Dear State Employer,

We need your help. Your establishment has been selected to participate in the Occupational Employment Statistics (OES) program, which we conduct in cooperation with the US Bureau of Labor Statistics (BLS) to meet the rising demand for occupational information.

The wage and occupation estimates we publish using your data helps to identify future training needs, ensuring you an adequate supply of trained workers for the future. Please help yourself and us by sending us the requested information.

Please choose one of our easy response options:

1. Complete the form on page 2 by entering each employee's occupation and wage. Please enter only one employee per line. Return the form using the enclosed postage-paid envelope, or fax to (555) 555-1234.
2. File electronically. If you have a spreadsheet or a report from your payroll or personnel system, you can email your data to **OESState@idcf.bls.gov**. Please include your IDCF number in the email. You can also visit our secure website, **https://idcfoes.bls.gov**, and upload a data file or enter your data online.
3. Call us at (555) 555-5555 - we would be happy to take your data over the phone.

Questions? Need help with the survey?

- More detailed instructions are included on page 3.
- Call us at (555) 555-5555
- Email us at **OESState@idcf.bls.gov**

Please reply within **two weeks**. Your timely response helps save taxpayer dollars by eliminating the need for costly additional mailings and phone calls. The data you provide will be used for statistical purposes only, and any company or individual-identifying information for non-government establishments will be held in strict confidence to the full extent permitted by law. Your cooperation is greatly appreciated.

Sincerely,

John Smith
Director
State LMI Office
