# Request for Approval under the "Generic Clearance for the Collection of Routine Customer Feedback" (OMB Control Number: 0503-0021)

TITLE OF INFORMATION COLLECTION: USDA/FAS GAIN User Survey

### **PURPOSE:**

USDA/FAS has been electronically transmitting GAIN (Global Agricultural Information Network-public [and internal] reports on ag and food market conditions in at least 100 countries around the world, with the goal of facilitating and expanding exports of U.S. ag and food products) reports to self-selected users since at least 1995. Various methods have been used to try and collect feedback from these users. This current effort, via a free online survey system (Survey Monkey), seeks to learn more about our users and see how useful (or not) they find our reporting.

### **DESCRIPTION OF RESPONDENTS:**

GAIN reports are now delivered to 1000's of users via GovDelivery. Individual users who self-select to take the survey are the target. It is anticipated that these are users who have a personal or professional interest in the food and agricultural market and production sectors around the world in countries with USDA/FAS official coverage.
