Revisions to the Collection Instrument

SSA is making the following revisions to this collection:

- **Change:** We are adding the Regulation citations for *20 CFR 404.968, 404.976, 416.1468, and 416.1476* of the *Code of Federal Regulations* to this information collection.

Justification: We inadvertently did not include these citations previously, and are correcting for that now.

SSA will implement this Change immediately upon OMB's approval.
