**Subject:** Intellix Award

Good Afternoon Danny,

In preparation for the OMB process for the new Intellix contract, I am attaching a copy of the award.

Jeff Toole is the project Director for Intellix. If possible, can you reach out to him to ask if there are any question/or concerns he may have before we start the process. We did have a meeting today and everyone seems to be onboard as to what is expected, but there may be more questions Jeff may have for the IT team before we start the process. His email address is [jtoole@intellix.com](mailto:jtoole@intellix.com).

Please let me know if you have any questions.

Thanks,

Terri
