Dear << CONTACT NAME >>:

The U.S. Census Bureau and the National Center for Health Statistics wish to extend a sincere “Thank You” for the assistance you provided to our Field Representative, <<FRNAME>>, during <<INT DATE>>. Without your personal attention and support, I’m convinced that the active participation by students would not have been as successful.

When the responses of the students from <<COLLEGE NAME>> are combined with information given by other individuals, it will reflect accurate data and generate statistics providing long-term benefits to millions of people across America.

We are most appreciative for your assistance and hope that your interaction with our staff member was pleasant. If you have any questions, concerns, or wish to discuss the multiple surveys conducted by the Census Bureau, please don’t hesitate to call us.

Thank you for your help,
