Department of Homeland Security
U.S. Citizenship and Immigration Services

USCIS
Form N-565
OMB No. 1615-0091
Expires 05/31/2017

What Is the Purpose of Form N-565?

Form N-565, Application for Replacement Naturalization/Citizenship Document, is used to apply to U.S. Citizenship and Immigration Services (USCIS) for a replacement of a:

1. Certificate of Naturalization;
2. Certificate of Citizenship;
3. Declaration of Intention;
4. Repatriation Certificate; or
5. To apply for a special certificate of naturalization to be recognized as a U.S. citizen by a foreign country.

Who May File Form N-565?

You may apply for a replacement if:

1. You were issued a Certificate of Naturalization, Certificate of Citizenship, Declaration of Intention, or Repatriation Certificate which was lost, stolen, destroyed, or mutilated;
2. You were issued a Certificate of Naturalization, Certificate of Citizenship, Declaration or Repatriation Certificate which is incorrect due to typographical/clerical error by USCIS;
3. Your name was changed by marriage or by court order after the document was issued and you seek a document in your new name;
4. You received your Certificate of Citizenship and afterwards you obtained a court order or a state-issued document that changes your date of birth and you seek a certificate with the new date of birth;
5. You were issued a Certificate of Citizenship or a Certificate of Naturalization and your change of gender is legally recognized through a court order, a government-issued document, or a medical certification; or
6. You are a naturalized citizen seeking a special certificate of naturalization for the purpose of a foreign country recognizing you as a citizen of the United States.

USCIS will not change a name without evidence such as a marriage certificate, divorce decree, or court order. We will not change a date of birth on a Certificate of Citizenship without documentation such as a U.S. court order or state-issued documents.

NOTE: USCIS **cannot** make any changes to an incorrect date of birth on a Naturalization Certificate if you reported an incorrect date on your Form N-400, Application for Naturalization, and then later swore to the facts of your application by signing **Part 15. Signature at Interview**.

General Instructions

USCIS provides forms free of charge through the USCIS website. In order to view, print, or fill out our forms, you should use the latest version of Adobe Reader, which you can download for free at <http://get.adobe.com/reader/>. If you do not have Internet access, you may call the USCIS National Customer Service Center at **1-800-375-5283** and ask that we mail a form to you. For TTY (deaf or hard of hearing) call: **1-800-767-1833**.

Signature. Each application must be properly signed and filed. For all signatures on this application, USCIS will not accept a stamped or typewritten name in place of a signature. If you are under 14 years of age, your parent or legal guardian may sign the application on your behalf. A legal guardian may also sign for a mentally incompetent person.

Filing Fee. Each application must be accompanied by the appropriate filing fee. (See the **What Is the Filing Fee** section of these Instructions.)

Biometric Services Fee. If you file this application with USCIS, you do not need to include a biometric services fee at the time you submit your application. If you are later notified that you must submit biometrics, you will receive a biometric services appointment notice with instructions on how to submit the additional biometric services fee. If you file this application with an agency other than USCIS, please check with that agency to determine if and when you must submit a biometric services fee.

Evidence. At the time of filing, you must submit all evidence and supporting documentation listed in the **Initial Evidence** section of these Instructions. For additional information, see the USCIS Policy Manual, Volume 12, Part K, Certificates of Citizenship and Naturalization at www.uscis.gov/policymanual.

Biometric Services Appointment. USCIS may require that you appear for an interview or provide fingerprints, photograph, and/or signature at any time to verify your identity, obtain additional information, and conduct background and security checks, including a check of criminal history records maintained by the Federal Bureau of Investigation (FBI), before making a decision on your application, petition, or request. After USCIS receives your application and ensures it is complete, we will inform you in writing if you need to attend a biometric services appointment. If an appointment is necessary, the notice will provide you the location of your local or designated USCIS Application Support Center (ASC) and the date and time of your appointment or, if you are currently overseas, instruct you to contact a U.S. Embassy, U.S. Consulate, or USCIS office outside the United States to set up an appointment.

If you are required to provide biometrics, at your appointment you must sign an oath reaffirming that:

1. You provided or authorized all information in the application;
2. You reviewed and understood all of the information contained in, and submitted with, your application; and
3. All of this information was complete, true, and correct at the time of filing.

Copies. You should submit legible **photocopies** of documents requested, unless the Instructions specifically state that you must submit an original document. USCIS may request an original document at the time of filing or at any time during processing of an application, petition, or request. If USCIS requests an original document from you, it will be returned to you after USCIS determines it no longer needs your original.

NOTE: If you submit original documents when not required or requested by USCIS, your original documents may remain a part of the record, USCIS will not automatically return them to you, **and your original documents may be immediately destroyed upon receipt.**

Translations. If you submit a document with information in a foreign language, you must also submit a full English translation. The translator must sign a certification that the English language translation is complete and accurate, and that he or she is competent to translate from the foreign language into English. The certification should also include the date, the translator's signature and printed name, and may contain the translator's contact information.

3. If you are applying for replacement of a document that is incorrect due to typographical/clerical errors by USCIS, you must attach the incorrect document, and complete **Part 4**.
4. If you are applying for a new document because your name was changed, you must submit the original USCIS document and a copy of the marriage certificate or a certified copy of the complete document (such as a marriage certificate or certified copy of a court order, amended birth certificate, or amended passport) showing the name change, and complete **Part 5**.

State-issued documents may include birth certificate, certificate recognizing the foreign birth, certificate of birth abroad, or other similar state vital record issued by the child’s state of residence. **Only applicants applying for a new Certificate of Citizenship may select this option.**

7. If you are applying for a special certificate of naturalization to obtain recognition as a citizen of the United States by a foreign country, you must attach a copy of your naturalization certificate.

NOTE: USCIS regulations require this special certificate when a foreign state requires proof of your citizenship for any legitimate purpose, except for admission to the foreign country or in processing their own immigration benefit requests. (Regulation is 8 CFR 343b.2.)

8. If your marital status has changed since you were last issued a document, you must submit your most recent marriage certificate, divorce decree, or spouse's death certificate.

What Is the Filing Fee?

The filing fee for Form N-565 is **\$555**.

NOTE: There is no fee required if you select **Item C** in **Item Number 2** of **Part 2** of the application. Visit www.uscis.gov/N-565 for current and additional filing fee information.

NOTE: The filing fee is not refundable, regardless of any action USCIS takes on this application. **DO NOT MAIL CASH.** You must submit all fees in the exact amounts.

Use the following guidelines when you prepare your check or money order for the Form N-565 filing fee:

1. The check or money order must be drawn on a bank or other financial institution located in the United States and must be payable in U.S. currency; **and**
2. Make the check or money order payable to **U.S. Department of Homeland Security**.

NOTE: Spell out U.S. Department of Homeland Security; do not use the initials “USDHS” or “DHS.”

Notice to Those Making Payment by Check. If you send us a check, USCIS will convert it into an electronic funds transfer (EFT). This means we will copy your check and use the account information on it to electronically debit your account for the amount of the check. The debit from your account will usually take 24 hours and your bank will show it on your regular account statement.

You will not receive your original check back. We will destroy your original check, but will keep a copy of it. If USCIS cannot process the EFT for technical reasons, you authorize us to process the copy in place of your original check. **If your check is returned as unpayable, USCIS will re-submit the payment to the financial institution one time. If the check is returned as unpayable a second time, we will reject your application and charge you a returned check fee.**
