Instructions for Completing the Annual Reporting Form for the Pesticide General Permit (PGP) for Discharges from the Application of Pesticides

Who Must File an Annual Report with EPA?

Any Operator who is a Decision-maker required to submit a Notice of Intent (NOI) and is a large entity as defined in Appendix A of the permit and any Decision-maker required to submit an NOI solely because of their application results in a discharge to waters of the United States containing NMFS Listed Resources of Concern, must submit an annual report to EPA each calendar year. Once required to submit an annual report for one year, an annual report must be filed each subsequent year of this permit whether or not you have discharges from the application of pesticides in accordance with Section 7.6 of the permit.

When to File an Annual Report?

Any Operator required to file an annual report must submit the annual report no later than February 15 of the following year for all pesticide activities covered under this permit occurring during the previous calendar year. If the Operator is required to submit an NOI based on an annual treatment area threshold, the annual report must include information for the calendar year, with the first annual report required to include activities for the portion of the calendar year after the point at which the Operator exceeded the annual treatment area threshold. If the Operator first exceeds an annual treatment area threshold after December 1 in a calendar year, an annual report is not required for that first partial year but annual reports are required thereafter, with the first annual report submitted also including information from the first partial year.

When Operator terminates permit coverage, as specified in Part 1.2.5 of the permit, an annual report must be submitted for the portion of the year up through the date of termination. The annual report is due no later than February 15 of the following year.

Where to File the Annual Report?

The Operator must prepare and submit the Annual Report using EPA's electronic Notice of Intent (eNOI) system available on EPA's website (<https://www.epa.gov/npdes/pesticide-permitting>) unless the Operator is granted a waiver from the requirement to use eNOI for submitting the Annual Report. See Part 8 of the PGP for EPA Regional contacts. The Electronic Submission Waiver is at the top of this form.

If you are granted a waiver from using eNOI, you must send the Annual Report to one of the addresses listed below.
