

Research Assistant Candidate Survey of Interests and Experiences

Name:

Expected Graduation Date:

Availability Date:

Are you a United States citizen? Yes No

U.S. citizenship is required for Research Assistant positions.

- I. The Board's economics divisions study a wide range of topics, including but not limited to the following broad areas of economic analysis and policy:

Macroeconomics

(General macro, public finance, unemployment, inflation, growth, and productivity)

Microeconomics

(Consumer behavior, labor markets, public finance, urban and regional economics, health, education, natural resource economics, and industrial organization)

Financial Economics

(Money & capital markets, banking, asset pricing, derivatives, and regulation)

International Economics

(Trade, international finance, and development)

Computational Economics & Econometric Methods

(Algorithm development and simulation methods)

Economic Measurement

(Survey research, economic statistics, and national accounting)

Monetary Policy and Central Banking

(Money markets, monetary policy, and FR operations)

Many qualified Research Assistant candidates have no clear preference among the many areas of research done at the Board; however, for those who do, indicating such could be helpful to finding the best fit among the different groups hiring research assistants. Please rank order the top 3, with 1 being the top, those broad areas of analysis that you are *most* interested in pursuing, or choose "no clear preference":

1	<input type="text"/>	<input type="button" value="v"/>
2	<input type="text"/>	<input type="button" value="v"/>
3	<input type="text"/>	<input type="button" value="v"/>

No Clear Preference

- II. One of the attributes we consider in evaluating Research Assistant candidates is the ability to acquire and expand data analysis and programming skills. Please indicate your level of experience with *and* your degree of interest in the following areas:

	Experience			Degree of Interest		
	Limited/ None	Moderate	Extensive	Low	Moderate	Strong
Compiling and manipulating datasets	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Statistical packages (Stata, R, SAS) Please specify: <input type="text"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Programming languages (SQL, C++/C/Java, Perl/Python, Matlab) Please specify: <input type="text"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Other programs and operating systems (Mathematica, Unix/Linux) Please specify: <input type="text"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

The Federal Reserve may not conduct or sponsor, and an organization (or a person) is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The information provided to the Board on this form is used for responding to your request. For further information, please see our [privacy statement \(66 KB PDF\)](#).

PAPERWORK REDUCTION ACT NOTICE

This survey of interests is authorized by law [12 U.S.C. §§ 244 and 248(1)].

Public reporting burden for this survey of interests is estimated to average five minutes per response. Send comments regarding this burden estimate or any other aspect of this survey of

interests, including suggestions for reducing this burden, to Secretary, Board of Governors of the Federal Reserve System, 20th and C Streets, N.W., Washington, DC 20551; and to the Office of Management and Budget, Paperwork Reduction Project (7100-0181), Washington, DC 20503
