2. How/Why do you use the maps in the U.S. Energy Mapping System? --> (follow-up question)

Please explain ~~~Answer is open-ended~~~

3. Were you able to find the information you were looking for by using the EIA Mapping System?

(Choose one of the following)

- A. Yes --> (follow-up question)

How satisfied are you with the data quality (geographic accuracy and supporting information) of the U.S. Energy Mapping System? (1 is least satisfied, 5 is most satisfied)

(If respondents rate the quality 2 or below, meaning they are not satisfied, we ask a follow-up open-ended question "Why are you not satisfied?")

- B. Only part of it --> (follow-up question)

What information were you looking for? Please specify ~Answer is open-ended~~~

- C. No --> (follow-up question)

What information were you looking for? Please specify ~Answer is open-ended~~

4. What following features would you use if they were included in the U.S. Energy Mapping System?

(Choose all that apply)

- A. Display data table used to produce map
~Scale of 1-5, *1 not likely to use and 5 most likely to use*~~
- B. Filter by category, range, or geographic location
~Scale of 1-5, *1 not likely to use and 5 most likely to use*~~
- C. Aggregated statistics by U.S., state and/or county
~Scale of 1-5, *1 not likely to use and 5 most likely to use*~~
- D. Export map data
~Scale of 1-5, *1 not likely to use and 5 most likely to use*~~
- E. Ability to save custom map views
~Scale of 1-5, *1 not likely to use and 5 most likely to use*~~
- F. Draw tool to apply filters
~Scale of 1-5, *1 not likely to use and 5 most likely to use*~~
- G. Additional layers and data --> (follow-up question)

What additional layers and/or data would be helpful if added?
Please specify ~~~Answer is open-ended~~~~

- H. Other
Please specify ~~~Answer is open-ended~~~~

5. EIA is considering developing a dedicated mobile application that displays mapping information. If we develop it, would you use it?

(choose one of the following)

- A. Yes
- B. No

6. Anything else you want to tell us about the U.S. Energy Mapping System?

Please specify ~~~Answer is open-ended~~~~
