

FORMS

As to form, attached is a form created by the Board, but is not found within our regulations. The regulations do list what information is necessary. You may also find the reports filed by the railroads at https://www.stb.gov/stb/railserviceissues/rail_service_reports.html#loaded. Additionally, this is the webpage for rail service issues -- https://www.stb.gov/stb/railserviceissues/rail_service_update.html.
