<sup>1</sup> Approximately 90% of forms received by EPA are completed correctly and undergo standard processing, requiring only clerical and technical labor types.											
<sup>2</sup> The rest of the forms (approximately 10%) require review by the Agency's product review team, requiring all three types of labor.											
<sup>3</sup> The rest of the forms (approximately 10%) require review by the Agency's product review team, requiring all three types of labor. In the calculations the maximum time was used, but the expected cost \$14.18 [10% * \$141.77 (29.35+78.18+34.24)] was used for total.
