision on your application. After USCIS receives your application and ensures it is complete, we will inform you in writing (or by email notice if you e-file your application), if you need to attend a biometric services appointment. If an appointment is necessary, the notice will provide you the location of your local or designated USCIS Application Support Center (ASC) and the date and time of your appointment. If you fail to attend your biometric services appointment, USCIS may deny your application.

Review the USCIS ASC Acknowledgement that appears below. The purpose of this acknowledgement is to confirm that you have completed your application, reviewed your responses, and verified that the information was provided by you and is complete, true, and correct. If someone helped you fill out your application, that person must review the acknowledgement with you to make sure you understand it.

I, FIRST LAST, understand that the purpose of a USCIS Application Support Center (ASC) appointment is for me to provide my fingerprints, photograph, and/or signature, and to re-verify that all of the information in my application is complete, true, and correct and was provided by me. I understand that I will sign my name to the following declaration which USCIS will display to me at the time I provide my fingerprints, photograph, and/or signature during my USCIS ASC appointment.

By signing here, I declare under penalty of perjury that I have reviewed and understand my application as identified by the receipt number displayed on the screen above, and all supporting documents, applications, petitions, or requests filed with my application that I (or my attorney or accredited representative) filed with USCIS, and that all of the information in these materials is complete, true, and correct.
