

Title VI Third-Party Certifier Authorized Official Main Screens

The screenshot displays the EPA CDX Central Data Exchange interface. At the top, the EPA logo and navigation links (Home, About, Recent Announcements, Terms and Conditions, FAQ, Help) are visible. The user is logged in as 'TITLEVTESTUSER'. The main content area features a 'Services' table with columns for Status, Program Service Name, and Role. Below the table are buttons for 'Add Program Service' and 'Manage Your Program Services'. To the right, there are sections for 'CDX Service Availability' and 'News and Updates'.

Status	Program Service Name	Role
	CSPP: Submissions for Chemical Safety and Pesticide Programs	Accreditation Body (AB) Authorized Official
	CSPP: Submissions for Chemical Safety and Pesticide Programs	Accreditation Body (AB) Support
	CSPP: Submissions for Chemical Safety and Pesticide Programs	Primary Authorized Official
	CSPP: Submissions for Chemical Safety and Pesticide Programs	Primary Support
	CSPP: Submissions for Chemical Safety and Pesticide Programs	Secondary Authorized Official
	CSPP: Submissions for Chemical Safety and Pesticide Programs	Third-Party Certifier (TPC) Authorized Official
	CSPP: Submissions for Chemical Safety and Pesticide Programs	Third-Party Certifier (TPC) Support

Home

Applications and Notifications

Create, modify, or delete a TSCA Title VI application and/or notification by clicking the 'Applications and Notifications' link.

User Management

Manage the access rights of Supports for each TSCA Title VI form. For every Support the Authorized Official may grant the ability to edit (but not unlock, create, delete, or submit) the form.

Resources

See links to helpful guidance documents and websites for TSCA Title VI.

Authorized Official

An Authorized Official has the ability to create, delete, modify, unlock, and submit TSCA Title VI forms electronically to EPA. The Authorized Official also has the ability to assign Supports to individual forms.

User Management

The Authorized Official is responsible for restricting a Support's access to select forms by assigning or un-assigning them. The Support can access and edit only those forms for which the Authorized Official has granted access. Select a specific form from the Form ID drop-down menu and assign a Support to the form by highlighting the individual and clicking the **Add** button. To un-assign a Support, highlight the individual and click the **Remove** button. To highlight and assign or un-assign multiple Supports, hold down the **Ctrl** or **Shift** keys on the keyboard and click each Support before moving. You must click the **Save** button after each assignment.

Applications and Notifications

- If submitting a form for the first time in the TSCA Title VI application, select a form from the 'Select Form Type' drop-down menu and click the 'Start New Form' button.
- To edit an 'In Progress' form, click the Unique ID link in the Unique ID column in the table below.
- To access and edit a form previously submitted through CDX, unlock the form by clicking the lock icon. All additional changes made to an application and/or notification form will be submitted as an amendment.

An amendment must be submitted to capture information regarding a change in accreditation status including the suspension, reduction or withdrawal of accreditation.

- To download a copy of record for a submitted form, click the green arrow icon.
- To delete any form that has not yet been submitted, click the delete icon.
- All columns may be sorted by clicking the column header.

CSPP Home Applications and Notifications User Management Resources Test User, Third-Party Certifier (TPC) Authorized Official

Create Passphrase

Please create a passphrase that is at least 8 characters in length and does not exceed 20 characters. To protect your form, your passphrase should contain a combination of letters and numbers. The passphrase you create may include spaces but should not contain special characters (for example, +, ?, and *).

New Passphrase

Confirm Passphrase

Continue Cancel

Your passphrase will be used as an encryption key to protect the contents of your data. Your data cannot be accessed without this passphrase. You are responsible for remembering your passphrase and distributing it to only authorized support(s).

Note: If you lose or forget your passphrase, you will not be able to access your form to print, submit, or make changes. You will need to complete a new Formaldehyde Standards for Composite Wood Products Form and create a new passphrase for the form. For security reasons, the system administrator will not have access to your passphrase and will not be able to retrieve it or reset it.

Enter Passphrase

Please enter your passphrase for the submission and click the **Continue** button.

Enter Passphrase

Forgot Your Passphrase?

For security reasons, the system administrator does not have access to your passphrase and cannot retrieve it or reset it to a new one. If you have forgotten your passphrase, you must complete a new Formaldehyde Standards for Composite Wood Products Form and create a new passphrase for the form.

Under the Toxic Substances Control Act (TSCA), EPA is required to review at least 25% of confidentiality claims. TSCA Section 14(g)(1). For any information claimed as confidential business information (CBI), EPA requests you substantiate your CBI claim by explaining how disclosure of the information will likely result in substantial competitive harm to your business. Please be specific about why the harm is substantial and explain the causal relationship between disclosure and such harm. You bear the burden of substantiating your business confidentiality claim. Generalized or conclusory statements will be given little or no weight in EPA's determination of the confidentiality of the information you claim as CBI.

You can acknowledge receipt of this message by clicking the 'OK' button or 'X' in the upper right-hand corner.

Experience Questions

Please provide information of your experience in the following fields. Check the 'CBI' checkbox next to a field to indicate that field as CBI.

Please provide your experience in the composite wood product industry with the specific product(s) you intend to certify.

CBI

Please provide your experience in performing or verifying formaldehyde emissions testing on composite wood products:

CBI

Please provide your experience with test method ASTM E1333-10 and/or ASTM D6007-02, if used, and evaluating correlation between test methods. Applicant TPCs that have experience with test method ASTM D6007-02 only must be contracting testing with a laboratory that has a large chamber and provide its experience with ASTM E1333-10:

Affirmation and Documentation

Please check the affirmation checkbox and upload documentation if necessary. Check the 'CBI' checkbox below to declare the affirmation statement as CBI.

- CBI
- I affirm that I have the ability to conduct inspections of composite wood products and properly train and supervise inspectors to inspect composite wood products in conformance with ISO/IEC 17020:2012(E) as required under ISO/IEC 17065:2012(E) Section 6.2.1.
- I affirm that upon receiving recognition from the EPA, I will act impartially when performing activities under the EPA TSCA Title VI Third-Party Certification Program, ensuring that an accreditation decision regarding a TPC is made by persons different from those who conducted the assessment of the TPC and ensuring that the AB's personnel who assesses TPCs or makes decisions regarding accreditation do not receive financial benefit from the outcome of an accreditation decision.

Amendment

Check the below checkbox and submit the form to indicate that this amendment is a renewal application.

Renewal Application CBI

Check the below checkbox and submit the form to voluntarily withdraw your Third-Party Certifier from the TSCA Title VI Third-Party Certifier program. You may also enter information describing your reason for withdrawal, but it is not required to submit the form.

Third-Party Certifier Voluntary Withdrawal CBI

Reason for Withdrawal (Optional):

Test reason for withdrawal.

Third-Party Certifiers are required to report to EPA within three (3) business days of receipt of the loss notice when they lose their accreditation status. Check the below checkbox, enter the date of the loss in the below field, and submit the form if your Third-Party Certifier has lost its accreditation status.

Loss of Accreditation Status CBI

Date of Loss of Accreditation

Justification for Loss of Accreditation Status CBI

Test justification.

To amend a submitted form, please indicate any changes from the previous application in the text area below and navigate to the appropriate section of the form to make the changes listed. After making all necessary changes, click the 'Submit' button in the bottom action bar to resubmit the form.

Third-Party Certifier User Interface TPC Annual Report Screenshots

This screenshot shows the 'Annual Reports' section of the user interface. At the top, there is a navigation bar with links for CSPP, Home, Applications and Notifications, Annual Reports, User Management, and Resources. The user is logged in as 'Test User, Third-Party Certifier (TPC) Authorized Official'. Below the navigation bar, the 'Annual Reports' section contains a list of instructions for submitting and editing reports. A table header is visible with columns for Unique ID, Form Type, Status, Modify Date, Submission Date, Copy of Record, and Actions. The table currently shows 'No entries have been added.' Below the table is a 'Start New Annual Report' button.

CSPP Home Applications and Notifications Annual Reports User Management Resources Test User, Third-Party Certifier (TPC) Authorized Official

Annual Reports

- If submitting an Annual Report for the first time in the TSCA Title VI application, click the "Start New Annual Report" button.
- To edit an In Progress Annual Report, click the Unique ID link in the Unique ID column in the table below.
- To access and edit an Annual Report previously submitted through CDX, unlock the Annual Report by clicking the lock icon. All additional changes made to an Annual Report will be submitted as an amendment.
- Only one Third-Party Certifier Annual Report form can be created per reporting year. Any changes made to a previously submitted Annual Report can be made in an amendment.
- To download a copy of record for a submitted form, click the green arrow icon.
- To delete any Annual Report that has not yet been submitted, click the delete icon.
- All columns may be sorted by clicking the column header.

Start New Annual Report

This screenshot shows the 'Third-Party Certifier Annual Report' form. The top navigation bar is the same as in the previous screenshot. Below the navigation bar, there is a sidebar with a tree view of the report sections: TPC-AR-324, TPC Annual Report, Annual Report Information, Panel Producer Information, List of Laboratories, Inter-Laboratory Comparison, and Non-Conformities. The main content area is titled 'Third-Party Certifier Annual Report' and contains instructions for selecting the reporting year and sharing the report with CARB. The 'Reporting Year' is set to 2016, and the 'Share Annual Report with CARB?' checkbox is checked. A 'Next' button is located at the bottom of the form.

Certify

I hereby certify to the best of my knowledge and belief that all information entered on this form is complete and accurate. I further certify that, pursuant to 15 U.S.C. § 2613(c), for all claims for confidentiality made with this submission, all information submitted to substantiate such claims is true and correct, and that it is true and correct that:

- (i) My company has taken reasonable measures to protect the confidentiality of the information;
- (ii) I have determined that the information is not required to be disclosed or otherwise made available to the public under any other Federal law;
- (iii) I have a reasonable basis to conclude that disclosure of the information is likely to cause substantial harm to the competitive position of the person; and
- (iv) I have a reasonable basis to believe that the information is not readily discoverable through reverse engineering.

Any knowing and willful misrepresentation is subject to criminal penalty pursuant to 18 U.S.C. § 1001.
