

Exhibit 7: At-Risk Sponsor Email

OMB Control No.: 0584-0601
Expiration Date: 04/30/2018

Dear _____,

Thank you for participating in the CACFP Sponsor and Provider Characteristics Study last spring/summer. The information you provided has been enormously helpful in addressing FNS' research questions about child care centers that participate in the At-Risk Afterschool Meals component of the CACFP. In the process of analyzing the data you and < Center Name> provided we realized that we inadvertently forgot to ask a question about the number of children enrolled in <Center Name's> regular CACFP component whose meals are reimbursed at the free, reduced-price and paid rates.

Could you please access the link below and submit your answers to the three questions about <Center Name>.

Thank you,

*Frederic Glantz, President
Kokopelli Associates, LLC*

Disclosure statement:

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0584-0601. The time required to complete this information collection is estimated to average two minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.
