## **SUPPORTING STATEMENT FOR PAPERWORK REDUCTION ACT SUBMISSIONS**

### **A. Justification**

#### **A1. Need for Information Collection**

The Corporation for National and Community Service (CNCS) awards grants to states, institutions of higher education, non-profit organizations, Indian tribes, and U.S. Territories to operate AmeriCorps State, AmeriCorps National, AmeriCorps NCCC, AmeriCorps VISTA, Social Innovation Fund and Senior Corps programs. This information collection comprises the questions applicants answer to apply for grant funding for September 11<sup>th</sup> Day of Service and Remembrance (September 11) and/or Martin Luther King Jr Day of Service (MLK).

#### **A2. Indicate how, by whom, and for what purpose the information is to be used.**

Applicants for MLK Day and September 11 will submit an application following the application instructions. Applicants may apply for MLK Day, September 11, or both. The application is required to be considered for grant funding support from MLK Day or September 11. CNCS will use the information collection to select grantee organizations through a competitive process.

#### **A3. Minimize Burden: Use of Improved Technology to Reduce Burden**

CNCS will be accepting applicants' response to these questions electronically via eGrants, CNCS' secure online grants management system.

#### **A4. Non-Duplication**

There are no other sources of information by which CNCS can meet the purposes described in A2 (above).

#### **A5. Minimizing for economic burden for small businesses or other small entities.**

This collection of information does not impact small businesses because they are not eligible to apply to be a September 11 or MLK Day of Service grantee. There is no economic burden to any other small entities beyond the cost of staff time at small nonprofits to collect and report the data. This is minimized to the degree possible by only asking for the information absolutely necessary to assess an organization's eligibility to apply and capacity to administer a September 11 or MLK Day of Service grant.

#### **A6. Consequences of the collection if not conducted, conducted less frequently, as well as any technical or legal obstacles to reducing burden.**

If the information is not collected, CNCS will be unable to request the necessary information to assess prospective September 11 and MLK grantees.

**A7. Special circumstances that would cause information collection to be collected in a manner requiring respondents to report more often than quarterly; report in fewer than 30 days after receipt of the request; submit more than an original and two copies; retain records for more than three years; and other ways specified in the Instructions focused on statistical methods, confidentially, and proprietary trade secrets.**

There are no special circumstances that would require the collection of information in these ways.

**A8. Provide copy and identify the date and page number of publication in the Federal Register of the Agency's notice. Summarize comments received and actions taken in response to comments. Specifically address comments received on cost and hour burden.**

The 60 day *Notice* soliciting comments was published on Tuesday, July 12, 2016 on page 45135. No comments were received.

**A9. Payment to Respondents**

There are no payments or gifts to respondents

**A10. Assurance of Confidentiality and its basis in statute, regulation, or agency policy.**

Your responses to this information collection will be disclosed as appropriate unless prohibited by law.

**A11. Sensitive Questions**

The information collection does not include questions of a sensitive nature.

**A12. Hour burden of the collection**

We expect approximately 70 respondents to use these instructions to apply to become September 11 or MLK Day of Service grantees. The frequency of response will not be greater than annually, and should not exceed 20 hours of effort per respondent.

**A13. Cost burden to the respondent**

There is no cost to the respondent.

**A14. Cost to Government**

There are no additional costs to the Government.

**A15. Reasons for program changes or adjustments in burden or cost.**

Not applicable.

**A16. Publication of results**

Some results of this grant competition will be published on the CNCS website for the purpose of transparency in federal grantmaking.

**A17. Explain the reason for seeking approval to not display the expiration date for OMB approval of the information collection.**

Not applicable.

**A18. Exceptions to the certification statement**

There are no exceptions to the certification statement in the submitted ROCIS form.
