Dear:

Thank you for agreeing to help CDC's Division of Violence Prevention evaluate some of VetoViolence's tools!

Your feedback is extremely important. We anticipate that it will take approximately 45 minutes. We have randomly assigned you to review:

[One of the following will be displayed and bolded]

ACES Infographic https://vetoviolence.cdc.gov/apps/phl/resource_center_infographic.html

EvaluACTION <http://vetoviolence.cdc.gov/index.php/evaluation/>

Success Stories <http://vetoviolence.cdc.gov/index.php/success-stories/>

Please allow yourself time to review the tool or resource in a quiet, comfortable environment. After you have reviewed it, please click the link below to begin your survey. The survey starts with demographic questions, and is followed by 8-11 questions about your specific tool, and ends with more general questions about your experience with navigation, likes, dislikes, what works, and what could use improvement.

When you are ready, please begin the survey by following this [link](#).

Should you have questions about this survey, please contact Alan Williams at awilliams@banyancom.com.

We look forward to learning from you!

The Division of Violence Prevention's Health Communication and Education Team

Public reporting burden of this collection of information is estimated at 2 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB Control Number.
